THE LEHIGH REGISTER, ALLENTOWN, WEDNESDAY JUNE. 28, 1871. CLEMENT L. VALLANDIGHAM. SETTLING THE "NEW NORTH WEST." BUSINESS NOTICES. Special Notices

The Lehigh Register. BT.IEEDELL, JE., Editore JOSEPH L. SHIPLEY. LLENTOWN, PA., JUNE 28, 1871. end it. Why it is not criminal in the eyes of REPUBLICAN STATE TICKET.

FOR AUDITOR GENERAL: COL DAVID STANTON, FOR SURVEYOR GENERAL: COL. ROBERT B. BEATH, Of Schuylkill County

THE STATE CAMPAIGN.

Active preparations are already being made of impressing the people with the belief that it is a superior investment and to compel ign. The Republicans of Allegheny county mominated James L. Graham and les S. Humphreys for the State Senate, and r nominations for the Assembly are David White Mathew Edwards, James Taylor, ohn Gilfillan, Alexander Miller, J. W. Baline and Hyde K. Sample. Of the candites for Assembly Messrs. White and Taylor, we served for several recent terms. Messrs. ilfillan and Miller were members some time and the others are new men. The Alleeny county Republicans are united this ear, and they will roll up a handsome Re e Republicans of Indiana and Westmorethe stock from 1807 to 110. ad counties have renominated Gen. Harry nd counties have renominated Gen. Harry Thite for the State Senate, and they will eet him of course. Gen. White would have an elected Speaker of the Senate lest January was similar to this one, only then the entire n elected Speaker of the Senate last Januy but for the death of Mr. Watt and the ion of a Democrat to take his place. The ocrats of Clearfield county have renomied Mr. Wallace, the Speaker of the Senate the last session, and his election is secured his nomination. The Democrats will ke a hard push this year to secure the conof the Legislature and, it behooves the Republicans in every part of the State to the effect will be more than momentary and the in nomination for the Senate and the Asbly their best and strongest men and to do in their power to follow up their nominaas with elections. The Republican party agood working majority in Pennsylvania, all that is necessary to make that majority Third street or Wall street, or even in real es agood working majority in Pennsylvania. illable is for the voters who compose the rty to take hold with a will. There is an lance of work to be done, and those who lieve in the principles of the Republican rty must show their faith by their works. campaign has been auspiciously entered on in the selection of the Republican candiites for Auditor General and Surveyor Genand it now devolves upon the party to tify these nominations at the polls and to ct the Republican candidates for the Legisure whenever it is possible to do so. But

atever the chances may be in any parular locality of electing the Republican adidates it is the duty of every Republican ter to vote for the men who represent his litical principles, and if a full vote is secured ere will be no question of a complete vicry. The Republicans of the whole country await the result in this State with an ger interest, and they will not be disapnted if the Republican voters do their duty. re have been repeated evidences during last few months of the value of a single e, and we are not sure of success unless concentrate our whole party strength. every Republican voter in Pennsylvania to just once" at the October election and cesult will be a crowning Republican vic-

THEIR NEW LEADER.

he unfortunate death of Mr. Vallandigham then acquaints himself with the particulars of left the democracy without a leader to each case, and writes to the applicant that noide the party through the new course it has de the party through the some one must be that he has been employed by the persons nd to take his place. No tried and trusted whose interests are affected by the proposed er can be found for the position and among rising men of the party General Frank P. missioner; but that, as hisclients are disposed r has been suggested as the one most com-to deal fairly with the applicant, he (the lawtent for the position. He has a record, too, hch will serve as agaide to what he can do. has bravery, zeal, adroitness, eloquence, and expense

WALL STREET AGAIN. The gambling days of Wall street are no The sudden and tragical death of Clement L. yet over and we suppose never will be as long as this species of robbery is regarded as re-Vallandigham draws the attention of the public to the career of a man who, in the dark ages of he republic, showed himself a bitter foe to the spectable and the law-makers use no means to Government under which he lived. No man luring the war did more to organize and con the law is not clear to those that live under the olidate opposition to the Federal Government delusion that laws, even under a Republican and to the war waged for the preservation of the Government than did Mr. Vallandigham, form of Government, are intended to protec

the people in the enjoyment of life and prond had he and his Northern friends and symperty and to punish evil doers. A man who, by false representations, swindles another is thizers had their wishes the stars and stripes egarded as a confidence man and, we believe, ould long ago have been trampled in the dust and been superseded by the stars and bars. liable to a severe punishment. Yet men. Born at New Lisbon, Ohio, in 1812, of Huguewhen they become Brokers, can, with impun ity, form combinations and run up the price of ot descent, Vallandigham was admitted to the a particular stock for the well-known purpose bar at the age of twenty, and two or three ears later was elected a member of the Ohio legislature. At twenty-four years of age he ook editorial charge of a Democratic paper "shorts" to buy at any price which might b t Dayton, and from that time to his death he dictated by the ring. One of these specula tions has just proved itself a bubble in Wall ans one of the foremost leaders of the Democratic party in Ohio. He was in Congress street. A clique ran up the price of Chicago, Rock Island and Pacific Railroad, purchasing, three terms, and was a candidate for the fourth unfortunately for themselves, a greater amount erm but was beaten by Gen. Schenck, now of stock than their means enabled them to car-United States Minister to England. In 1863 ry, for the purpose of producing a "corner," Mr. Vallandigham was brought prominently which if successful would have made money before the country by his arrest by order of General Burnside, for publicly expressing sympathy for those in arms against the Govfor them. Fortunately for others outsiders would not bite and the result was a panic with. ernment of the United States, and declaring happily, themselves as the only losers. Provi-

dence, in this case, visited a just punishment disloyal sentiments and opinions, with the obican majority when the election comes. and the result is the biters bitten and a full in ject and purpose of weakening the power of the Government in its efforts to suppress an

unlawful rebellion. He was tried by Court Martial and sentenced to imprisonment in Fort Warren, in Boston Harbor, but President moneyed interest of the country was affected Lincoln changed the sentence to transportaand the power of the Government had to be tion across the rebel lines. This order was brought into requisition to save the country executed by Gen. Resectans, but Vallandigham did not fancy living with the rebels and from the prey of the sharks. The result. though not so disastrous as then, has ruined he soon ran the blockade and went to Canada, He remained there for sometime, and then remany and crippled more. It ought to be a lesson to merchants and tradesmen who have turned to Ohio. His arrest and trial caused been deluded into seeking sudden fortunes great excitement among the members of his as essential to prosperity and all wholeson e party in all sections of the country, and the progress. If Mr. Davis be an implecable and Ohio Democrats thought he was enough of a impracticable, he has no following or imthrough speculations, but we do not suppose moth again will fly into the flame to be burned. political martyr to make an eligible candidate So long as none but the stock jobbers are cffor Governor. He was accordingly nominated | Southern people-that is certain." for Governor and voted for while he was in fected, as in this case, it makes no particular difference, though when tradesmen leave their exile, but he was beaten by over one hundred thousand votes by Gov. Brough. In the Na. GREAT NATIONAL LOAN. tional Democratic Convention of 1864 Mr. Valstate, and wind up with a deficiency of assets, landigham declared that the war had been a the result affects too many to be regarded with failure, and four years later he denounced the complacency. A number of failures of houses Thirteenth and Fourteenth Constitutional which had been regarded as good can be traced Amendments as null and void. Lately, how to outside speculations. As even such failures ver, he has concluded that it is policy to cease destroy confidence and retard trade, it is unfighting against the Constitutional Amendfortunate that the law can not do something ratified, and the "new departure" policy of with gambling trades as well as with faro

banks.

in all parts of the country. He is described as and it is particularly unfortunate that the legal having been a man of brill.ant intellect and profession, which has produced so many honpolished and engaging menners, and but for orable men, should be a sort of a world in the fact that he proved a foe, rather than a itself. We do not wish to cast any reflection friend, to the Federal Government in its hour upon lawyers, but the following facts related of need he would have been everywhere hen by the Washington correspondent of the New ored and esteemed. At the time of his death York Tribune, may; be worth knowing to those Mr. Vallandigham was engaged in the defense of our citizens who have done something for of a man charged with murder, and, while en mankind by inventing improvements which deavoring to show his associate counsel how are worthy of a patent right. The corresponthe murdered man might have shot himself, dent says :-- "An outrageous black-mailing the pistol he was using was discharged and trick is still unsuccessfully resorted to, and gave him his death wound. should be understood by all inventors, espec-Mr. Vallandigham's offense against the Gov ially by those who apply for extensions of re-newals of patents. The lawyer, in common rnment at the time of his arrest in 1863 was

thus stated by President Lincoln in a letter with the public generally, having access to the written in reply to an address adopted by a records of the Patent Office prepares a list of Democratic meeting at Albany, N. Y : "Mr all applications made for renewal or extension Vallandigham avows his hostility to the war of patents, and files with the Commissioner a notice of protest on his own account. He

on the part of the Union, and his arrest was nade because he was laboring, with some effect, to prevent the raising of troops; to encourage desertions from the army, and to tice of a remonstrance has been filed here; eave the rebellion without an adequate military force to suppressit. He was not arrested because he was damaging the political prospects of the Administration, or the personal interests of the commanding general, but because he was damaging the army, upon the existence and vigor of which the life of the nation depends. He was warring upon the

to a -mall

The claim made by the promoters of the Northern Pacific Railroad, as to the excellent character of the country traversed by that thoroughfare, seems to be verified by the fact that settlers are moving to the line of the road in Minnesota and Eastern Dakota in unprece dented numbers. A late number of the St. Paul Pioncer says :---

"The roade leading to the Rod River Valley are literally covered with emigrant wagons with their usual accompaniments of families. furniture, and stock of all kinds. The wagon furniture, and stock of all kinds. The wagon roads from Sauk Centre to St. Peter show daily accessions to the vast caravan wending its way to the fertile regions of Northerr Minnesota. The extent of the great incoming tide of humanity can be best estimated on the main road between Alexandria and Pomme de Terre. Two hundred wagons per day pass over this nortion of the roate methawst. and over this portion of the route working her my par-tic camp-fires are soldom allowed to go out-a fresh train of emigrants arrives almost as soon as the predecessor has resumed its march.

n fresh train of emigrants arrives almost as soon as the predecessor has resured its march. A noticeable feature of this year's emigration is its quality—the wagons come loaded with household goods and farming implements, and are followed by herds of cattle and other stock, which in quality would do creditto any com-try." THE New Orleans Times intimates that the Southern friends and supporters of Jefferson Davis are treasuring up all the hard things that are now being said of him by the North-ern Democratic press, which has so suddenly ern Democratic press, which has so sundoiny changed its tone respecting him, and that they will be recalled to mind by and by when, in *Dr. II. D. Tongaker* offers his services to the *Dr. II. D. Tongaker* offers his services to the ern Democratic press, which has so suddenly view of an urgent demand for all the Southern votes that con be scraped together, they will not be such pleasant Democratic reading as now. On the contrary, the New Orleans Bulletin, commenting at length on M^* . Dayl's speeches and attitude, concludes as follows: "The Southern people are resolved to be in practical reconciliation with the logic of events. They want peace and tranquility, as essential to prosperity and all wholes on

he most straightforwardness of speech. far as the general intent of the new depar- be refusal of his petition for extension. . The goes, his record is in keeping with it. was a brave soldier and helped to emancithe blacks, which is now approved by the ocracy. He has denounced bitterly the rteenth and Fifteenth amendments, which cracy has also done. He has counseled tance to the constitutional authorities of Union, the overthrow of the State govents formed without consultation with ling robels, reconstruction in his eyes was ulent, he favored a white man's governnt exclusively, he was trusted with the ination to the second highest office in the on, he was true to the party in the past. yould he not be true to the principles of future ? His past record on negro suffrage not altogether palatable, but will it not ver now ? While his former Republican ciples might sow seeds of distrust his fa is Broadhead letter can be pointed to as vidence of his soundness. "His war ord acts as a set-off to their opposition to ion, and their acceptance of the situation terbalances his revolutionary doctrines. be good authority upon all matters relating to t better basis of agreement could possibly the National finances, has this to say in reforded or expected? Democracy has the error of its ways, and so has Frank. Grant's Administration : "This Administraak has performed the extraordinary feat wallowing himself bodily, and so has De- has already accomplished in fulfillment of the acy. Democracy is without a leader, pledges upon which it came into power. It Frank is without a party. If Democracy cere in its new professions, the carlier iblicanism of Blair will exactly suit it; to put upon the footing of ultimate extinction if is merely assuming an appearance of e, his present principles are in precise two years of this Administration, been extin-

dance with its own. In whatever light gulshed, and thereby in interest alone \$12,-iatter is viewed, the propriety and fit-000,000 of the annual burdens have been matter is viewed, the propriety and fitof the coalition is palpaple and beyond n. It is a perfect match. Who forthe banns ?"

OUR PROGRESS.

vidence is accumulating daily touching nterprise and prosperity of Allentown. ddition to private dwelling's, manufacturstablishments of various kinds are increas apidly. Additions to these in order to ase the capacity and meet the demands ade are reported from time to time in the NICLE. Of this general forward march otice indications on Hamilton St., been Front and Second, where a much d repair is being made in the pavements. e of them are being relaid and others enreplaced with new ones. These repairs naterially promote the comfort and enience of pedestrians as well as further nce the valuation of property. Just a way up the railway, we come to the own Rolling Mill Company, into whose Shimer & Saeger's nut and bolt works several months ago, which are now coned into a puddling mill. This company is at ept dngsged in building another rail mill be attached to, and co-operate this recently constructed puddling mill, addition will involve an expenditure of t one hundred and fifty thousand dollars. ompany will take formal possession o works recently purchased of Thayer, Erdand Wilson on July 1st.

a recent Republican primary meeting act as Fellows of the College. These six genasville a lady stepped up to the polis tlemen will take the places now held, ex-officio, posited a vote for the candidates of her by the six senior State Senators, and they will The question was raised whether she hold their places for from one to six years. , inasmuch as there was nothing in the active participation in the management of the management.

; he adds, perhaps, that a failure military, and thus gave the military constituto settle the matter beforehand will probably lawyer is 'not at liberty to name his clients," but will be glad to communicate to them any proposition which the applicant may make. be glad to correct on reasonably satisfactory If the inventor is timid, as is often the case, he will agree to buy off the imaginary remonstrant, and the black-mailing lawyer pockets the money. If, on the other hand, he feels sure of his case, and goes to great expense to collect evidence, and present it in the strongest possible light, he finds, when he comes before the Commissioner, no opponent. One of the swindlers has made a large fortune in this way, but their tricks are now so well known in the Pension Bureau that the simple fact that one of them is connected with any case is not calculated to help it any in the es he shall desert. I think that in such a case,

THE NATIONAL FINANCES.

Congressman Dawes, of Massachusetts whose position as Chairman of the House Committee on Appropriations enables him to

timation of the officers of the Bureau." to silence the agitator and save the boy is not only constitutional but withal a great mercy." THE JULY MAGAZINES. The Atlantic Monthly for July is a capital umber. Mr. Fields' "Whispering Gallery' s as full of interest as ever, and gives many gard to the financial achievements of President tion can unhesitatingly point to the work it has paid in these two years more than \$100,-000,000 of the public debt, which it undertook One-twelfth of the whole has thus, in the first Wedding Journey." The poetry of the

lifted from the shoulders of the people. And at the same time \$88,000,000 more of those burdens have been removed by the repeal of thing. internal taxes and foreign imposts, in the pro-

cess of equalization of the public burdens, first undertaken in earnest when Gen. Grant assumed direction of public affairs. All this reduction has been more than compensated in the aggregate receipts of the public treasury by a more fuithful and efficient collection of in regard to the progress of Republicanist the remaining revenue, and by the growth of every industry under healthy legislation and wise administration, so that the actual receipts and estimates for the present fiscal year show that there will be at its close \$100 000,000 surplus over all expenditures, to be applied to a still further diminution of the public debt. Ii. therefore, there should be no change of policy, and no financial disaster, the four years of this Administration will close with a constant reduction of taxation, and yet a yearly extinguishment of \$100,000,000 of the public debt -in all one sixth part of the entire indebtedness of the nation. There is no parallel to this in the financial history of any other people." With these facts before them as to what has

Folks. been done in economy and retrenchment by a Republican Administration the people of the country will not be disposed to change Administrations in 1872.

THE Connecticut Logislature has passed a bill which provides that, commencing with next year, the alumni of Yale College shall

the first chapter of a new commencement story choose six persons from among themselves to

SAMUEL BOWLES, editor of the Springfield, Mass., Republican, sailed for Europe on Satright to do this, and it was decided that This arrangement will give the alumni an urday for a two months vacation in England and upon the Continent. Mr. Bowles is one of the party prohibiting such a course. affairs of the College, and it will be a decided of the best journalists in the country, and few would seem to be a pretty liberal con- improvement over the present plan. No per- men in the profession have worked harder tion of the case, and the success of this sons have a stronger and more direct interest and more unceasingly in the interest of good an will probably lead others to follow in the welfare of a College than the men who, and progressive journalism than has he. He ble. And if women are to vote at the have graduated from it, and it is no more than has built up a paper which has a national repuary elections they will not long be kept right that they should be given some voice tation, and which is an honor to American oting upon the nominations which they | and influence in directing and controlling its | journalism as well as the pride and fortune of its owners and editors.

The Galaxy for July has a portrait of Col.

J. W. De Forest, who has become one of the

most popular of American story writers. A

paper upon "Republicanism in England,"

furnished by Justin McCarthy, will attract

much attention from the revelations it makes

among the lower classes. There is also a very

interesting article upon "The Dutch at Home,"

and many other articles of interest and value

and another chapter of Mr. Crapsey's " Nether

Side of New York."

including additional installments of the serials

who have the monthly reading of Our Young

Old and New for July will have a number

nations of \$50, \$100,5500 st 080 \$5,000, \$10 (800 and cor military, and thus gave the military constitu-tional jurisdiction to hy hands upon him. It Mr. Vallandigham was not damaging the mil-itary power of the country, then his arrest was made on mistake of fact, which I would be reasured, on the depository of the Gov-ernment, quarterly, on the dist day of February. May, August, hud November, in each year. The interest on the Registered Block of thi evidence. The case requires, and the law and the Constitution sanction this punishment. Must I shoot a simple-minded soldier-boy who deserts, while I must not touch a hair of a wily agitator who induces him to desert? This is none the less injurious when effected by getting a father, or brother, or friend, into a public meeting, and there working upon his for lings till he is persuaded to write the soldier boy that he is fighting in a bad cause, for a wicked Administration of a contemptible Gov-ernment, too weak to arrest and punish him iff vidence. The case requires, and the law and Loan. It is determined by the Treasury Depart

process of the Treasury, is to reduce both Principal and Interest of the Public Debt of the United States. The Loan creates no additional supply of Government Stocks, while the application o the surplus revenue is constantly lessening the Funded Stocks bearing six per cent. Gold In-

terest. The policy of the Government since the close of the War in 1865, which left a 'debt upon the country, of \$2,755,000,000, and an annual taxation is as full of interest as ever, and gives many interesting letters from Mr. Dickens. Richard H. Dana, Jr gives an interesting account of "How We met John Brown," and John Hay discourses of Spanish Bull Fighting," J. W. DeForest's "Kate Beaumont" makes some DeForest's "Kate Beaumont" makes some rates of interest practicable from time to time, progress in this number, and the interest of until it is now felt that the very cheapest rate progress in this humber, and the interest of the story increases with each month's install-ment. Bret Harte has a characteristic story entitled "The Poet of Sierra Flat," and Mr. Howell commences one of his charmingly interesting every day stories entitled "Their Wedding Journey." The poetry of the num; while the annual taxation, under the Innumber is furnished by Longfellow, Saxe ternat Revenue system, which the necessities of and George Eliot, and Mr. Longfellow's "Boy and the Brook" is a charming little the War and the debt thereby created rendered

the war and the debt thereby created rendered necessary for at least a short series of years, has been reduced from \$311,000,000 in 1805-68 to about \$151,000,000 per year in 1870-71, (estimating for the highest probable collections in the current month, the last of the Fiscal year, for less than my high the first meak sum where here the set than one-half the first named sum. And in the year 1871-72 a further reduction of \$28,080,000 will come n under the Act of July, 1870, so as to give only

In under the Act of July, 1870, so as to give only \$125,000,000 for the year, or about two-fifths the maximum of 185,56. By the successful relending of the Public Debt at molerance rules of Interest, and by confinue i economies in the expenditures of March 4, 1830, to March 4, 1871, amounted to \$25,700,000, or an ayer, age saving per year 5, for March 4, 1830, to March 4, 1871, amounted to \$25,700,000, or an ayer age saving per year 5, 550, 771, 18 where 4, by the successful and the same first state of the ten by dispensed with fin a few years, found Taxes of it as replices the machinery of District Assess sors and Collectors.
