which are to be conducted elsewhere. The Dot

tor claims that his invention has not yet been

fairly tried. Practical steel workers seem to think

there is something of great importance to the

manufactures of Pennsylvania in the Doctor's dis-

covery. It is a pity it cannot be fairly tested here.

THE TARIFE RESOLUTION OF MR. SPINK.

-On Monday the Democrats, with one or two ex-

ceptions, repudiated their ewn "Tariff Resolution"

in the platform of 1868. Among the exceptional

ones was our own Representative. True to the

party of which he is a member he voted for this

adulterated Free Trade measure, and was not

among the Democrats who were edught napping.

When the issue comes between his party and his

constituents where will he be? Time will show.

ALLEN HOUSE .-- The colored porter at the

bar tender into a corner, behind the bar, who

thereupon drew a billy and gave him a crack over

the head which quieted him. This morning he is

asauqua, on Wednesday, Henry Maybrey, who

met with the accident reported in the Chronick of
