conpation.

Full directions are given on the wrapper to ach box, how to use them as a Family Physic, and for the following complaints, which these of the particular residue curature.

For Dysentery or Diarrhoea, but one

mild do w is generally required.

For Illheumatism, Gout, Grayel, Palpiration of the Heart, Pain in the
bide, Back and Loins, they should be continued y taken, as required, to change the discascomplaints disabora. With such change those
complaints disabora.

action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drustle purge.

For Suppression, a large dose should be taken, as it produces the desired effect by symmetry.

As a Dimer PIII, take one or two PIIIs to As a Dimer PIII, take one or two PIIIs to pomote digestion and relieve the stomach, and howels, restores the appellic, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often thids that a dose of those PIIIs makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

markable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great cor-ruptions of the blood, such as the scrofulous as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and cruptive disorders of the skin, Tumors, Blotches, Bolls, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Schald Head, Ringworm, and internal Ulcerations of the Utcrus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspensia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoen, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

Practical and Analytical Chemists.
