You visited me nearly every Tuesday, and found me improving, and told me not to go out of my room until the first day of May. I took no cold while under your treatment, my appetite became first-rate, and you told me to eat everything I wished of a nutritious nature, and to exercise about the room as much as possible. I followed your advice, and to the surprise of my eld physician and friends, I seem much better than I have been for several years, and breathe better than I ever expected a person could with one lung, the left hoing completely dried up. I feel very grateful to you, and consider your advice and medicines invaluable.

Yours, truly,

DR. SCHENCK—Dear Sir:—About two years ago I was taken with a very troubles-me cough and a pain in my breast; seven or eight months passed away without my doing anything for myself. Then I applied to a physician, who attended me for about three months without rendering me any service. I also obtained the advice and treatment of a physician in one of our bospitals, and also had the advice and treatment of two their physicians, but all to no purposs. During this long space of time I was nearly dead; several times my friends came to see me and witness my exit into the spirit world. I was confined to my bed two months at one time. My breathing was crosedingly short.—I gave up several time all hope of getting better; and as regarding getting well, that was entirely out of the question. And to think this day I am well and hearty! I was advised by some of my friends to try Dr. Schenck's Modicines. I accordingly bought bottle after bottle, until I reached the ninth; then I found a decided change in my fough for the better. I suffered severely from paipitation of the heart, and two weeks after I commenced taking your medicine this difficulty ceased.

When I first went to Dr. Schenck's office it was Rheumatism, Salt Rheum, Scalds, Skin Disonse ** Norica. -- None genuine without the engraved trademark around each pot or box, signed by DR. MAGGIEL, 43 Fulton st., New York, to countorfeit which is felony. Sord by all respectable Dealers in Medicines throughout the United States and Canadas—at 26 cents per box or pot.

Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellowcitizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following

complaints: —
SCROFULA AND SCROFULOUS COMPLAINTS; ERUPTIONS AND ERUPTIVE DISEASES, ULCEUS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AP-PECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, ERYSIPELAS, Rose on St. Anthone's Fine, and indeed the whole class of complaints arising from Impulate or

THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sares, through which the system will strive to sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine: Cleanse out the vitiated blood whenever you find its impurities or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed. for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla,

or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of Extract of Sarsaparilla for one dollar. Most of these have been fruuds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on
