Medicinal. HENRY T. HELMBOLD'S

EXTRACT CATAWBA

GRAPE PILLS

Component Parts-Fluid Extract Rhubarb and Fluid Extract Catacha Grape Juice.

The Pills are the most delightfully pleasant purgative, superseding castor oil, saits, magnesia, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor griping pains. They are composed of the finest ingredients. After a few days' use of them, such an invigoration of the entire system takes place as to appear miraculous to the weak and enervated, whether arising from imprudance or disease. It. T. Helmbold's Compound Phili Fxtract Catawba Grape Pills are not sagarcoated, from the fact that sugar-coated Pills do not dissolve, consequently do not produce the content of the conten being pleasant in taste and odor, do not necessitate their being sugar-coated. PRICE FIFTY CENTS PER BOX.

HENRY T.HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUIDEXTRACTSARSAPARILLA

L

Being prepared expressly for the above complaints, its blood-purifying properties are greate than any other preparation of Sarsaparilla. I gives the complexion a clear and healthy colorand restores the patient to a state of health unpurity. For purifying the blood, removing all chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of Pains and Swelling of the Bones, Ulcerations of the Thront and Legs, Blotches, Pimples on the Face, Erystpelas and all Scaly Eruptions of the Skin, and beautifying the complexion.

7-30 GOLD LOAN SHOT AND SHELL The Mutiny on the Golden He left me to beg a drink from the mate-a favor which no intelligent officer refuses to a Arrow.

A THRILLING ROMANCE.

was ruined by a woman no better than him-The building of the Northern Pacific Railroad, (begun July last.) is being pushed forward with great energy from both extremittes of the line. Several thousand men are employed in Minnesotra and on the Pacific coast. The grade is nearly completed 266 miles westward from Lake Superior; trains are running over 170 miles of finished road, and track-laying is rapidly progressing toward the tastern border of bakon. Including its purchase of the St. Paul & Pacific Road, the Northern Pacific Company now has 413 miles of completed road, and by September next this will be increased to at least 560.

A GOOD INTESTMENT. Jay Cooke & Co. are now selling, and unhesitatingly recommend. self. If it seems sensational as well as vulgar Our Last Price List -for I understand that any story dealing with low people is necessarily vulgar-I can only have exaggerated nothing, but, on the contrary, have avoided dwelling at greater length They cant see how it is that we can han was absolutely necessary upon the horrors which led to the mutiny. Let the reader | you're off soundings." Make Money and Sell Goods so Cheap remember that the sea and the land are two distinct worlds, and that the landsman knows less of the daily life of him who toils and suffers on the sea than the average American knows of the life that is led by the Kalmuck "MAMMOTH STORES."

Tartar or the wandering Arab. In the days when America possessed a mercantile marine, the American clipper ships ere among the just objects of national pride. No patriotic American would willingly admit that our English cousins could build a ship capable of outsailing such splendid vessels as the Sovereign of the Seas, the Contest, or the Comet. We agreed to ignore the existence SPRING AND SUMMER of the Aberdeen clippers and the Clyde-built ships, and firmly believed that, in comparison with our McKays and Webbs, the British shipbuilders were but little in advance of the Dutchmen who, until a few years since, still DRESS GOODS DEPARTMENT lung fondly to the quaint model of the old Unusually complete in all the latest nobby and novel-Dutch galliot. And indeed we had good our own clippers. It is true that occasionally, as in the race between the British Challenger and the American Challenge, the British ship proved faster than her rival: still, we could point to the famous log of the Sovereign of the Seas and challenge the world to produce its parallel. Such a magnificent fleet as our alifornia and China trade could boast had never before been seen, and has never yet been surpassed. Where is it now? What has become of the Typhoons, the Tornadoes, Carpet and Oil Cloth Department

at the companionway, seeing the fate of their Once I fancied that I saw him talking with comrades, turned to fly just as the two officers the stewardess in the shadow of the house from below rushed on deck. The captain's about his neck. Few think it worth while to engage in a desperate battle in order to ex-

for the probability of being hung ashore. As soon as the fight was over all hands were called aft, myself included, and "Bloody Dick," with his smoking revolver in his hand, demanded to know who were concerned in the conspiracy? So great was the terror which this man exercised, that the men stood silen their crime. Bill, however, who was lying on the deck with a ball through his spine answered for them. "They were all in it except him," he said, pointing to me; "but the d-d cowards went back on me when there was a fight on hand. He (still meaning myself) is the only man who didn't know what we meant to do, and that I'll swear to.' "Bloody Dick" looked at us for a few moments with a smile of the bitterest contempt, carcasses overboard," he continued, turning

with them." Spurning one of the bodies with his foot, he went below. But as the barbarous order was about to be executed, the stewardess rushed wildly on deck and threw herself on Bill's dying form, Bill's arm stole slowly and weakly about

years old, mind you, and she was three years her neck. "Don't take on so, darling," he younger than me-the prettiest girl in the said. "I did it for your sake. Don't mind "Oh, Bill, dear Bill," she sobbed, "I have "I do forgive you free and earnest," he answered. "You was only a child anyhow,
