

ROBT. INEDELL, JE.,

DR. SCHEPPE'S CASE.

The Supreme Court having allowed an alocatur in the above case, Governor Geary has ecalled the death warrant. We trust that the matter may now be decided on its merits,

and that, hereafter, the friends of the prisoner will be more discreet in their efforts. It would have been natural that the first effort of this unfortunate man would have been to obtain a espite, and yet the wordy Dittman, who appears to murshal the Doctor's forces, demands cars to marshal the Doctor's forces, demands *iberty* or *Death*. In his speeches and state-literal, was one instructing the Committee of Ways and Means to inquire into the expediency of abolishing the online of the functional Revenue Department. A number of bills were introduced and appropri-ately referred. A report from the agent of the analysis of the functional research of the attractional states of the functional states of the number of bills were introduced and appropri-ately referred. A report from the agent of the atter present that is a second states of the attractional states of the functional states of the attractional states of the states agent of the attractional states agent of the attractional states of the states agent of the attractional states agent of the states agent of th Liberty or Death. In his speeches and statements he is flatly contradicted by the District Attorney, who tried the case. We fear that Dittman is injuring his client. Probably he in the beer saloons of Philadelphia, for certain a tely referred. A report from the aspresented it is that his arguments, wanting truth and prelative to the two for-seal-bearing islands, givdecency, do not find favor with the Governor or Attorney General. Governor Geary's statement shows that the Judge and Jury, who tried the case, saw no reason why the law should not be carried into effect and that the bottoe Whole. Pending the discussion of the clamor for pardon comes from a few who base their demands rather upon their nationality, than the merits of the case.

AN INSURP.

Of all the Generals in the Army, none have Of all the Generals in the Army, none have that part of the President's message rearing to foreign affairs was, on motion referred to the approximation examinities, on motion, House joint Geo. II. Thomas. He was universally best resolution providing for, a recess from the 22d loved by his troops, and upon more than one consistent of the approximation control of the approximation and the state proximation and the state of the state his gentlemanly qualities, as his soldierly ( on motion, the resolution against allowing th abilities. At the close of the war, he refused states, was then upand gave rise to an animated the proposed gift of a house or a large sum of debate. The resolution was findly hald over, money. In 1864 he saved Nashville from destruction by defeating Hood, whose army was soon after adjourned.

never united afterwards. In commemoration House.-By unantmou resolution relative to honors to the remains of George Peabody were offered. A resolution was of this, the Legislature of Tennessee voted him a gold medal and had his portrait painted | intopted asking information as to the payment consture of Jeff Dav blackguard, ing in the

A resu-by the name of Hinkle, of Hardin, made a bit in was also adopted calling on the Secretary proposition to the lower branch of the Legis-inture last week, to sell the portrait, which proposition, we are glad to state, failed by a tions and memorials were presented and reterred, large majority. General Thomas having heard [A libre considering the census bill in Committee of the Whole, it was reported to refund the money paid of this, has offered to refund the money paid for the painting and says he will return the gold medal. The Legislature ought to expel Hinkle, or at least vote him an ass.

REPUBLATION received its death blow in with the discussion on the Reconstruction of the National House of Representatives on Thursday last. Mr. Mungen, of Ohio, opened The House was not in session the debate on the President's Message, and ! delivered an argument in favor of repudiating LITERARY. the National debt. Mr. Mungen is a Demo-

crat and thought he knew what his party

wanted. He has heard much of Pendleton -Putting its best foot forward, as the custon and the Pendleton theory, and was confident is on the eve of the new year, The Atlantic Monthly that Ohio, Indiana, Kentucky, Pennsylvania, issues a monthly for January which we may truly and New York would back him. So he had call remarkable. Its chief feature is Mr. Lowell's a right to think, judging from the record of poem. We should like this poem to be at least two hundred years old, in order to be able to say his party and its leaders. But no sooner does all we feel in praise of it ; for the effort to estab he conclude his speech than Messrs. Brooks, Wood, Woodward, Randall and others earn-the prophet's, the most dangerous and most estly protest that they are in favor of paying thankless office. But as it is not only not two the National debt, and that repudiation is dishundred years old, but is one of the most recent things in literature, we must content ourselves honesty. So much for the late elections. They have taught these men what the people with averring that it is the noblest poem which of the Country think upon the subject, and Mr. Lowell has yet written. And this perhaps, already we see the good results. Poor Mun gen had no one but Jones, of Kentucky, to stand by him, and he stated that probably he would not favor Mungen's schemes. The rewould not favor Mungen's schemes. The re-Line"-a welcome to old age. T. W. Parsons sult of the debate was that the House, by a gracefully apostrophizes "Il Guido Rospigliosi." vote of 123 yeas to 1 may (Jones, of Kentucky) An extract is given from Mr. Bryant's forthcoming passed the following resolution :-- " Resolved, translation of Homer, "The Descent of Neptune That the proposition, direct or indirect, to reto aid the Greeks." This is an array of poetical pudiate any portion of the debt of the United contributions which no other magazine in Ameri-States, is unworthy of the honor and good ca can rival. Among the prose articles there i both variety and distinguished merit. Col. T. W., Higginson's essay on "Americanism in Literaname of the Nation, and that this House, without regard to party, hereby sets its seal of condemnation on any and all such proposiis an admirable remonstrance against the tions." Mungen didn't have anything more imitation of English models by writers and jour nalists of the United States, and a plea for that to say upon the subject. nore vigorous literary life which, now that the

SOME of the wide awake correspondents of the popular heart, he believes is soon to be develthe papers, have discovered that the Spanish gun-boats are not yet out of danger, and that gun boats are not yet out of danger, and that tained-those won by Cooper and Mrs. Stowein fact, before long, they will all be sent to the have come through a daring Americanism of subbottom of the deep, by the "Triumph," late cet, which introduced in each case a new figure "Atlanta," which formidable vessel was purto the European world-first the Indian, then the chased by the Haytien government, and which negro. Whatever the merit of the work, it was it is said, has been transferred to the Cubans. The days of sensations are not over and we may yet be regaled by the news of the second Spanish Armada coming to grief. Senator Carpenter made a forcible speech in the United States Senate last week, upon the subject of belligerent rights and endeavored to prove that the Government was in duty bound to prevent the sailing of the flotilla, but all his rhetoric and eloquence could not stand against Mr. Sumner's facts and the President's forcible reason why we must keep hands off. Many of our kind-hearted statesmen would make us the guardians of all dissatisfied communities without counting the costs and difficulties,

MR. GETZ, the Democratic member from Berks county, introduced a resolution in the House of Representatives "Instructing the Committee on Ways and Means to inquire into the expediency of abolishing the offices of collectors, assessors and other agents of the Internal Revenue Department, and of apportioning the amount of tax to be required to be raised from domestic sources among the several States, in proportion to their population. The remedy is as bad as the disease. It would cost as much, and require as many officers to execute the law as at present. If this is a blow at dishonest officials in Berks county.

Mr. Getz is being ably seconded by the United States District Court at Philadelphia. The decisions made in the cases against Alexander and Moret prove conclusively that somebody has been defrauding the Government.
