ma and thest of childhood, Chemny Pictronal, is incalable; for, by its timely use, multi-index are rescued from premature graves, and saved to the love and affection centred on them. It nets speedily and surely against ordinary colds, securing sound and health-restoring sleep. No sone will subject toroblesome Influenza, and pain in Bronchitis, when they know how easily they can be cared.

Originally the product of long, laborious, and succe-still chemical luvestigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as meanorable as the greatest it has over effected.

Ayer's Hair Vigor,

For restoring to Gray Hair its natural Vitality and Color.

or gray hair to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are desired by the state of the stroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimu-lated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the forma-tion of dandruff, which is often so un-cleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts

long on the liair, giving it a rich, glossy lustre, and a grateful perfume. Prepared by Dr. J. C. Ayer & Co., tical and Analytical Chemists, LOWELL, MASS. W. E. BARNES & SON.
