

THE NATIONAL

FRIDAY MORNING, AUG. 28, '68. NATIONAL TICKET.

FOR PRESIDENT, GEN. U. S. GRANT, OF ILLINOIS. FOR VICE-PRESIDENT, SCHUYLER COLFAX, OF INDIANA.

FOR ASSEMBLY, COL. THEODORE GREGG, of Bellefonte. FOR DISTRICT ATTORNEY, THAD. P. STEPHENS, of Bellefonte.

FOR COUNTY SURVEYOR, HENRY P. TRCZYLYNY, of Milesburg. UNION EXECUTIVE COMMITTEE. The following gentlemen constitute the Union Executive Committee of Centre county for the ensuing year.

FOR THE CAMPAIGN. Republicans of Centre county, it is our intention to make the Bellefonte National a first-class Republican paper. We most respectfully invite all to aid us in our effort.

DEMOCRAT in the county at the same club rates, payable when GRANT and COLFAX are elected. As many of the honest Democrats receive but little information as to the true state of the country, here is an opportunity to obtain information cheap, and also for nothing in case SEYMOUR and BLAIR are elected.

INSOLENCE. Inasmuch as my health has been seriously impaired by nearly two years service in the field during the late war for the Union, I am admonished to abandon the business of publishing a newspaper if my earthly existence is to be prolonged.

VALDEICTORY. Inasmuch as my health has been seriously impaired by nearly two years service in the field during the late war for the Union, I am admonished to abandon the business of publishing a newspaper if my earthly existence is to be prolonged.

gave us the victory and the nation rejoiced. Rejoiced because we thought when the hosts of treason surrendered to Grant and his victorious army that peace had come, and "come to stay."

Had it not been for the treachery of Andrew Johnson, backed by the rebels of the South and their Copperhead sympathizers in the North, universal peace would now reign throughout the land.

The rebels lead on by Wade Hampton and the guerrilla Forrest seeking to gain at the ballot-box, by the election of SEYMOUR and BLAIR, who they failed to gain by and through a resort to arms and the late rebellion.

Subscribers who have paid in advance will have their credits transferred to the books of my successors, dating from the 4th of September, 1868. Those who are in arrears will please call at the Press office and settle their accounts as early as possible.

LOOK AT THIS PICTURE! Who compose this miscellany Democratic party that has kept the nation in the throes of dissolution since the close of the war?

PAROLED PRISONERS—Have the paroled prisoners taken from a belligerent power any right to vote? If they have no right to cast a ballot themselves, would not the source of honor which is supposed to make them worthy of the privilege and trust of a parole preclude them from attempting to control the votes of others?

THE SOUTH could not honorably lay down her arms, for she was fighting for her life. She was fighting for her life, and she would not be allowed to lay down her arms until she had secured a place in the Union.

It has long been a question with us how any loyal man, especially a soldier, who suffered all the hardships of the camp and field, could ever vote the so-called Democratic ticket.

At a Convention held by the Democratic party in Elbridge, Edgar county, Ill., on the 4th of July 1863, the following resolution was unanimously adopted, voted for by every Knight of the Golden Circle and Son of Liberty present:

Resolved, That we hereby unconditionally pledge ourselves to another that we will not support any candidate for Administration in carrying on this Abolition crusade against the South; and if we will resist the death attempts to draft any of our citizens into the army, and that we will permit no arbitrary arrests to be made among us by the minions of the Administration.

He has, since he gave utterance to the above language, delivered himself of many stronger, and if possible, more reasonable sentences. He has denounced the soldiers of the Union Army as murderers, assassins and hell-hounds, and yet he is to-day the regularly nominated candidate for Congress in his own district.

There is not a ruffian who roamed the cities of the North, when treason lifted its coward hand to stab the nation in the back—howling like a savage for blood, and murdering all by their color or exalted principles excited his barbarous ferocity, but is a member of that party and ranks among "Seymour's friends."

The election, now, first given to the new Rebellion. The election which was held in Vermont on the first day of September, has resulted in a glorious Republican victory and in a total rout of the peace sneaks and sympathizers of "our Southern brethren."

THE REBEL DEMOCRACY are working to seize the Government with a zeal only surpassed by their eager efforts to destroy it.

THE NEW REBELLION—First fruits of Seymour and Blair—shall there be Peace or War. Tennessee is perhaps at this time the most disturbed State in the Union.
