. A Nuisance .- A just complaint is made by my of our citizens against the habit of stopping off the water in the main pipes for several hours to make an attachment. As it interferes very ich with culinary operations, we hope plumbers vill be a little more active in their operations.

The Quickest Time on Record. -- One of the nost noteworthy feats in brick-making was performed at Keck's brick yard, in the First Ward, Inst week. A kiln was filled with 120,000 bricks in twenty-five hours, and they were burned in four lights, three days and a half. Mr. Keck knows how to push things and turns out some of the best bricks in the market.

, Real Estate .- Andrew Herman sold a lot of drew their carriage and their magnificent steamer round situate on Seventh street, between Gordon and Chew streets, 20 feet front by 120 feet in depth, to John Wonderly, for \$900.

H. T. Kleckner, Esq., sold a lot of ground 81 by 200 fest, situate on Ridge Road, between Turner and Chew streets, to Fraucis S. Kemerer, for \$1925.

New Terms.-Muhlenberg College com-menced its winter term on Wedneyday last, with a large accession of new students. Lehigh University commenced vesterday week. Allentown Female College commenced on Monday last. The hew buildings of this institution provide excellent modations for the students and it is now accom one of the most attractive and thorough schools in the State.

The New International Money Order Sys-'tem.-The new International Money Order System, by which money may be transmitted by post office Order to foreign countries, went into effect on the ist. Owing to the fact that Switzerland is the only country which has acceded to the terms of this system, orders can as yet be sent to that con try alone, not exceeding \$50 in a single order. Postmaster Diefenderfer has received the necessav blanks from Washington.

Accident .--- On Thursday afternoon as a girl by the name of Alice Smith who had in charge ttle Freddy, son of Mr. O. A. Grider, was walking through the Fifth Ward School House, regardof her charge, the little fellow fell through out of the holes cut in the third floor for a heater and fell to the floor below when, after striking, he rolled through the hole made for the same purpose and went down to the first floor. The distance he fell was twenty-eight feet and strange to say the little fellow was not much injured .- News.

Dedication .- On Sunday, the 12th inst., the Methodist Episcopal church of this place, situated on Linden street below Sixth, will be dedicated. The dedicatory sermon in the morning will be preached by the Rev. Dr. Dashiell, President of Dickinson College, and in the evening by the Rev. Dr. Nelson, President Wyoming Seminary. This church editice has been entirely remodeled and ulshed in the most approved style. The frescoing and furniture are beautiful and chaste. The public is cordially invited to be present and hear the eminent divines whose services have been engaged for the occasion.

Slight Fires .- On Saturday evening, a coal oil lamp was upset in the rasidence of Mr. Werley, on Linden street above Fourth. The flame was com municated to the carpet, which was saturated with the oll, and was extinguished with great difficulty, but before any serious damage was done.

The alarm at five o'clock, on Sunday afternoon was caused by fire in the stable of Levi Fenster macher, on Tenth street. It was the result of -carelessness on the part of several boys who were smoking in the stable. The fire was soon extin guished and the services of the firemen were no equired.

Cigars Seized -U. S. Revenue Assess Rhoads seized a quantity of eights in a wagon at Hagenbuch's Hotel, on Saturday, for a violation of the Revonue Laws. It appears that Seth Schell of Milford, brought the elgars there on Saturda and then proceeded to the Collector's Office to pur chase the necessary stamps. In the meantime Assessor Rhoads visited the place, and as the wagon was not a licensed mapufactory, and the cigars were unstamped, confiscated the whole stock Upon the intercession of friends Mr. Rhoads was satisfied that Mr. Schell was willing to comply with all the requirements of the law and that ther was no intention of fraud on his part, and therefore released the cigars. Clear manufacturer, should avoid all trouble by posting themselves upon the laws.
