SUCCESS AN INDICATION OF MERIT.

We regard the rapid growth of DR. HOFF'S ANTI-DYSPEPTIC STOMACH BITTERS in the public esteem as one of the greatest evidences of its value. Its frequent trial and use by an intelligent public, the people, has resulted in the unanimous verdict that our BITTERS is the best kind most times sick in the form of a Lozenge. DR. ERASMUS WINSLOW'S LIVER AND STOMACH LOZENGE is the most important medicinal novelty that modern chemistry has produced. It contains two botanical extracts, perfectly harmless in themselves, but enabling all the remedial properties of mercury, and combined in this pleasant form to supersede and banish from general use, the nauseous pills and potions of which more than ONE THOUSAND EXPERIMENTS were made by the inventor of this peerless remedy before it was brought to its present state of perfection. The Lozenge is harmless in its operation, and although the medicinal taste of its curative components has been extinguished by chemical art, their virtues remain as active and potent as ever. In *Dyspepsia, Biliousness, Constipation, Sick or Nervous Headache, Piles, Dropsy*, and the irregularities to which the feebler sex are subject, the lozenge will be found infinitely more effective than any of the horrible and disgusting compounds usually administered in such cases. As an anti-bilious specific and general aperient, they have no equal either among advertised preparations or the preparations of the regular pharmacopœia.

IT IS GUARANTEED that no one who has once tried DR. ERASMUS WINSLOW'S LIVER AND STOMACH LOZENGE *will ever again take a purgative powder or draught, or pill, ever again take a purgative powder or draught, or pill, ever again take a purgative.*

NATURE'S GREAT RESTORER.

SHEETZ'S

CELEBRATED

BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is entirely vegetable, composed of various herbs, gathered from the great storehouse of nature and selected with the utmost care. It is not recommended as a cure-all, but by its direct and salutary influence upon the heart, liver, kidneys, lungs, stomach and bowels, it will relieve, benefit and cure for many of the diseases to which those organs are subject. It is a reliable family medicine and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for Diarrhœa, Dysentery, Bowel Complaint, Dysepsia, Loathess of Spirits, Faintings, Sick Headache, &c. For Chills and Fevers of all kinds it is far better and safer than quinine without any of its pernicious effects. It creates an appetite, proves a powerful digester of food and will counteract the effects of liquor in a few minutes. Prepared by

THE LATEST DISCOVERY IN MEDICATION.

The great difficulty which physicians have been laboring for centuries to overcome, has at length been obviated. A Vegetable Cathartic and alterative compound, as agreeable to the taste as ordinary candy, is now offered to the sick in the form of a Lozenge. DR. This Society is virtually a Life Insurance Company on a plan by which a person of the smallest means can procure a provision for his family in case of his death.

It does not accumulate millions of dollars of the members' money, as do other Life Insurance Companies, but each member can retain his money until called for in the case of the decease of any member.

There is no possibility of this Society failing as the funds are all in the hands of the members themselves, and the Society is purely mutual. Members have a right to vote at all elections for officers.

WHY BECOME A MEMBER.

It is no more the moral duty of a man to provide the daily bread for his family while he lives, than it is to provide assurance in case of his death, of a policy of Life Insurance in this Society, as the most simple and convenient mode of making a certain provision for such a contingency.

YOUNG MEN are as liable to take leave of life as the old. Death is uncertain. We ask you, therefore, to consider the CHEAPNESS and SAFETY of insuring in this Company, and be assured that in case of death you will leave behind you a blessing to a widowed mother or dependent sister.

Give the subject your thought, send to the Secretary for our circular, consider its cheapness and we are sure you will at once take out a policy.

Its Policies are absolutely indefeasible.
It pays life-policies at death, or at the age of 80 years.
On the reducing-premium plan, the insured pays his largest premium the first year—which is the same as paid on the mutual ordinary life-plan—and each subsequent year it is less and less, and at the end of twenty years becomes paid up, and thereafter a permanent claim on the Company.
On the return premium plan, the insured is credited annually with all he pays into the Company, so that his insurance costs only the interest on the amounts paid in, and on the income-paying plan, the insured may receive 10 per cent. on the amount of his policy.
