when they met at breakfust the next morning the young man forestalled the question inti-mated in the guardian's eyes by volunteering the information that he had concluded to accept the proposal. "How soon will you be ready to go?" askd Mr. Buffum, with a look of great satisfac-This day week,' replied Adolphus, "if the farm implements can be procured by that time. Here is a little inventory of what I shall want. You'd better send it right off to Mapes, and have them boxed and shipped dia fellow you are to observe! How the duce could you have got this op all by yourself? Egad I one would think you'd had the agri-cultural experience of a lifetime !" Adolphus voucnsafed no explanation as to the completeness with which he had accom-plished his inventory, "all by himself," for the very simple reason which may occur to any prefty maid and had who happen to be look-ing over this story together." all by them. over this story together, elves." Mr. Buffum immediately forwarded the order, as proposed, and wound up the business with a homily upon persevering application as with a homily upon persevering application as the sure high-road to success, of which, as our young readers may chance to have met with it before, we give no stenographic report in The day of their parting came rapidly around. They were shy and reserved with each other till they stood on the platform of the railway station and heard Adolphus' train blow its hast whistle.

blow its hast whistle. Mr. Buffun grew very red in the face and moist about the eyes, grasped the youth's hand with a conclusive pressure, and brokenly mirmured, "Good-by, dear old boy !" "Good-by, Mr. Buffum—" "Honor by Mr. Buffum—" Image and the system an

myself, I can say that I only breather in my heart the name of one i" "That apartment must be much less crowd-ed than your sex manage to keep it general-ly," replied Miss Lumley, lightly, without the least sign of appropriation. "Your enslavers can not have to stand on a trunk to dress when they don the brilliant tissues of your fancy. Quite unlike the rest of our Long Branch accommodations, Mr. Poproy. But as to the gentleman whom you mention, for-give me if I can't wholly agree with you. For my part, I'm very tired of this black cont desert—rery. A little suggestion of grass—if it's only the *soupcos* we get in the cloth of that name—is a refreshing oasis. But don't you know any of the fine qualities of the man? I le is said to be very noble-hearted and ve. y i intelligent. How long have you known your friend? As he went on the young man grew more and more interested, and when his guardian had concluded with the question, "Well, what do you say ?" he replied, with greater cordiality than he had shown for month's that he would be happy to take the matter into consideration. Mr. Bullum gave him the map for his private perusal and the two separated. Adolphus was not with him at supper, and

" all by them-

friend.? "'My friend ? He-the-" "Pardon me ? he is mine." What ? She remembered the young fellow who used to sup at her father's in Worcester, and play with those queues of brown hair and blue ribbon as she sat at the piano ustonishing sand thanks for not forgetting me. Be su how very, rery glad I am to see the wom such a capital fulfillment of the little girl." such a capital fulfillment of the little girl." "I am very happy to see you once more, Mr. Buffun, 'answered the heiress, shaking his hand. cordially. Then, with a graceful self possession, turning to the spot where her adorer had been, she said, "Let me make you acquainted with my friend, Mr. Poproy—'' Kindly considerate, but vain ruse of wo-man's tact ! The place which once knew Mr. Darger knew him an more forever-the k to the

A score of bachelor greetings on the plazza; supper; and then, as it was a hop-night, when the tables were cleared away out of the great alle a manger, a return from his tranquilizing clgar along the bluff to look in on the dancers —these ushered in Mr. Buffum's first evening at the Mansion. As, without any particular, acquaintance be-bind him, he leaned against the door post, be-bind him in the darkness ross and fell the ocean, with that mysterious raythim which bards are forever valuly seeking to set to their music in front of him a sea of brilliant women

which must leave him pomiles and you doubly rich! I shall blazon it, Sir! And in that day you will find your *logic* but a poor dottoned? defens "Oh! Oh! Adolphus, my dear boy, for

Heaven's sake be reasonable—be logical. "Penitently confess, then, how you have

forthwith. Confess! sign! scall deliver!— before the mail goes out, for then it will betoo "Adolphus, my dear boy, will you listen to

solemn confidence I am about to repose in you ?" " Proceed, Sir, if you have aught to say in

extenuation." With his eyes fixed upon the sanded boards,

and all combativeness vanished from his man-ner. Mr. Buffum tremulously continued : "After you left me I went down to Long Branch. There, for the first time since her early childhood, I saw *Miss Lumley*. Before I knew it I fell—that is to say, I became at-tached to her. And—in an hour-when I thought not-of my dutics—as execute—of thought not-of my duties-as executor-of your father's will-1 proposed-to her-and

was-accepted." "What? Accepted, by my testamentary

"Forgive your true friend—one who made all his previous representations and entreaties to you with the most unselfish sincerity-for-

to you with the most unscinned sincerity—tor-give him when he says—yea. She loves me— 1 love her—and we shah be—married—unless you—make these fearful—disclosures which you have just threatened. But why should you make then? Oh, be rational 1 Look at it calmby, logically, and—pity me, Adolphus!' "A pretty man you are to talk of logic and reason 1. Was it on their scientific wriging reason 1 Was it on their scientific principles

The place which once knew Mr. Poproy knew him no more forever—that is to say, for the rest of the senson.
And in the next quadrille Beauty danced.
YI.
We will say nothing further of Mr. Buf-fum's Long Branch visit than thut, instead of the you defrauded me of my father's condi-tional, contingent, testamentary, and lovely the side of a grass-cloth sack.
YI.
We will say nothing further of Mr. Buf-fum's Long Branch visit than thut, instead of the you of no ne condition. Sign an ac-rist by ond the fact that the madly attached, the protracted his sojourn to an entire month ; inor any thing concerning the results of that we wave you'd keep all my property.
YII let you off on one condition. Sign an ac-rist by you have been for hours at a time with brogular steps pacing the briny beach, or sitting in an arbor with his hat crushed over eyes which looked steadily across the solemm main. Neither do we make any in-reductely and suddenly atter the termination of his visit at Long Branch. We pass over of his visit at Long Branch. We pass over with the statute of and disembark with Mr. Buffum's rea-olution to visit Adolphus in his new home im-of this visit at Long Branch. We pass over with very incleaned and burne of the estate, I publish it to the world the further statute of limita-rate on the estate, I publish it to the world.
We have a grave the main and many property; and if have and the estate, I publish it to the world in the statute of limita-rate on the estate, I publish it to the world.
We have here the state, I publish it to the world in the statute of limita-rate on the estate, I publish it to the world.
We have a grave the main and many oper privacy between the part of the state and prove the state of limita-rate on the estate, I publish it to the world.
We have a grave the main and many property?
We have a state and the state of limita-rate on the estate, I publish it to the world.
We

"You young rascall Married, and without

As auctioneer, while engaged in his voca-tion thus exalted the merits of a carpet :----"Gentlemen and ladies, some folks sell car-pets for Brussels, but I can most positively assure you that this elegant article was made by Mr. Brussels himself."

be much more likely to accomplish the object. Consider, moreover, that it is better to be a woman than a wife, and do not degrade your sex by making your whole existence turn on the algorithm of compliance. There is no telling when or under what cir-cumstances you may need it.—Demortal.

RAILROAD CAR SCENE.

The Columbia Spy says the following inci-dent occurred on one of the trains of Reading and Columbia Railroad :

and Columbia Railroad:
** I say, conductor, do you know who that yood-looking hady is there with a book ?**
** Yes, I've seen her a few times.'*
** By Jove! she's splendid.''
** Yes, I think she is splendid.''
** Where does she live ?''
** In Reading. I believe '

" In Reading, I believe.' "I'd like to occupy that seat with her." "Why don't you ask her?" "I did not know but it would be out of "don".

order.'' '' It would not be if she was willing to have

you occupy it. Of course you claim to gentleman."

gentlemañ." "Oh i certaonly. If you are acquainted with her give me an introduction ; that is, if you have no objections." "Certainly not." Fixing his hair, moustache and whiskers in becoming style, he followed the conductor, who on reaching the seat where the lady sat, caid, with a negative to inche in the ove

who on fracting for winkle in the eye, "My wife, Mr.—, of Lancaster who assures me he will die beföre reaching the Junction if he does not form your acquaintance.'

THE following can be read, so as to make sense, but it takes a cute individual to find out how. Just try it :
