This instrument is especially designed for the fect application of DR. SAGE'S CATARRH REMEDY.

This instrument is especially designed for the perfect application of DR. SAQE'S CATARRH REMEDY.

It is the only form of instrument yet invented with which fluid medicine can be carried high up and perfectly applied to all parts of the affected masi passages, and the chambers or cavities communicating therewith, in which roces and nicers frequently exist, and from which the catarrhal discharge generally proceeds. The want of success in treating Catarrh here tofore has arisen largely from the impossibility of applying remedies to these cavities and chambers by any of the order of the content of the process. The summer of the process of the content of the cont
