DR. J. H. SCHENCK OFFICE N. Y. & GALERA LEAD Co., No. 28 Nascau St., New York, June 1, 1865.

No-28 Nassau St., New York, June 1, 1865.

Dr. J. H. Sobenck—Dear Sir: For over fifteen years I have been troubled with a very severo cough, and usually two or three times a year with more or less hemorrhage, which trgether, for the last few years, has kept me thin in flesh and to weak to do business of any bind without suffering. In August last I had a very severe hemorrhage, and, according to the judgment of a good New York physician, I was classed as b youd the reach of medicine, and was advised to be prepared, so far as property matters were concerned, to leave this world at short notice. The physician (and my good friends) said that the first cold I took must prove fatal— Early in January I took a severe cold, and fortunately was occupying rooms at Nos 32 BOND c.TREET, directly over your office— I think about the 16th of January I procured a bottle of your Pulmonic Syrup and commenced taking it freely. My feet and limbs were very much swollen, and all the symptoms of a speedy death seemed to accompany my cold; I sent for my former physician, and after showing them to him, and having tasted of them, &c.; he replied: "You can take them if you like, they will do you no harm." He said, "You know what I told you last summer, and I sey the same now, if you have any business to close up, do not not it off." He said to other friends that he "You know what I told you last summer, and I say the same now, if you have any business to close up, do not put it off." He said to other friends that he "could see he hope for me," and my friends and relations concluded my time had come; At this time I was taking freely of your medicine, but had not seen you. The doctor called a few times, and found me (much to his surprise, he said,) improving, and he could not understand why. My faith was increasing in your medicines, and I had a wish to have you examine my case, and see what you had to say. When you first come to my room and made the examination, you gave me but little encouragement, but on the contrary, expressed and doubts of my ever being helped out of my then seeming difficuties. The second time that you called, finding me still gaining, you gave me encouragement, s.-y ficu ties. The second time that you called, finding me still gaining, you gave me encouragement, s:ying, "my symptoms were improving; the Palmayic Syrup, Soa-weed Tonic and Mandrake Pills hon acted like a charm." My circulation, my caugad my appetite, all began to improve, and I couh, walk about m room a little. You visited me neald ly every Tuesday, and found me improving, anrold me not to go out of my room until the first dad of May. I took no cold while under your treaty ment, my appelie became first-rate, and yeu told me to eat everything I wishel of a nutritious nature, and to exercise about the room as much as possible. I followed your advice, and to the surprise of my old physician and triends, I secta much

with one lung, the left being completely dried up. I feel very grateful to you, and consider your advice and medicines invaluable.

Yours, truly,

T. S. SHELDON. DR. SCHENCK-Dear Sir :- About two years ago DR. COHENCE—Dear Sir:—About two years ago
I was taken with a very troubles me cough and a
pain in my breast; seven or eight months passed
away without my doing anything for myself. Then
I applied to a physician, who attended me for
about three months without rendering me any service. I also obtained the advice and treatment of
a physician in one of our hospitals, and also had
the advice and treatment of two other physicians,
but all to no purpose. During this long means of

prise of my old physician and friends, I seem much better than I have been for several years, and greathe better than I ever expected a person could

a physician in one of our hospitals, and also had the advice and treatment of two other physicians, but all to no purpose. During this long space of time I was nearly dead; soveral times my friends came to see me and witness my exit into the spiritworld. I was confined to my bed two months at one time. My breathing was exceedingly short.—I give up reveral times all hopes of getting better; and as regarding gotting well, that was entirely out of the question. And to think this day I am will and hearty! I was advised by some of my friends to try Dr. Schench's Mediciner. I accordingly bought bottle af er bottlo, until I reached the ninth; then I found a decided change in my cough for the better. I suffered severely from palpitation of the heart, and two weeks after I commenced taking your medicine this difficulty ceased.

When I first went to Dr. Schench's office it was with difficulty that I could get up into his reception room, I was so weak and so swelled; my skin was as sallow as though I had the jaundice; I felt dull, heavy and sleepless Dr. Schenck, afterexamining me, said both my lungs were affected, and gave me but little hope; but his medicines, in about two weeks, took right hold of me; it seemed to go right through my whole system. The Pulmonic Syrup, Sea-Weed Tonic and Mandrake Pills, all took right hold in the right place. The Pills brought away great quantities of hile and diline. bed in the right place. The Pitls brought away great quantities of bile and slime; the Syrun loosened the matter in my lungs, which came off very free; the Sea Weed Tonic gave me an appetite, and ways thing seamed to testing and

everything seemed to taste good.

To show what great power the medicines have in purifying my system, and to show how but I was diseased, besides all the bile that passed my bowels, and the great quantities of phlegm and matter I expectorated, I broke out all over in large boils, that would c ntinue to gather and run for about six weeks, and I had at one time over twenty-five boils. I have nothing of the kind now, and feel like another person altogether. I can safely say that I nave not enjoyed such health for five years as I de now, and cannet praise you and your medicines enough. May God abundantly bless and preserve you! is the sincere desire of one who has been so wonderfully relieved through your agency; and if any one desires to know with regard to the truthfulness of this report, if they will call upon any of my friends, or upon me, No. 4 Dryden Place, near Thompson street, below Cadwalader, Philadelphia, they will be perfectly satisfied with the validity of the case. Yours, with magh respect.
