EXECUTIVE CHAMBER, betrayed into the prescription of alcholic stimu-HARRISBURG, Pa., Sept. 13th, 1869. } William B. Perkins, Esq., Keeper of Moyo lants, are retracting from that practice. Graut that the use of alchohol does, in certain diseasmensing Prison :

es, promote recovery. The danger remains DEAN SIR-Hon. P. Gray Meck, member of the State Legislature, has put in circulation, through the columns of the Bellefonde Watehthat the habit of drinking may be fastened on the patient-a disease worse than any which of the shife registration has placefully used in the oblight of the columns of the Bellefonte Watch-name, a statement, a copy of which is herein enclosed, alleging that George S. Twitchell, Jr., convicted of the murder of Mrs. Hill, and who was to have been executed on the 7th of April last, is now in good health and enjoying his liberty in one of the Western Territories. Mr. Meek asserts, as you will perceive, that the corpse of another man was placed in Twitchell's cell on the night of the 6th of April, and the condemned murderer released. Had not this story have come from an appar-ently respectable and responsible source, it would probably have been passed and unheed-ed; but being so pausibly put forth, it is being reprinted in other journals besides the Watch-mon, and receiving the credence of many inwine may core. The regular faculty having in a great measure abandoned the aso of alchohol in their practice, irregular venders have taken it up, and millions of bottles of poor trash are sold, being simply had liquor doctored with drogs; but not to such a degree as to make the dose disagreeable.

would be without them. The medical men in

England and in this country, who have been

The safe course is, for all to beware of enervating their manhood, by the reduction of their bodies and minds to such a condition of weakness, that the false strength of the cap is necessary to bring them up even to ordinary reprinted in other journals besides the *Ward* and and receiving the credence of many in-tempent and respectable citizens. If there is any truth in this statement, your character is seriously involved as keeper of the prison, as it directly charges you with complicity in a gross fraud, and malfeasance working order. And, whoever has entered so far upon the custom, that daily potatoes seems to be a necessity, should discontinue forthwith. There may be a day or week of languor, but if this seem insupportable, any honest medical friend can prescriben harmless tonic. But in ninety cases in a hundred, no tonic is required of Mr. Meek. As this subject is assuming some importance you will please inform me by return mail, or as soon thereafter as possible, whether there is any foundation for the allegation to which I but the honest pride of self-conquest and the study of self-respect. Let a man keep his own counsel; resolutely abide by his own determinution; let him rest, if he cannot work, for a day or two; amuse himself if he cannot apply to serious business, and keep before him the restoration of his health and happiness, and To His Excellency John W. Geary : SIR—Your favor of 13th instant came duly to hand, and I send by return mail the docu-ment you ask for, hoping it will prove satis-factory. The whole thing is such a base fub-dation and so here it for the form that the the victory is certain. We have seen many such cases of reformation, and could point today to men who were once despaired of, but now are respected and prosperous, who have quietly abandoned what their certain experience told them was ruining them. To the young we say, touch not, taste not. And to: those who have commenced, we urge the relinquishment at once and forever of a gratifica-

certificate of naturalization, unless such per- if below there is nothing left, as the bird apson shall have been a voter in such district proaches, but a quick shot. If flushed in his for five consecutive years next preceding such open low feeding-grounds, he will, if he has
