> "Norwithstanding my efforts to prevent it," says Joel Parker, "the Democracy of New Jersey, from Sussex to Cape May, with one to voice have again placed me before the peoplc for their suffrage." Now why, in Heaven's name (which is also truth's) should Gov. Parker tell so flat a lie to all mankind. What efforts did he make to "prevent" his nomination ? None. He wanted to be governor again, and he has secured the renomination. It is an honorable ambition in him to desire so distinguished an office, and we know

of no discreditable act of his in securing his high place on the ticket. But he is no sooner put in nomination, than he insults the moral sense of his constituents by parading his socalled attempts to "prevent" the conferring of the coveted honor on him ! The heart of a old farmers and solid looking Quakers, who desperately wicked. And yet (not to do Mr. Parker any injustice) perimps he uses the word "prevent" in the old English sense,

namely, "to go "before"-thus delicately indicating that he was "beforehand" in securing the nomination.

STEAM-HEATING APPARATUS

has been in successful operation during the pest SIX TEEN years and experience has proven that the method adopted in this apparatus for heating stores, dwollings, public buildings and omces is the

MOST EFFICACIOUS,

AND ECONOMICAL. Those who have used it are unanimous in their text mony that it requires less attention, produces to dust after motion of the beats more thereaged by these any feren motion of the paratus, and such improvements hav been mote in their radions that they are great additions to the ornamentation of fice dwellings, and are beautifus substitutes for mantels.

We refer to a few of the many who now have this appa-ratus in uaw: -- John Wood, Lewis A. Lukyns. Dr. J. P. Reid, Conshohcken ; Nathan Schofeld, f harles Noble, Philsid-iphila ; George Steinmeiz, Hon. Charles H. Stin-on. Wm. Stahler, George Wight, Dr. P. J. P. Pole, Nor-
