OFFICE OF FISK & HATCH,

BANKERS AND DEALERS IN GOVERNMENT SECURITIES,

No. 5 Nassau Street, New York,

Febru y 15th, 1870.

The remarkable success which attended our negotiation of the Loans of the Central Pacific Railroad Company, and the Western Pacific Railroad Company, and the popularity and credit which these Loans have maintained in the markets, both in this country and Europe, have shown that the First Mortgage Bonds of wisely-located and honorably-managed Railroads are promptly recognized and readily taken as the most suitable, safe, and advantageous form of investment, yielding a more liberal income than can hereafter be derived from Government Bonds, and available to take their place.

Assured that, in the selection and negotiation of superior Railroad Loans, we are meeting a great public want, and rendering a valuable service—both to the holders of Capital and to those great National works of internal improvement whose intrinsic merit and substantial character entitle them to the use of Capital and the confidence of investors—we now offer with special confidence and satisfaction the

FIRST MORTGAGE BONDS

OF THE

CHESAPEAKE & OHIO RAILROAD CO.

The Chesapeake and Ohio Railroad, connecting the Atlantic coast and the magnificent harbors of the Chesapeake Bay with the Ohio river at a point of reliable navigation, and thus, with the entire Railroad system and water transportation of the great West and South-west, FORMS THE ADDITIONAL EAST AND WEST TRUNK LINE, so imperatively demanded for the accommodation of the immense and rapidly-growing transportation between the Atlantic seaboard and Europe on the one hand, and the great producing regions of the Ohio and Mississippi Valleys on the other.

THE IMPORTANCE OF THIS ROAD AS A NEW OUTLET FROM THE WEST TO THE SEA magnifies it into one of national consequence, and insures to it an extensive through traffic from the day of its completion; while, in the development of the extensive agricultural and mineral resources of Virginia and West Virginia, it possesses, along its own line, the elements of a large and profitable local business.

Thus the great interests, both general and local, which demand the completion of the Chesapeake and Ohio Railroad to the Ohio River, afford the surest guarantee of its success and value, and RENDER IT THE MOST IMPORTANT AND SUBSTANTIAL RAILROAD ENTERPRISE NOW IN PROGRESS IN THIS COUNTRY.

Its superiority as an East and West route, and the promise of an immense and profitable trade awaiting its completion, have drawn to it the attention and co-operation of prominent Capitalists and Railroad men of this City, of sound judgment and known integrity, whose connection with it, together with that of eminent citizens and business men of Virginia and West Virginia, INSURES AN ENERGETIC, HONORABLE, AND SUCCESSFUL MANAGEMENT.

The Road is completed and in operation from Richmond to the celebrated White Sulphur Springs of West Virginia, 227 miles, and there remain but 320 miles (now partially constructed) to be completed, to carry it to the proposed terminus on the Ohio river at, or near, the mouth of the Big Sandy river, 130 miles above Cincinnati, and 850 miles below Pittsburgh.

Lines are now projected or in progress through Ohio and Kentucky to this point, which will connect the CHESAPEAKE AND OHIO WITH THE ENTIRE RAILROAD SYSTEMS OF THE WEST AND SOUTHWEST, AND WITH THE PACIFIC RAILROAD.

Its valuable franchises and superior advantages will place the Chesapeake and Ohio Railroad Company among the richest and most powerful and trustworthy corporations of the country; AND THERE EXISTS A PRESENT VALUE, IN COMPLETED ROAD AND WORK DONE, EQUAL TO THE ENTIRE AMOUNT OF THE MORTGAGE.

The details of the Loan have been arranged with special reference to the wants of all classes of investors, and combine the various features of convenience, safety, and protection against loss or fraud.

The Bonds are in denominations of

$1000, $500 AND $100.

They will be issued as *Coupon Bonds, payable to Bearer*, and may be held in that form; or

The Bond may be *registered* in the name of the owner, with the coupons remaining payable to bearer attached, the *principal* being thus transferable only on the books of the Company, unless re-assigned to bearer; or

The coupons may be detached and cancelled, the Bond made a *permanent Registered Bond*, transferable only on the books of the Company, and the interest made payable only to the registered owner or his attorney.

The three classes will be known respectively as

1st. "*COUPON BONDS PAYABLE TO BEARER.*"

2d. "*REGISTERED BONDS WITH COUPONS ATTACHED.*"

3d. "*REGISTERED BONDS WITH COUPONS DETACHED*," and should be so designated by Correspondents in specifying the class of Bonds desired.

They have THIRTY YEARS to run from January 15, 1870, with interest at six per cent. per annum from November 1, 1969. Principal and interest payable in gold in the city of New-York.

The interest is payable in May and November, that it may take the place of that of the earlier issues of Five-Twenties, and suit the convenience of our friends who already hold Central and Western Pacific Bonds with interest payable in January and July, and who may desire in making additional investments, to have their interest receivable at different seasons of the year.

The Loan is secured by a mortgage upon the entire Line of Road from Richmond to the Ohio River, with the equipment and all other property and appurtenances connected therewith.

A Sinking Fund of $130,000 per annum is provided for the redemption of the Bonds, to take effect one year after the completion of the Road.

The mortgage is for $16,000,000, of which $2,000,000 will be reserved and held in trust for the redemption of outstanding Bonds of the *Virginia Central Railroad Company*, now merged in the Chesapeake and Ohio.

Of the remaining $13,000,000, a sufficient amount will be sold to complete the road to the Ohio river, perfect and improve the portion now in operation, and thoroughly equip the whole for a large and active traffic.

present price is 90 and accrued interest.

A Loan so amply secured, so carefully guarded, and so certain hereafter to command a prominent place among the favorite securities in the markets, both of this Country and Europe, will be at once appreciated and quickly absorbed.

Very respectfully,

FISK & HATCH,

BANKERS.

P. S.—We have issued pamphlets, containing full particulars, statistical details, maps, etc., which will be furnished upon application.

☞We buy and sell Government Bonds, and receive the accounts of Banks, Bankers, Corporations, and others, subject to check at sight, and allow interest on daily balances.

The Phœnix Pectoral will cure the diseases of the Throat, Lungs, Chest, and Bronchial Tubes, Coughs, Colds, Croup, Asthma, Bronchitis, Whooping Cough, Hoarseness, Whooping Cough, and Consumption if taken in time. This medicine has been used in Philadelphia, and extensively throughout the country for the last ten years, and although it has only been advertised for a few months, more than one million bottles have been sold during that time. Not a case of failure has come to our knowledge. Nearly every one who has ever used it recommends it, and hearty all who have used it, say it is the best medicine they ever used. It is a standard medicine, and there is no known equal to it. Public confidence is the best criterion as to the merits of any medicine, and we confidently ask the attention of the afflicted to the Phœnix Pectoral.

It is an old and well-tried remedy, and distressing cough, no matter of how long standing, will yield to its healing influence. Whooping Cough and Croup, always relieved by it. Consumption, in its first stages, is sure to be cured by it. Bronchitis, and all other remedies for Throat and Lung diseases, are but palliatives, while the Phœnix Pectoral is a final and positive cure.

Many Physicians are recommending it, and others use it themselves in their families, in preference to any other, while others approve it for use in their practice.

It is common to offer nostrums, and let further parties wishing to sell, order you to the counter around the bottle where you will find numerous testimonials given by persons who have used it.

It is not necessary to do this, as we have so much confidence in its curative powers—from the testimony of thousands who have used it—that we say to you, if it does not benefit you as represented, the money will be refunded to any purchaser who is not satisfied with it.

It is not necessary that a person should be sick in bed to procure relief from the Phœnix Pectoral. Keep it by you, and when you have a cough, cold, or any affection of the throat or lungs, you will find relief by its use.

ling devoted a great deal of care and attention to the s[illegible]acle business for these last few years, I find that my [illegible] is on the increase so much that I have determined to make it a SPECIALITY. There is no article manufactured in which there is so much deception practiced as there is in Spectacle Glasses. Knowing that the public have been frequently humbugged by parties pretending to have a superior article of glasses, and charging exorbitant prices for them, thereby trafficing upon the necessities and infirmities of age, I have taken pains to select a large and complete assortment of the finest and best glasses ever manufactured, thus affording all persons needing Spectacles an opportunity of purchasing at fair, reasonable prices. Persons having any difficulty in being suited elsewhere will do well to give me a call, as I feel confident that I can be suited. Remember the old stand, No. 21 East Hamilton street, opposite the German Reformed Church Allentown Pa. jan 25-86f
