plemented by strawberries gleaming bright

the head of the table Georgie was pouring the stopped before the large glass near the parlor tea, finishing unconsciously a very pretty home picture. "Whom do you think I met at Marston's

papa ?" asked Georgie all at once. "I am sure I don't know, my dear; unless "I love you, Cora, you only, listen to me it was a former lover." "Former lover indeed ! as if I had ever had only for a moment." Georgie's heart seemed to stand still. For one. No, it was Cora Bousinot. You re-

an instant she stood, her eves dilated, her member her, don't you ?" "Do you mean the sallow, black eyed girl face white as marble, then she turned and who spent one of her vacations with you sev- flew noiselessly up the broad stair case into the seclusion of her own room. eral years ago?"

"He loses her-he loves Cora !" she kept "Sallow ! oh papa how can you ? I dare say you will change your opinion when you repeating in a mechanical, bewildered way, utterly unable to grasp the extent of the see her." treachery that was shutting out the sunlight

"So we are to have the honor of your friend's company. You will not tell her I called from her young life. She had never dreamed Importor and Exporter of Furs, her sallow, will you? I remember she used of this. Harry had been so entirely her own ever since their childhood that she would as to have a temper," looking up deprecatingly

Harry a little uneasily.

from his tea. "If you will be good and let us rule your constancy. At length B flood of crimson best horses and ask Harry to escort us, I will swept over the fair face, her small hands were clenched, her eyes flashed indignantly. tell no tales."

" Oh, how I hate her-how wicked and false " My horses are at your disposal of course, she is." She stopped short. "She does not but Harry is a business man now, and will hardly have time to wait on you and your know how he belongs to me, and Harry-she

is so beautiful, he cannot help preferring her friends as he used to years ago." "Oh, I shall tear myself away from the to me." She sat down by the window, her store once in awhile and be at your service, eyes strangely quiet and thoughtful, fixed on the glowing western skies, her mind occupied and at this Boudinot's too for that matter." with painful thoughts. If only Harry had making a wry face which Miss Georgie fortunately did not see. "Let me see, "he added waited a few weeks longer before he had spo respectully, "I believe I was not at home on ken to her as he did. She fancied it would be

easier to give him up if he did not know, she the occasion of her former visit; at least loved him. For an hour she sat thus, and have no recollection of her." when she arose to go down stairs she seemed "No, you were spending your vacation to herself to be oh ! so much older and stronger with one of your college chums. than she had been when she sat down.

"And when do you expect her, Georgie ?" "Georgie ! Georgie ! where are you ?" inquired Mr. Wayne, It was Cora's sweet ringing voice that call "In a few weeks at the farthest. I was so glad to see her. Aunt Mary and I were to ed her.

"I am coming, Cora," she answered. the depot to see Mr. Lauge off, when some one " Have you forgotten that we promised called me from the car window and who spend the evening with May Talbot?" should it be but Cora berself." " No, but if you and Harry will excuse me "So all your negotiations must have been I think I shall stay with papa. You know very promptly executed, unless Miss Boudihave been out every evening this week." not remained at Marston." " May will be so disappointed and indeed so " No, she went right on. I had only time will I. Cau't your papa amuse himself alone

to ask her to come and to introduce Mr. Lauge. this one evening ?" I dare say they had a nice time on the way. " No," said Georgie, smiling but resolute. They both live in New York, you know." "I shall stay at home and read to papa. May "And who is Mr. Lauge, pray ?" asked will excuse me, and papa has been so indul-"Mr. Lauge ? oh he is a friend of Aunt gent lately that I feel as if I ought to make

som return for his kindness. Ask Harry to Mary's. He spent several days at her home, she thinks he is perfection, and indeed so he & c we me, please." is, very nearly. Perhaps he will visit ussome little pet," said Miss Boudinoi, throwing her time during the summer."

Harry did not seems to be as delighted at arms around her friend with sudden tender the prospect of a visit from Mr. Lange as ness, and kissing her fondly. Georgie's last resentful feeling vanished be Georgie expected, for he became very thoughtfore that kiss, and as she turned to go to the ful and finished his strawberries in silence. library, she felt an earnest hope that they

showing her and her father to discuss Miss might be happy. She found her father seated past." Boudinot's expected visit.

The low cert is of the based of the state for an is grade to be consumed to the state for the based of the state for an is grade to be the state for the sta

Till one evening a month after Mis Boudinot's answer. You are quite unfit to go through in returning from a walk she rau right against and luscious in their snowy china saucers. At arrival, in passing through the hall, Georgie another term of nursing. I cannot let you go. him at the gate, adding "I could not resist You are pale and weak now."

stopped before the harge gains that the parton door to arrange her hair. The door was half open and she was on the point of joining Harry and Cora, when she heafd the former saying, "I love you, Cora, you only, listen to me "I am stronger than you think, papa. My triend."

things the exacting invalid would require

which neither Cora nor Mrs. Watson would you. But I supposed possibly she had left ere ever think of, but she put aside all demurs and | this." having obtained from her father a reluctant consent set out on her mission, followed to the Cora were engaged in a game of chess. The you ?? he d man it d almost flercely, unl very door by Harry's complaints. A week sufficed to bring Aunt Mary's neu pleasure at renewing her acquaintance with soon have doubted her own existence as his religia to terms, and laden with many bless Mr. Lange. Harry bowed courteously in ac

ings the weary little nurse prepared to go knowledgement of Georgie's introduction, at the same time taking a hasty survey of the home. She found things in a terribly mixed up new.comer, of whom he had heard so much.

condition. The nurse had been called away He was neither very young nor yot very unexpectedly two days before, and her father. handsome, but there was that in his appear-Lettie informed her, was upstairs in Harry's ance, in his manners, in his very voice-deep, room, trying to fill the place of the departed musical and carefully modulated-that proved a queer smile. functionary. In the parlor, the only habita-ble room in the house, she found Cora sub-limely tranquil, deeply absorbed in a volume of norma from Mr. Warna's library of the work of the work is a sense of t

of poems from Mr. Wayne's library. Geor. or twice in a life time, and having met, regie threw off her things hastily anxious to see how poor pevish Harry was faring.

box poor perish Harry was taring. She took a peep into the library on her way mpstairs. The air was redolent of tobacco smoke, for her father was an inveterate smo-ker, and no one had thought of airing the room; the floor was littered with papers and stability, could lay claim to a sprightly and cigar stumps. A heap of apple parings, wit, a graceful adaptation to the circumstances on which a sworm of flics were regaling them- around him to which this dignified man of the elves, lay on one window, and a boquet she world was a stranger. They were very un had placed there a week ago stood on another. like, these two men, and yet both had their The proprietor of the room had evidently been good points and in spite of his prejudice reading late without a lamp, for the blinds against Mr. Lange, Harry was attracted to were pulled up as far as they would go, and him. Mr. Wayne joined them shortly after one of the strings was broken, which gave the and the little party spent a delightful even-

window a lopsided appearance positively paining. "You must come often during your stay ful to behold. Harry's room looked no better. The re- in the village, Mr. Lange," suid Georgie, as mains of his breakfast, and possibly of several that gentleman rose at length to take his other meals, occupied the stand by his bed-side; the yellow September sunshine lay in persuade yourself to accept papa's invitation side; the yellow September sunshine lay in blazing squares on the carpet and was begin-ning to creep up the sides of the bed; the windows were all closed and the air hot and stifling.
