A single glance developed the difficulty is sons, and that it had atteined a point of quid desperation beyond the reach of peaceful at himse of their tent at the forks of the road, and that it had atteined a point of quid was before they had pitch we do their tent at the forks of the road, and then the solution. | during the financial embarrassments of the government in the late war, has popularized himself by withdrawing such special agencies abroad and making no discrimination in favor of particular agents. The response to this action, as well as to his rescinding the illiberal e order limiting the time for subscription to a o portion of the five per cents, is shown in a generous subscription yesterday to the new loan, which is progressing with a success that n uprises many of those who were originally very dubicus about it.—N. Y. Heratd. The following are from the closing, number of Punchicello: How to distinguish a wealthy man. By the Bartory remeats likelf. Paris and 'L. N. | heritance, with such examples as Inwides, Boutwell, Hoar, what may you not lope for of usefulness in the councils of the state and nation? Contrast our condition with that of the Eu- ropean nations, alternately torn and impover- istic with wars, credit it as you may to the better education of the people, and you will realize the value of the example old mother Groton has set you, so worthy of your ambi- tion to follow. Build schools for your children and find talent to teach them, then intelligence and lind right in prosperous and happy homes will be your sure reward. Associated as you have made me with your weal and wo, I wish I might be allowed to contribute from my means such as they are, something towards this first foundation of the public good. Gentlemen, I have detained you too long. Oppressed with the fear, that I do not deserve the distinction you bestow, I pray God to |
