bloods, who frequent gambling saloons and infamous resorts. Who are proficient in the ing. Who break every commandment in the that unfortunately there are men in every dis-

The first duty of a good citizen is to abide geance is mine, shith the Lord, and I will re- his progenitors,

To promulgate in our Courts of Justice the pernicious doctrine that a revengeful murder district, this decision of the Court is dissemiis, under any circumstances, justifiable homicide, is to nim at the root of all justice. It is liction of duty on the part of the school board, tor. Make the law powerful to sustain the better men or compelling those elected to perright and to punish the wrong doer, and let form their duties." no violation of it go unpunished, whatever the provocation. This is justice, and this alone will save us from such an universal contempt of law that will result in a reign of terror.

## PROGRESSION.

learns to look at the questions of the hour playing to the world most touching sorrow. from a higher standpoint and measure the things of this life by a loftier standard. Rev. tributes of respect, love, or affection, but we erence for the past enthrals the minds of some, cannot help regarding somewhat cariously a dull inertia or a spirit of "pure cussedness" binds the hands of others, and thus many fire" which grief is powerless to allay .-thousands are unable to exercise the new faith | "Vanity of vanities, said the Preacher, all is born within them and are chained to the old vanity," and in the fashionable mourning there is no man of average intellect on this local paper the sorrowful survivors will put on broad continent, who does not in his heart of airs and graces in the very face of Death. hearts admit that it is the mind and not the of the Creator and hoping for the Life to come. monument of praise and look up at him, he ap-Yet. while this is admitted, to himself, he can- pears very little indeed.

of the non progressive man, he moves as though thus began a set of resolutions:--" With the the Divine Right theory had never been ex- setting of the Sun in the far off Pacific, went ploded, as though Christ came to save all to rest on the 28th of March, all that was morwhile men, as though a whiled sepulchre were tal of George II. Thomas." In style this a heavenly passport, and as though the war of Independence and the war of Rebellion had yet to be fought.

For a wise and beneficent purpose the minds of some men have been so constructed as to act like a balance wheel to the impetuous mechanism of the spirit of progression. Slow. cautious, selilsh, never risking anything, preferring established practice to the sublimest theory, they are like the cold water which drips on the machinist's knife and has ils use in preventing such heat from friction as would destroy the blade. But while the knife moves

forward, they move too and are progressing while they are throwing "cold water" on carer to the cud; when our generation shall have passed away, and we sleep in the dust and are of the past, the work of progress will went to Buffalo, where the demonstrations still go on and with larger views and nobler pirations men will regard no distinctions will take place at Troy to-morrow, es prebut those of roodness and worth. viously announced.
