I in a fit of loonacy, for wich I can't account,
"I don't need a pardon. I wuz never in the

"What'n thunder then are yoo here for beggin for a post offis? Git out you imposter," and

Then hart broke and dead broke, not heving the wherevith to prokoor more sootable lodgin, I lay me lown on the cold stun steps and sought refuge from my troubles in sleep.

I dreamed a dream. Methawt I wuz in a room in the White House. Stretched out on

a pleasing appearance and fair to look upon.— Onto its head was a liberty cap, and by its side wuz a sword considerably dinted, and with all wuz a sword considerably united, and want and the gildin knocked off.

"Wat is these," sed I, pointin to the corpse, askin a sort uv a attendant.

"Them," replied he, "is the defunct carcass of Republikinism. He was a hefty yooth in his day, but he died this mornin. Look! the mournment conjugate to divide his clothes."

one side uv the room wuz the corpse uv a giant,

a monster in size and strength, but withal ut

ers are coming to divide his clothes." And shoor enuff they came in. At the head wuz the Second Jaxon wich the Ahlishnists derisively call Moses, who appeared to be angry, and clost beside him wuz Seward a weepin out uv one eye and a smilin out uv tother, and Jim ane who hed a handkercher wich he occasionally put to his eyes, but wich I notist wuz oz dry ez a lime kiln, and Doolittle and Lee and Raymond and Beauregard and Cowan and Stehens and Thurlow Weed and Vallandigham and Gov. Sharkey and a host uv others, all uv wich ranged theirselves around the hier.

"And I," sed Doolittle, "must hev for my as-Is bound to keep time to the music, and continue istance, this little affair marked 'St. James,' for ny seat in the Senit is a goner."

"My friends," sed Stephens, "I find no amnes-ty about the corpse. There must be one man-ufactured and stuck in his pocket to be prodoost at the funeral." Thurlow Weed sed nothing, but looked on with a sardonic smile, knowing, perfeckly well that whoever took the biggest part of the plunder, he'd control it any way.

Gov. Sharkey laid claim to a secretaryship,

and Boregard to the place uy Sherman, and Le to Grant's position, and Vallandigham wanted this, and tother feller that, and there wuz a terrible hubbub over the corpse. Wilkes Booth's gost came in and wanted to know what he wuz A fall line of all the choice brands of bleached to hev in the new deal, for sed he fer it hadn't bin for me where'd you all hey bin. Then in trooped a lot uv other gosts. There wuz Bill Allen, uv Ohio, and Washington Hunt, uv Noo York, and Jeems Bookanon, uv Pennsylvania; and Edi Thayer, Lew. Campbell, and Garret Davis who started to make a speech, but the entire assemblage stuck their fugers in their ears, wich hint he took for the first time in his life and desisted. Finally Johnson swore "by the eternal," (he got that noshun from the first As J. which he thinks he resembles, cozhis innitials is the same and becoz the original vetoed a bill wunst.)
he would hev the Presidency and gobbled it.—

Jest then a blast uv north wind poured into the room through the aperture and blowed onto the face uv the corpse. The effect was electrickle. Life ran through his effect was electricite. Life ran, through his veins, his face, flushed, and the livid hue was changed to the ruddy glow uv health. The dead wuz alive,—the giant rated to his feet, and looked around him, shakin off them ez wuz a hangin to him like insex. Noticin the trinket wich had caused the skirmage in Johnson's hand, he took him by the nock and twittin it out no he took him by the neck and twistin it out uv his hand flung him gently through the winder. "I ain't made up my mind who to give this to, but yoo bet it ain't yoo," sed he. "Willyum," sed he, turnin to Seward, "I am withyum, sed he, turnin to seward, I am surprised at yoo. Wuz this bauble the price uv yoor honesty and yoor principles? Gol Willyum. Ez for yoo Doolittle, yoo never wuz hal baked; yoo Thurlow, put Raymond into your yest pocket and quit the presence. In my pocket wur the papers wich didn't get me the post offis I wuz seekin, and in my mind was chaotic confusion.
