MONEY.-The Lehigh L. and B. Association last week sold nine loans at \$47, \$49 and \$54 per share.

REAL ESTATE CHANGES. --- Henry Tritchler has purchased two frame houses, on Sixth street Walnut, from Samuel R. Engleman, for \$3,300.

EASTON, we have heard it said, is a remarkably slow place; but at least one class of her citizens is live and enterprising-we refer to the dry naught. goods merchants. They advertise unstintedly and anceasingly. They make money by doing so o they would not persist in it.

MORE THIEVING .- The other night some thieves broke into the foundry of Albright & Bro. near Linden street " wharf." and stole some tools brass cocks and other articles, altogether making a heavy loss to the proprietors. As it may be the intention of the thieves to use the tools in conducting their future operations, housekeepers could do well to see that their doors and window fastenings are secure at night.

AN unfortunate accident occurred Tuesday afternoon at the Catholic Cemetery, during the in terment of the body of Melchesideck Yeager When the corpse was being lowered into the grave one of the straps broke, and the collin was badly shattersd and the corpse exposed. The dis tress among the family which the accident ned can be better imagined than described One of the daughters was so overcome that she fainted. The interment had to be delayed unti another coffin had been procured.

PROPERTY SALES reported by Messrs Wittman & Leisenring :

Stephen Nagel sold a three-story brick house and lot of ground, 20 feet front by 230 feet deep, on the South-east corner of Eighth | thrown off and suffered a fracture of one of his and Chew streets, to John C. Anewalt for legs. \$6.500.

John C. Anewalt' sold a lot of ground, 20 street, to Stephen Nagel for \$5000.

JOHN BALTHAS KNAPP, an old and well known citizen of the upper end of Montgomer county, died on Monday of last week, at the residence of Isnac F. Yost, Esq., Swamp Churches, at the advanced age of 87 years, 10 months and 10 days. Deceased was born in Wurtemburg, Germany, and served eleven years in the campaigns of the great Napoleon. For meritorious service In the Russian and other campaigns, he was presented with a large silver medal. Mr. Knapp came to this country many years ago. He was a very intelligent old gentleman, highly respected and esteemed by all who knew him.

THE Boyertown Water Company has re cently put into operation a new set of water works those heretofore in use having been found inndequate to supply the town in its rapidly growing ate. A small stream of water known as Schaf fer's Run has been transformed into a miniature dam, the water from which drives an eight foo over-shot water-wheel, which forces a two inch stream into a large tank elevated some 60 feet , above the dam. This supply, in addition to the by the different religious denominations, is before works to the north of the borough, which have the Legislature and will probably become a law : been in operation some fifteen years or more, is

THE stock of coal on hand in the yards in n this city is very small. Many dealers have sold iding, the sleigh upset and Mrs. Kern sustained ntirely out bruise on her arm. NEARLY half the furnace stacks in the Lo THE Slatington News contains as much high Valley are out of blast. If the ccal strike aating matte -Slating* ontinues many more will be compelled to blow out in the course of the next two weeks.

ACCIDENT.-A boy named Hellman was run over last Saturday at Lehigh Furnace, by a ucarly twenty thousand cms moreof solid reading ragon loaded with stone, and had one of his legs fractured.

PHILADELPHIA MARKET.-The tone of the floor market is very strong. Superfine sells for \$5.50; extras from \$5.75 to \$0; extra family from noon and ran off. At the Allen House they ran \$6.50 to \$7.75. Wheat sells for \$1.55@1.6214. THE books of the F. L. Library are kept in

njured. the law office of E. J. More, Esq., where those desiring good reading matter can supply them selves at a trifling cost, and at the same time contribute their assistance in founding a progressiv library for Allentown.

ictims of the horrible disaster on the Hudson River Railroad. We are happy to state, however, THE LOC S. R. R. -Notwithstanding the many reports to the contrary, the negotiations for that a telegram has been received at the office of the New York World announceg his safe arrival the sale or lease of the Lehigh Coal and Navigain Buffalo. tion Company's railroad and canal property to the

matter."

Lehigh Valley, Central Rullroad of New Jersey, ELECTION OF OFFICERS .- At a meeting o or any other corporation, have, as yet, come to he Lehigh Loan and Building Association, held

FIRE AND LOSS OF LIFE IN BUCKS COUNTY -A dispatch from Springville, on Friday, says : Shortly after twelve o'clock this morning a frame

house, situated on a farm located on the Bridgetown turnpike, Northampton township, Bucks county, was entirely destroyed by fire. The family, consisting of a mother and two children, were rad Weinert, Ephraim J. Knauss. awakened by the flames, and the mother barely scaped, having all her hair burned off. The children were burned to death. The house was wned by David Cornell.

A SCENE AT THE OPERA HOUSE .- Friday evening, during the performance at the Opera louse, a coal oil lamp suspended above the scenes fell to the stage and broke, the oil running over

the stage and igniting and presenting au alarming scene which had not been put down on the proramme. The audience rushed for the door and for a time there was much crowding and excitement, but before two-thirds of the people had made their way out the fire was extinguished and they returned to their places. An alarm of fire was

raised and the companies were quickly on hand, but their services were not needed.

ACCIDENTS --- A son of Thomas Hoffman. while sledding at the Fourth Ward School House, Thursday, was run into by another boy's sled, was Last week Mrs. Haas, residing on Hamilton

street, broke one of her arms while out sleighing. feet front by 230 feet, upon which are crected It appears the party was descending a steep hill two buildings on the South side of Walnut over in Sallsbury, and the road being covered with ice the horse were unable to hold back the sleigh, which swung around and upset, resulting as above

stated. HANOVER LYCEUM .- The regular meeting of the Lyceum was held Friday night, at Kahler's school house. Several declamations were delivcred, which were followed by addresses from Messrs. Dewalt and Marsteller. Debate followed on the question, "Resolved, that a law prohibiting the sale of intoxicating drinks as a beverage should be passed." The speakers were Messrs Datesman, Paff and Delong on the affirmative, and Messys, Rosenburg, Dewalt and Marsteller or

the negative. Good arguments were advanced both for and against the resolution, after which the judge decided in favor of the negative. Question for next meeting's discussion is, " Resolved. that war is justifiable." Adjourned to meet next Friday evening at Eastport, opposite this city.

EXEMPTION OF PARSONAGES FROM TAXA TION .- The following Bill, entitled an act to exempt from taxation all the real estate in this Commonwcaith, owned and occupied as parsonages SECTION 1. Be it enacted, de., That all the real

been in operation some fifteen years or more, is found amply sufficient to furnish the town with water for some years to come. AN OPINION.—Somebody who professes to know all about it, says that the cause of accidents with coal oil lamps, generally speaking, is letting the oil burn too low in the lamps. As the call burns down a highly influmnable gas gathers above its surface, and as the oil decreases the gas above its surface, and as the oil decreases the gas hereases. A slight jar will often ignite this gas ever, nor to more ground in any case than four emotion of the human heart and soul. Their tone is exquisitely pure and unique, and so even, sweet and cause an explosion. Such accidents are said acres, nor to an amount exceeding \$3,000. and sympathetic that it inspires all who listen to REAL ESTATE CHANGES .- Wm. G. Ritter more than half way down in the lamp; and the sold to W. F. Ycager one-half interest in a house at the same time the action is perfectly free, and the keys resound to the touch with such imorning. This item is probably worth something, lot of ground on Eighth street, between Chew and on corner of Eleventh and Turner, for \$1150; one sensitiveness and intelligence, so to speak, as to make one almost think that the mind of the man Gordon, for \$900; one lot of ground on Second facturer lingers in his work. street, between Hamilton and Linden, for \$1050. INDUSTRIAL NOTES .- The Jordan Rolling Wm. F. Yeager sold one lot of ground on Sev enth street, between Linden and Turner, to Wm G. Ritter, for \$3000. ' Mill has succeeded in getting in a supply of soft oal and commenced operations Monday morning Wm. G. Ritter sold one house and lot on Eighth nuch to the satisfaction of the hands. The Allentown Rolling Mill has stopped for reet between Chew and Gordon, to Allen Schaffew days to make repairs. Work will probably fer, for \$2300. Wittman & Leisenring report the following:resumed on Wednesday. LEOISLATIVE .--- In the House of Representatives Mr. Boileau read in place a bill to repeal tional policeman in Easton, and asked for its pas-A little discussion sprung up, during which It was stated that this was a political dodge to turn out or keep out a Republican from the office to which he was entitled. The bill was referred. Mr. Buckalew offered a bill extending the time for completing the Lehigh and Easton railway.

The movement to allow the election of female school directors has been successful in the Senate and the bill has been sent to the House for concurrence.

In the House of Representatives on Monday, Mr. Conrad introduced a bill entitled an Act to facilitate the manufacturing interests of the Commonwealth. It provides that any corporation may lay down railroad track from their works to connect with any railroad, with the consent of such railroad, for the transportation of their material and carry off refuse, with the right to use such motive power as they may desire. They may also build necessary bridges, and use those already built, with consent of the owners ; the right o way for such tracks to be acquired as provided by

IMPORTANT TRIAL OF WATER WHEELS,-We witnessed Monday afternoon a trial of waterwheels at the flour mills of Henry Schnurman & Co., which is of great importance not only to the to do to make things go right, and is unwearled and very successful in his labors. laventors, but to the whole city of Allentown, and we trust it will receive that consideration which

STRANGE AFFAIR-IS IT MURDER !- THE its importance demands. Mesers, Schnurman & Co, have had three Guy-DEAD BODY OF A MISSING MAN FOUND IN A CELlin turblue wheels in operation to drive the ma-EAR IN ROCKPORT .- The Mauch Chunk Democrat chinery of their mills, but the great quantity o of last Saturday says : Too late in the week for us vater required has been a drawback which they to visit the scene of the discovery and hear from have long experienced. After some persuasion the lips of actual observers the details we gather from a Weatherly correspondent, the following Wm. F. Mosser, of the firm of Wm. F. Mos ser & Co., prevailed upon them to permit him to put in one of the A. N. Wolf and J. Hang's turparticulars of a strange affair at Rockport. About year ago an unmarried laborer, who was boardblue wheels. Work was accordingly con ing with a family at Rockport, suddenly disap menced yesterday morning at seven o'clock and in nine seared. It was reported that he had beco atisticd with his work and had gone elsewhere to hours the wheel was running. It was submitted labor. No excitement followed the event of his at \$45.25 per share. to a full test of its powers to-day and it succeeded disappearance, because it was natural enough that so far as to drive two sets of stones with two and half inches less depth of water in the tail he should go away, and having no family or friends not unnatural that he should go quietly. A few race, which is ten feet eight inches wide, than the Guyila wheel discharged days ago, however, the family with whom he had Stewart, at \$40 per share. boarded having removed from the premises they while running one set of stones. This fact will then occupied, another family moved in. On goestablish the importance of introducing this wheel into the machinery of our water-works. The Guylin wheel is fifty-four inches and the Wolf & Ylung only forty inches. We understand it is the floor, when a little girl who had lived with the n of Councils to put an eight foot Guylin former tenant spoke out, " why that is where that wheel in at the water-works, but before they renan-was burled." A little digging away of the solve upon such a step we hope they will examine thoroughly into the merits of the Wolf & Hang dirt revealed the truth, and the decayed body was wheel. The wheel in operation at Schnurman's was manufactured at Bernville, Berks county, but Wm. F. Mosser & Co. are making preparations to manu'acture them at their works in th's city.
