BANKING HOUSE OF

GOOD & RUHE

FIRST DOOR WEST OF THE FIRST NATIONAL BANK,

ALLENTOWN, PA.

In order to afford all persons an opportunity (however small their means) to deposit money in smaller amounts than what are now received by the various Depositories of this city, we have concluded to

RECEIVE DEPOSITS IN SUMS FROM ONE DOLLAR UP TO FIVE THOUSAND,

and allow interest for the same at the rate of six per cent. per annum. Interest to be calculated from the first and fifteenth days of each month, subsequent to such deposit. Interest will be made up on all Deposits remaining with us, half yearly, to wit: On the first days of April and October, and will be paid to depositors on those days; if not drawn they will go to their credit and be compounded. No interest will be calculated on fractional parts of a dollar. No less amount than Five Dollars can be withdrawn unless it be to close an account. Every Depositor will be furnished with a Deposit Book containing the conditions upon which the Deposits are received, and no money will be received unless the book be presented and an entry made at the time of making the deposit. Small sums over the necessary expenses of individuals and families that are liable to be wasted or needlessly expended, may, if deposited, produce in time amounts that will surprise any one who has given no heed to the subject.

A deposit of $1.00 per week, continued one year will amount to $52 92; two years $108 31; three years $169 92; four years $236 23; five years $292 60, and ten years $666 06. It commends itself as a safe, convenient and profitable depository to Executors, Administrators, Assignees, Collectors, Agents, and all Public Officers, whether for themselves or their trust funds, to Voluntary Societies or Associations, and indeed to all classes of our citizens.

Knowing that a perfect sense of security to Depositors is necessary to the attainment of success in this enterprise, we have in addition to our own individual responsibility, (which is neither fixt in Incorporated Savings Banks) executed and delivered to Charles W. Cooper, Cashier of Allentown's National Bank, and Tilghman H. Moyer, Cashier of 1st National Bank, a Bond of Indemnity (with approved security) in the sum of Twenty Five Thousand Dollars, to be held by them in trust for the special security of our Depositors. This fact will place us fully equal (as regards to safety of deposites) to any Depository in this city.

We buy, sell and exchange all issues of Government Bonds, execute orders for the purchase and sale of all first class securities, and negotiate loans on Real Estate on small commissions.

Advances made to our dealers at all times on approved collaterals, at market rates of interest.

THE LATEST DISCOVERY IN MEDICATION.

The great difficulty which physicians have been laboring to overcome, to overcome, has at length been obviated. A Vegetable Cathartic and Alterative more efficient than any to-day preparation of the same class, and is agreeable to the taste as ordinary candy. It is now offered to the sick in the form of a lozenge. DR. ERASMUS WINSLOW'S VEGETABLE STOMACH LOZENGE is the most important medicinal novelty that modern chemistry has produced. It contains two botanical extracts, perfectly harmless in themselves, but combining all the remedial properties of mercury, and destined in this place to supersede and banish from the medicine chest the nauseous pills and potions of which that general scourge, calomel is the nasty ingredient. More than ONE THOUSAND EXPERIMENTS were made by the Inventor of this peerless remedy before it was brought to its present state of perfection. The Lozenge is harmless in its operation, and although the medicinal taste of its curative components has been entirely destroyed by chemical art, their virtues remain as active and potent as ever. In *Dyspepsia, Biliousness, Constipation, Sick or Nervous Headache, Piles, Dropsy*, and the investigation of the human body, the feeble sex are subject, the Lozenges will be found infinitely more efficacious than any of the horrible and nauseating compounds usually administered in such cases. As an antibilious specific and general aperient, they have no equal either among advertised preparations or the prescriptions of the regular pharmacopœia.

If you are a victim that no one who has once tried Dr. ERASMUS WINSLOW'S LIVER AND STOMACH LOZENGE, *will recommend to take a purgative powder or draught, or pill.* Wholesale Agent, JOHN T. HENRY, No. 8, Vesey Place, New York. au25-1y
