Medicinal. DR. W. A. HASSLER,

GYNÆCOLOGIST.

Disease of the Womb is a complaint that has occupied much of my time for the last four or five years, and I have made it a particular study all that time. Consequently, I am convinced that it should be made a special practice to be successful in diagnosing and curing the disease. I have practiced both in Hospital snl private practice, where I had numbers under my treatment with the best success. Some of the symptoms are, Pain on the Top of the Head, Sick Headache, Palpitation of the Hgart, Pain in the Back and Limbs, Disordered Bowels, and many others, which are all very prominent symptoms of a diseased Womb.
