Liver Complaint, Consumption of Lungs, &c. THE MANDRAKE PILLS are composed entire y of roots and herbs, obtained from the great storehouse of Nature, and their salutary effects will appear as soon as the medicine is brought to the test of a fair experience. SCHENGES MANDRAKE PILLS do not produce any nauses or sickness of the stomach; but when given for Dyspepsia, it may be proper to use them in connection with SCHENCK'S SZAWEED TONIC. By this judicious treatment the digestive faculties are speedily restored to their full vigor, and the

worst cases of indigestion may be cured.

When we reflect that the liver is the largest internal organ of the body, that to it is assigned the important duty of fistering the blood and preparing the bile, that it is subject to many disorders, and that when it is diseased or inactive the whole body suffers sympathetically, it is not surprising that a medicine which can prestore the healthy operations. suffers sympathetically, it is not surprising that a medicine which can restore the healthy operations of the Liver should produce wonderful changes in the general health, and effect cures which may appear to be almost miraculous. Headache of long continuance, severe pains in the side, breast and shoulders, aching of the limbs, a feeling of general weakness and wretchedness, and other alarming and distressing symptoms, indicative of imperfect or disordered action of the liver, are speedily removed by the use of SCHENCK'S MANDRAKE PILLS.

Costireness, piles, bitter or sour eructations, and that indescribable feeling of oppression, mental anx icty, languor, lethargy, and depression of spirits which unfit a man for the management of business and the orjoyment of life, are all relieved by the use of SCHENCK'S MANDRAKE PILLS.

DR. SCHENCK.—Dear Sir: I take pleasure in

DR. SCHERCK .- Dear Sir : I take pleasure in sonding you a certificate in addition to many you have already received from suffering humanity. I can scarcely find language sufficiently strong to express my heartfelt gratification of the wonderful cures your MANDRAKE PILLS and SEAWEEU TONIC have effected in the entire cure of one of the most stubborn cases of the affection of the liver. For three years I suffered beyond debenition; all For three years I suffered beyond deben; tion; all my friends, as well as myself, came to the conclusion that my time in this life was short. Such was the terrible condition to which I was reduced that life to me had become a burden; my whole system was in a state of inflamation; I could not eat, I could not sleep; my whole body was filled with pain; swelling would arise in my wr at and ankled rendering them totally useless. On several occasions I was attacked with a rush of blood to the bend, which would fell me to the ground, and I would be carried away for dead. I applied to several eminent physicians of our city, who administered all the medicines that they thought would reach my case, but of no avail.

reach my case, but of no avail.

One of them said be could do no more for me, an dvised me, as a last resort, to drink cod liver oil. Not relishing the horrid trash I declined to take it Accident put your advertisement in my hards. I called on you; you examined me and told me the na ture of my disease. You then ordered me the Pills and Toric with an observance of diet, pledging your word that in one week I would find myself another man. I followed your advice, and, as you predict od, an astonishing cure was effected. I continued your Pills and To ic for some time, and now thank your Pills and To-le for some time, and now thank that for his goodness, and your valuable medicine. I am once more restored to perfect health. I must earnestly recommend those who are suffering from affection of the liver to give your Pills and Tonic a fair trial, and a cure will be effected. effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellowitisms. How completely this compound will citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AF-FECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF

class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great pro-moter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the time-ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous fores, through which the system will strive to sores, through which the system will strive to tself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder in the state of the solution of the so is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something

must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla,

or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for of these have been trades upon the stea, for they not only contain little, if any, Sarsapa-rilla, but often no curative properties whatev-er. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to care. In order to severe their complete ed to cure.
