must be. The Pittston Gazette says water is retailed in the streets of that village at three and, as a sensible volume should, the insult of-fered her, until a few weeks "go. The up shot was, they "went" for *that* conductor on Sunday morning. About 11 30 Saturday night a dressed, modest looking lady stepped into the "Bombshell," and loquired whether she could there go we minutes until the New York train

retailed in the streets of that village at three cents per bucket. It may man has got more than forty one children, and has got beyond his eighth wife, he can beat a man in Robertson county, Tex-as, in these hitle points, but not otherwise. A horse in Louisville lost his life recently by indulging too freely in shelled onts, a bar-rel of which he manged to get at in the night. The seeds swelled and gave the animal such pain that it was thought merciful to kill him. South Bethlehem has a debt of \$50,000. The borough was incorporated in 1805, and stay a few minutes untill the New York train stay a few minutes until the New York train arrived. "Certainly, ma'am," said the cour-icous, obliging landlord, "Step into the par-lor," "Thank you," replied the hady, "I will remain here (in the sitting room) until will remain here (in the sitting room) until my husband comes" The gentleman soon after stepped into the hetel. Then came the New York train dashiog into the depot. "Will work be also seen over and tell the consince that time, up to February last, 1872, \$83,161.38 have been expended on borough

improvements. A Kansas city genius has invented a flying machine, by which he intends to take an overland journey to San Francisco. Every news-paper in Kansas has his obituary in type, in

a sculle ensuen, and the conductor was backed up against the wall, getting sev-eral smart blows upon his face, while the hady excitedly pulled from the folds of her dress a neat little riding whip, which she vigorously applied to the shoulders of sa'd conductor. This act hasted about three min-conductor. paper in Kansas has his obtuary in '91', ' anticipation of the usual result. The German Government has given a fresh proof of its sagacity by creating in Alsace and Lorraine sity-three "forest administrators," each of whom is to superintend fourteen thouconductor. This act hasted about three min-utes, during which time the conductor " hal lered marder twice," says "Ben," and ran out of the door hulless. The exhibition was over hefore any interference could be had—the land hord, who keeps a quict, respectable hotel, was up-stairs at the time, and made has app arance only when the "scene" had ended. The hady and husband then left the hotel, and walked onlight up struct. Shortly of a forwards two two sand acres of land, prevent useless destri and acres of and, prevent decreates that con-of timber, and encourage the planting of trees. Correspondence from the City of Mexico gives the present situation in that unhappy country. From present appearances its seems a certainty that the government will eventua certainty that the government will ground-hily triumph over the revolutionists, and that Jonrez will remain President. The San Luis Potosi battle appears to have been the deciding one of the contest. Chicago, which claims to be the parent of the urbit dividuation the machine damage

and husband then left the hotel, and waiked quicity up street. Shortly afterwards two po-heemen were brought into the hotel to make an arrest. No arrests were made; and as the parties were in the city on Sun-lay evening or the grain elevatorsystem, has made anadvance in the construction of floating elevators; one of which, equal in capacity to four first class Manday morning, it is most likely the matter scribed scene, we are informed, are all from Reading. Scenes of this kind will occur, oc-casionally, and generally result with some good to society, and the traveling public especially.

r in the observation of the result of the observation of which, equal in capacity to four first class elevators, is now being constructed and will be in operation as soon as the canal is open. It will be used in the Chicago river for trans-firring grain from canal boarts to vessels. Japanese auctions are conducted in a novel plan, but one which gives rise to nume of the noise and confusion which attend such sales in our own country. Each bidder writes his places in a box. When the bidding is over, the box is opened by the auctioneer, and the goods declared the property of the highest bidder. The York Republican says : This is the sea-son when the tobacco crop fluds its ways to

To linke a Nind. This is the way we see it recommended : "Keep on the heads and fins; do not open it more than necessary; empty, and wash care-fully; stuff with forcement, of grated bread crumbs, red pepper and a little of powdered mace or cloves; moisten with beaten yolk of egg. Stuff the fish, reserving a little of the forcement; sew it up or skewer together. Rub the outside with egg yolk and the reserved stuffing; fasten the tail to the head in a grace-fol curve; put into the bakepan about a gill of white wine and bake it gently until done." ⁴¹ On ! know you have been pretending."
⁴² On ! know you have been pretending."
⁴³ On ! know you have been pretending."
⁴⁴ Was the quick reply.—
⁴⁵ " When it her as a start of the outside with egg yolk and the reserved stuffing; fasten the tail to the head in a grace.
