JACKSON'S  
WASHING COMPOUND!  
I have undertaken the Agency of this valuable Compound, and now offer FAMILY RIGHTS for its use. This Compound has been used by persons almost universally come into use, resulting in a Great Saving of Labor and Time, and proving far less destructive to wearing apparel than the old mode of washing. By this method the  
FINEST LINENS, LACES, CAMBRICS, etc., can be readily and easily cleaned with very little trouble. It need not embroil the skin of your hands and tearing the clothes to pieces. It will wash in hard and soft water. Clothes need boiling but a few minutes but very little if any rubbing with the hands; thus avoid their wear on the wash-board. It removes Fat, Grease, or stains of all kinds. It is not only better than ordinary soap, but much cheaper. Give it a trial and you will use nothing else.  
It positively will not injure the clothes, as many have given it a fair trial for several years, and it speaks for itself. The compound cannot be sharp when every pound of ingredients requires 50 gallons of water.  
Persons who have used it are desiring to act as agents for its sale, and we are desiring to find such persons. Applications to me will be solicited, and we will give a commission of 10 per cent.  
Only \$1 for a Family Right.
