very yellow; likewise my skin; my appetite all

swellon, irregular and costive. I was vary low
spirited, and had such violent spells of coughing
when I laid down at night and when I aros. in the
morning that they would last one or two hours.
I then would be nearly exhausted, and was entirely unable to lie on my left side. I cannot devory organ in my body was diseased or deranged.

At the time of coughing so hadly I would have sharp, shooting pains in my left side and heart, night, swants; and so, sness all through my whole chest; had much inward tover, pain in my back and under my shoulder blades and in the small of my back, and at times so severe that it would throw me into spasms. Now my physician gave me up to die. Others Thad, and the best of them, but they could do nothing for me, and at that time I was nothing but skin and bones. I then, was n the western part of Missouri. of the best physicians of New York on the diseases
of the langs, the doctors of all kinds, but of no avail.
They said I was past oure, and that my lungs were too far gone for any one to cure me. But at this time 1 was on my feet about the house, not able to do much of anything. M. G. BROWN. No. 410 Arch Sreet, Phila. FROM a life of study, observation, and experience, and years of practical application of try 'Metaphysical Discovery' on thousands of diseased men, women and children, I have justly come to the conclusion that every family in the land, who wish to get rid of disease and keep it at bay, must have my Metaphysical Discovery always on hand. It is a certain preventative against disease. It also treats and destroys the cause of disease, consequently the effects die, be-ginning with Deafaces, Catarth, Rheumatism, Nouralgia, with every disease man, weman or child i

We the undersigned, residents of New York, are acquainted with Mrs. Farloy, and know her statement to be true. We also know that she used Dr. chenck's Pulmonic Syrup and Ecawood Tonic, and the flesh, and purifies the blood. In consequence of the new Pulmonic Syrup and Ecawood Tonic, and the new facts, I have this day reddeed the price, o as to leave no barrier in the way of the diseased. The following letter is one of the many which I receive daily at my different effices:— REMARKABLE CURE. - Catarrh, Asthma, &c.

MRS. CHEEVER, residing at No. 62 Allen street Boston, says: "I have been troubled for four years with sore throat. For two years I suffered with catarrh and great dizziness in my head, almost causing me to fall. I suffered greatly with asthmu, it being hereditary in the family. I was distanced all over. I could not go where there was any dust. I had great pains in my head and neck. I have suffered much with cold feet. The bones is my neck forced much with cold feet. The bones in my nick wore drawn out of place with the asthum, and my threat leoked like raw beef. After applying to various physicians and obtaining no relief, I finally applied to Mrs. M. G. Brown, by whose medicines I have been so much benefited that I am now like another woman. Formerly-the least exposure gave me cold; I could not go to the door with my head uncovered without an attack of the asthum. My asthma is now entirely gone. My catarth has wholly disappeared. I folt weak and langual for many cores, so that I was aburden to myself. The wholly disappeared. I folt weak and langual for many years, so that I was a burden to myself. The condness of my feet has disappeared, and I feel a general circulation through my entire system, causing me to be, as formerly, full of strongth and vivacity, and can attend to household duties as well as ever I did in my life."

Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, to combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is repated to cure. It is believed that such a remade it would be such a second of the such as se remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints: -

Sorofula and Scrofulous Conflaints, ERUPTIONS AND ERUPTIVE DISEASES, ULGERS, PINPLES, BLOTCHES, TUNORS, SALT RHEUM SCALD HEAD, SYPHILIS AND SYPHILITIC AP FECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYSPERSIA AND INDIGESTION, ERYSPELAS, ROSE on Sr. Anthony's Fine, and indeed the whole class of complaints arising from Inpunity of

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is ob-structed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown. reputation of accomplishing these ends. But

Sarsaparilla has, and deserves much, the the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing clse.

or any thing clee.

During late years the public have been misled by large bettles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but of the superior superior with the form a quartier apporting whether rilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure, their complete eradication from the system, the remedy should be judiciously taken according to directions on

the bottle. PREPARED BY DR. J. C. AYER & CO. LOWELL, MASS.
Price, 81 per Bottle; Six Bottles for 95. Aver's Cherry Pectoral has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.
