Besides, the maister has a little smack of the sexton about him; he comes when people are in extremis, but they don't send for him every time they make a sight moral slip,—tell a lie for instance, or snuggle a silk dress through the custom house; but they call in the doctor when a child is cutting a tooth or gets a splin ter in ts finger. So it doesn't mean much to send for him, only a pleasant chat about the news of the day; for putting the baby to rights doesn't take long. Besides, every body doesn't lige to talk about the next world; people are modest in the ir desires, and find this world as good as they deserve; but everybody 'ikes to talk plysic.
