THE LEHIGH REGISTER, ALLENTOWN, WEDNESDAY, AUGUST 9, 1871.

at the Delaware Water Gap.

The Lehigh Register.

No paper discontinued until all arearages a aid, except at the option of the publishers. Our subscribers who do not receive their pa regularly will confer a great favor upon us by sending word to this office.

Subscribers about removing will please send their old address as well as the new.

NOTICE .- Within a short time we have ser out a large number of bills for subscription. Many of them have received prompt attention, for which we return thanks, and we would be very happy to return thanks to the balance of those who have received our bills. The amount in each case is small, but in the aggregate the amount is large, and our friends will confer a favor by giving this matter their prompt attention.

THE freight on peaches from Delaware to Allentown, by way of the new route, is \$67 a ca load, or 45 cents a hundred pounds.

PEOPLE are beginning to lay in their winter supply of cool, the impression being that coal is down to the minimum price for the season

LEASED.-On Saturday the Western Union Telegraph Company leased the Delaware River line and took possession last week.

THE extra charge for riding in the drawing room coaches is fifty cents for each one hundred miles.

THE Mauch Chunk Gazette says : " Never before in the history of Carbon were the prospects of a Republican triumph brighter than they are

A FREE METHODIST CAMP MEETING will track railroad bridge at Albany; the Conway be held at Wilkesbarre from August 16th to 23d. Teckets over the railroads will be sold at one-third less than regular rates.

A FIRM in Williamsport is sending around circulars offering to furnish printed envelopes at the rate of \$5.00 a thousand. We furnish a better article at \$4.25604.50 a thousand.

THE obstruction of the Hamilton street crossing of the Lehigh Valley Railroad by cars is frequently a great annoyance to drivers of ve

A CHANGE .- The Odd Fellows' Excursion to Wilkesbarre from Philadelphia, and intermediate places has been changed from the 24th to the **Blst of August.**

WE understand a letter has been received from O. A. Grider, who states that he is in a hospital in Brooklyn. The letter bears evidence o Mr. Grider's insanity.

COMMENDABLE - Yeager and J. K. Taylor Posts, G. A. R., are making efforts to have the two Soldiers' Orphans' Asylum.

A NEW STAGE LINE has been established between North Wales and Norristown, connecting with the train which leaves Allentown at 6 o'clock a. m., arriving in Norristown about half-past

IMPROVEMENT.-Mosser, Keck & Co. are building an addition to their already large tannery, R. Mr. Lentz was on top of a freight car. The which will be forty-five feet front by twenty feet in depth. The addition will be at the lower cud of the tanuery.

THE wild huckleberry crop on the Blue mountains, from the Delaware to the Lehigh river, is worth about \$20,000 annually. Pike and Mouroe counties, in this State, and Orang Sullivan and Ulster, in New York, are the chie huckleberry counties

THE GRAND ARMY OF THE REPUBLIC. This benevolent organization has undergone a change. At the recent convention at Erie a new ritual was adopted, dispensing with all the degrees excepting the iniatory.

This very important association, under the new order of things, will be re-juvenated and no doubt sities of sick soldiers.

HEILMAN'S DALE CAMP MEETING -The Camp Meeting of the East German Conference of the Church of the United Brethren in Christ, will be held in Joseph Moyer's grove, Heilman's Dale Station, Lebanon & Pinegrove Railroad, four miles from Lebanon, Pa., commencing Wednesday, August 23d, and closing on the 1st of September. The grove chosen for the purpose is one of the

ALLENTOWN rejoices in the approaching ompletion of her horse railway.—Exchange. To obtain news go away from home. The MR. SAMUEL THOMAS has put a beautiful little screw steamer on the canal at Catasauqua horse railway" has been completed and in runfor the use of his son. The boat was made in New York, and is 35 feet long. The engine was built ing order for several years, and is one of the few utside of the large cities which pay handsomely. at the works in Catasauqua. During the summer REAL ESTATE SALE. - Peter Weikel sold to months the juvenile element in Catasauqua is kept Edward Ruhe, a lot 23 by 140 feet, situate on the in a state of delight. About one hundred boys can crowd on the vessel at a time.-Free Press. cast side of Eighth street between Linden and furner, for \$2100.

REMOVAL OF WOOLEN-MILLS .- We have E. Ruhe sold to Peter Weikel a two-story brick use and lot, situate on the cast side of Fifth just been informed that Mr. James O. Shimer, of Allentown, who recently bought his brother's street between Gordon and Liberty, for \$900. (George Shimer's) interest in Shimer's Woolen THE NEW PATENT AIR BRAKE .- The Read-Mills, at Shimersville, and of which he is now sole ig Railroad Company having resolved to give proprietor, contemplates moving the machinery to Allentown and in future carry on the business at

he new patent Air Brake a trial on their road have had it attached to the engine "Petrel," a | that place. This will be a great loss to Freemans aggage car, and one of the elegant new passenburg as a large number of hands from that place ger cars, No. 122. All things being arranged a are employed at these mills. Mr. Slitmerds an rial trip was made yesterday from Reading, for energetic and live business man and we wish him the purpose of testing the practicability of the all success. - Times.

It will be added to several more cars CAMP MEETING -Rev. Thos. Bowman has which will be used on the Reading accommodation sent us a circular, in which he says :- A district rain until a thorough test has been made, when camp meeting will be held on Pottsville district,

if the test prove satisfactory, the new brake will e attached to all the trains on the road. THE INDUSTRIAL RESOURCES OF PROENTS.

ILLE .- There are on hand now at the Phoenixille Iron works, Clark, Reeves & Co., one double

bridge in Maine ; New River bridge in Virginia ; bridge on the West Chester railroad ; one trestle m New Havard, Middleton and Millimack raiload ; sixteen spans of bridge on the International Railroad of Canada ; the bridge across the Niagara

iver, connecting Canada with the United States. This bridge consists of three spans of 107 feet, iree of 248 feet, one of 223 feet, one pivot span o

362 feet, and one ditto 222 feet; the roof of the Masonie Temple of Philadelphia ; for Charles Mc-Donald, Esq., of Canada, two double track bridges on the Delaware, Lackawanna & Western Rail

ad. The works include 28 acres. Twenty-four en gines of 2500 horse power, with a water power of days; \$1.00 per day, and 50 cents for a single 60, give the motion. There are 1500 hands employed, and the wages paid is about \$70,000 per

onth.—Norristown Herald. LEINGHTON ITEMS-FOUND DEAD-DEATH on the RAIL.-On the night of the 31st of July, a man by the name of Charles Gaily, came to the public house of Enos Barrol, in Lehighton, and

went to bed about 10 o'clock. During the night eldest children of O. A. Grider admitted into the he was seen to get up from his bed. Next more ing about 5 o'clock he was found at the foot of the stairs leading down to the bar-room, dead. Evidently he must have made a mis-step at the head The object of the meeting is the Glory of the Holy of the stairs and fallen backwards, dislocating the

> neck by the fall. An inquest was held by Thos. erer, Esq. Verdict in accordance On the 3d inst., William L. Lentz, of Lehighton was instantly killed on the Slatington Branch R wheel coming in contact with a stone, placed o the rail by some evil disposed person, threw the

car off. He fell and was run over. Life was extinct when taken up. It is remains were brought home Thursday evening, and will be buried on Saturday, at 2 o'clock, p. m., at the old Moravian Cemetery chighton.-Carbon Democrat

UNKNOWN MAN FOUND DEAD .- The Readng Times of Thursday says the dead body of a han was found vesterday at noon in the barn of Mr. Michael Haak, on the Perkiomen Turupike The man, who was a stranger, came there about 8 o'clock in the morning, appeared to be suffering

considerable pain, and was not able to converse in an intelligible manner. He was permitted to lie on the straw, and about noon two or three boys continue in the good work of relieving the neces- who were playing about the barn discovered that ie was dead. Coroner Fox held an inquest in the

fternoon, and the jury rendered a verdict of death նոհեւ from natural causes. Deceased was apparently about 40 years of age, had dark brown hair and whiskers, was dressed in a good suit of black clothes, with a new slouch hat, and had the ap pearance of a well-te-do mechanic. A few pennies were found on his person, and also a printed circular directing how applications should be made for pensions, from which it might be inferred the

enient in the county, only ab he was a soldier during the late war. Nothing, yards from the Railroad Station, beautifully shaded and well supplied with water. BURGLARIOUS ENTRIES AT KUTZTOWN .-

The village of Kutztown was somewhat excited on Thursday night last, by burglarious entries nto the houses of Mr. Henry Biehl and Mrs. Dr. C. H. Wanner, and attempts to enter several other dwellings. Mrs. Biehl discovered a man in her sleeping room, and gave the alarm to her husand, when the intruder fied. Drawers were ransacked, but nothing of value was secured. e doors of the different dwellings were entered by picking the locks .- Reading Times.

wharves of Philadelphia. THE SLATE TRADE PROGRESSING.-We learn that Jones & Williams have sold within the past culty. week over three hundred squares of No. 1 roofing slate, which will require ninety-five cars to carry them to their destination. One lot of seventeen hundred squares are for the United States Government, and will be sent to Jeffersonville, Indiana : several special orders of five hundred squares each, with their ordinary sales to their regular istomers, make up the aggregate of these large sales. This firm is prepared to ship the above within two weeks. We hear of several other slate companies which have more orders than they can fill, and yet we hear people complain about the tess being dull. We believe the prices are too low for slate at present, but the increasing demand will have a tendency to raise the pric and soon we expect to see the slate trade flourish as in days gone by .- Slatington News,

however, was found by which he could be identifled. His body was taken to the Alms House for burial. THE drawing-room cars which run from Philadelphia to Elmira, over the North Penn., Lehigh Valley, Pennsylvania and New York, and Erie Railways are much admired. Each car is 60 fect long by 10 feet wide, and luxuriously fitted up to secure the utmost pleasure to the traveler.

the Robels about ten years ago. The Radicals There are five state rooms, or compartments, two water closets, and two wash rooms for each car, and was a warning that every Federal soldier cap- | P and the whole center of the caris thrown into one large drawing room, and contains eighteen large comfortable velvet chairs, revolving so as to enable Valley Railroad for the week ending July 120h, the passengers to look in any direction. The car is finished beautifully in hard wood with all the

he railroads. It was all a lie gotten up by the $\begin{bmatrix} Set, Feinah\\ A, Pii \end{bmatrix}$ adicals to keep themselves in power and to "fire metallic ornaments of silver, and its windows are the northern heart" that our people should go immense, each being formed by a single pane of down there and kill their southern brethren. The French plate glass, 36 by 40 inches, through which 705 12 French plate glass, 36 by 40 inches, through which 153,258 09 as fine a view of the scenery can be had as though Radicals could keep themselves in power only by "firing the northern heart," and now they got u the whole side of the car were taken out.
