HALES HALLS OF THE VEGETABLE SICILIAN HAIR RENEWER

Every year increases the populari-y of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfect-ed preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, 'The constituents are pure, and care fully selected for excellent quality; and I consider it the Best PREPA-RATION for its intended purposes."

Buckingham's Dye. FOR THE WHISKERS. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Descripts. all Druggists. Price Fifty Cents.
