The barn was burned under the following circumstances: On the morning of Sept. 27th, 1867, the engine "Cherokee" left Easten. with a light freight train, bound west. The train Com. agt. same. Charge-Selling liquor with arrived at Laury's station and laid over for the out license. Defendant plead guilty. Was senpassenger train. The passenger train was delayed for some cause, and the freight train was directed Com. agt. Amos Heller. Charge—Selling liquor without license. Defendant plead guilty to move on to Slatington ahead of the delayed train. The usual speed of the freight train was fifteen miles an hour, but after leaving Laury's they ran at the rate of twenty or twenty-five miles Com. agt. Daniel O'Donnel. Charge-Assault in hour, in order to keep ahead of the passenger train. Shortly after leaving Laury's station the railroad runs in close proximity to the barn of Com. agt. James Schmoyer. Charge-F. and Mr. Saeger. It was alleged, that owing to the , increased speed and a defective spark catcher. Com. agt. Jos. Wehrle.. Charge-Selling large quantities of sparks were emitted from the liquor without license. Defendant plead guilty. Com. agt. Joseph Werly. Charge-Selling liquor on Sunday. Defendant plead guilty and was sentenced to pay a fine of \$10 and costs and

smoke-stack of the engine. These sparks, from whatever cause originating, ignited the grass and loose material along the road at intervals, and falling opposite plaintiff's barn, fire was commupleated to straw and chaff in the barn yard. From the yard the tire speedily spread to the barn itself. consuming it entirely. It contained a large quanthy of hay, grain and implements of husbandry The plaintiff had a short time before put extensive repairs on his barn. It was fitty-six feet long and some thirty feet wide. The plaintiff claimed that the fire was caused by the negligence of the com-pany in not providing a spark arrester for the "Cherokee" on the day of the disaster. Tuesday and Wednesday were taken up with the examination of witnesses. Thursday was devoted to the summing up by counsel. Two counsel spoke on each side-each attorney occupying an hour. The examination of witnesses was thorough and the defendant. The speeches of these gentlemen were pointed and carnest. No case tried in this county has been contested more vigorously. The Court charged substantially that to return a verstruments, can be bought cheaper than anywhere a pradent man ordinarily employs in his business, act all such o cless, at C. F. Herrmann's Music Store, Allentown, and they had exercised this care and diligence they were not liable. If the plaintiff had shown contributary negligence in the management of his property, then defendants were not liable. The defendants were bound under the law to provide good and sufficient spark arresters. It was for the jury to determine whether the engine "Cherokee" had such an arrester when plaintiff's barn

> > AN ALLENTONIAN ABROAD. Footprints of the Revolution—Letter from Sidrophel. Number 3.

Cambridge, Mass., Nov. 10, 1869.

Same gentieman son a specian new norm in the arms they were community date. Shipman, and about to describe the towns and are Gilbert Norton, alors date. Shipman, and from the three remaining windows, viz: "North," ner streets, to Solomon Boyer, of Whitehall towns Groupe Wayne, alors William English, the first of "Gwest," and "South,"—I said in my last that the room in the top was about ten feet square. Having paid closer attention to this point, I should judge still the still be stilled at the square in the still be specified and cured thereby, as my wife has been still be stilled. it to be about 'eight feet instead of ten feet-that s on the inside. The walls of this room, as gen- street, between Hamilton and Walnut, Allentown. erally is the case, are considerably defaced owing o the cuttings and scratchings of persons ambitious to immortalize in some way or other their names. I open the iron shutter above which the word

> Were it not for these guides, a great many visitors would be looking up the Charles river for the ocean, admire Charlestown for Boston, and be turned round generally. It seems incredulous that "North" is just where the guide says, for according to that direction, South being the opposite of North, and Allentown lying southwest of Boston, to my eye it seems the reverse, but taking it for granted that I am wrong, I am willing so of the places. Lynn, Chelsea, and Malden, lie immediately before us and the streets and promiheat Flour, per bbl... nent buildings are easily distinguished. Lynn, some three or four perhaps five or six miles off is a great shoe manufacturing town. Some of our Allentown merchants buy here extensively. It is Ployer Seed, Wheat Flour, per cwt... Rye Corn Meal, Butter, per pound..... often the case, that the leather used at this place withstanding this, they "put up" shoes much cheaper than we can at home. Shees are not mark here, they are put op. What is not done by machinery, the women do. And it is really wonderful how well and precise the work is done.
>
> Butter, per pound.
>
> Tallow.
>
> Fallow.
>
> Fallow. All the fine work here in the "shoe line" is unde by machine. The people here are unanimous in the opinion that mac hine work wears better than hand sewed. I see no reason why it should not hand sewed. I see no reason why it should not wear as well. Here in the East they pride themselves in using good stock and the best of material Walkers of Change South to Aller and Change The Marchest Aller and Change South to Aller and C Walden and Chelsea contain many fine resi

WEST. From this window "the West, the beautiful West" lies before us. Cast your eye to the foot of the monument and Charlestown lies immedi-Charles river the city of Cambridge is in full view AUSELIA AUSEL — On the 25th ult., by the same, Mr. Ch rles Trexler, of Hanover, to Miss Elizabeth Moser, of Rittersville.
