Savage, Taylor-Leonard Merryman Union-George Ingram.

EQUAL TAXATION --- EVERY VARIETY OF PROPERTY PLACED ON THE SAME

Worth-A. R. Barlow.

The Watchman, and the entire Democratic press, in their anxiety to deceive the people have got not only Seymour, but themselves into "a sea of trouble." In order to mislead the people on the question of taxation, they raised the cry of "Bloated Bondholder" and "Equal Taxation of every species of proper ty." The New York Convention not satisfied with declaring the reconstruction acts "unconstitutional, "revolutionary, null and void," adopted as the fourth article of their platform the principle of "Equal "all other public securities."

The Pittsburg Commercial in speaking on this subject says, "The lan-"plicit." If the reader will analize it, he will perceive that that which "ernment bonds," were an after in time of peace? thought, since the addition of these proposition, namely: "Equal taxa- that their was no power in the Con-"tion of every species of property, stitution to coerce a State? "according to its real value."

Here we have the body of the proposition divested of the tail, in deming the course of Floyd and mers of the platform designed to be Cabinet—the one for stealing the price. And we ask you further to directed against the Republican party. nation's guns, the other for robbing Repellent as this is in itself, its vir- the National Treasury, abstracting ulence is mildness compared with Indian bonds, &c., &c.? the spirit which animates the body of the proposition, to wit: "Taxa-"tion of every species of property." If the reader will bear with us a moment, we will show him that the York, Voorhees, of Indiana, et id language here employed is none too omnia genus, who declared the war a doctrine and practice. "Equal Tax-

A rigid compliance with the demands embraced in the proposition quoted, will subject every acre, every field, every workshop, every article of value in the country, every tool of the mechanic, every cow of the poor man, to taxation. By the present law all incomes less than a thousand dollars are exempted from taxation. This, we say, is wise and eminently proper. Carry out this proposition of "Equal Taxation of "every species of property," and the poorest man in the land will be erals and all the confederate soldiers compelled to pay the same tax on who for four long years made war his trifling earnings that the richest upon the Government, and forced man, and most opulent corporation upon the country the enormous napay on theirs. We are now dis- tional debt of which you prate so cussing the merits of the proposition much, are all supporters of Seymour and Blair? without seeking the aid of Democratic spectacles. We are tenacious upon this point, the more so since med this article of Democratic faith, the so-called Democratic party have laboringmen, if you want your taxes for November? framed it deliberately and after ma- forfeited the confidence of the Ameri-

punish every class in the North Equivocations and explanations are like useless. It is impossible to onceal or obscure the language. Carry out this proposition and all the discriminations heretofore made by the General Government, and the various State Governments, for the relief of the farmers, the mechanics and laboring men are overthrown. The poor man's bed will spoons, and cradle of the poor man

art; every wheel that enters into the people's pocket, with which they will be taxed alike. "Taxation of charges, lest he incur the gross disevery species of property," includes pleasure of some of his Democratic the stony hillside, the swampy flats, friends, who have controlling inand the unproductive pennyroyal ground. The rich corporations, such as railways, bridge and similar companies, will then pay less taxes than that recently placed in nomination they now pay, because poor people now taxed lightly, will pay more,

the list.

Will the "Watchman" please explain to the farmers, mechanics, and Lock Haven National Bank. Mr. laboring men of Pennsylvania how | Mackey is President of both these they are going to be benefited by this recently invented Democratic besides We suppose we will not idea of "Equal Taxation?" If, as you say, they are taxed to death now, when more than two thirds of all the people in the country pay no revenue tax, and no one pays a tax, either State or national, upon real estate, what must be their condition and the condition of the whole country, under the enforcement of the fourth resolution of your platform setting forth "Equal Taxes upon "all species of property?" The farmer pays no tax now on his wheat. wheat must be taxed as well as upon his farm, the Democratic plat- the "soulless corporations" named by form declares this wrong and shouts for "Equal taxation upon every

"species of property." Farmers, Mechanics, Laboring Men! if you do not want to be op-Seymour and Blair, and thus place Oh, shame, where is thy blush? your seal of condemnation upon

Our majority last year was 11,300 and our average majority for the past year has been 13,000. In our great triumph of 1860 we had 16,-000, and in 1864 we had 18,000. Maine will give 30,000 for Grant & REBEL FORREST says that in the Colfax in November. Nine cheers their gold in the Treasury, drawing for Maine.

THE KNOW-NOTHINGS OF TO-DAY.

It is really amusing to us to see the straights to which the Democratic party is driven in order to get candidates to run upon their ticket. For the Vice Presidency they were compelled to nominate Frank P. Blair, who was not only an Abolilionist before the war; but one of the very first Know-Nothings in the land. A man who so utterly despised the Democratic party, that a favorite phrase of his was, "that he would rather sleep with a nigger they were to fail, those roads will 'than a Democrat." Now, how- and many millions not merely to the ever, the leaders of the party in the taxable property and income of the North, and ex-rebel leaders of the South, all, shout for Blair. Blair may suit the Rebels and their sympathisers; but we are satisfied that harldly accessible. With what reathe honest masses will not be deson is this contingent liability added ceived into his support.

In this District, so bankrupt are they in material, that they were compelled to nominate L. A. Mackey as their candidate for Congress. tal Currency, &c., &c., which have Mr. Mackey has never acted with been burned, lost at sea, or otherthe Democratic party until very re- wise destroyed, so that they can cently; but was one of the very first never be presented for payment. men in Clinton county to identify himself with the Know-Nothing In what part of 1865? That is a party. How can the Watchman support such men and at the same time have the audacity to look an honest Democrat, or one of his foreign fellow citizens in the face?

The IRISH REPUBLIC, in speaking render dates from the 9th of that of this subject, says:

"Under the wing of Democracy the old Know-Nothing party has taken shelter. From the Ku-Klux Klan of the South, to sciption and murder are the order of the day. The Know-Nothing spirit of old was hostile to the foreigner, the Know-Nothing spirit of Democracy assails the and paid off till about the middle of negro and the men who preserved the that year—part of them not until the Union.

"The men who deny the rights of the black race, for being black, would deny the rights of Irishmen, for being Irish, were it safe to do so. The party that denies the right of one race to full equality before the law would deny those same rights to all races did opportunity offer. t is a notorious fact that while the Irish, eitizens compose fully one-half the Democratic party, the leaders of Democracy hate and despise them as bitterly as they do the negro. What else could our people expect. The man who wantonly cuts the throat of a dog would do the same for human being were it not for the iron

"The fell spirit that actuates those human fiends in the South, who, under cover of the darkness and protected by their shooting and burning, is the very spirit that made Louisville and New Orleans red with the blood of our countrymen. "Is it not strange to find our people working in unison with the men of New

Orleans and Louisville, whose hands are red with the blood of Irish women and children? "Is it not strange to find the old Know Nothing faction of New Jersey nominating heir grand master on the Democratic ticket and whipping the Irish into his

support?
"Even here in the city of New York, where Democracy could hide its head, where the Trich an oyster-shell were it not for the Irish. our people are despised and insulted every day in the year by the Know Nothings o

emocracy.
"It was notorious at the late Democratic Convention that Hoffman and his friendsa mere handfuli of the anti Irish—threat- a tax on farms and all real estate, accordened to smash up the party if the name of Murphey was at its head. We do not always been peculiarly odious to the Amerboast of Henry C. Murphey's Irishism, ican people, and always must be in a new for he is not an Irishman, but an American; but unfortunately for him his name is Irish, and no man of that name could get the Democratic nomination for Govenor of the State of New York. "The reasons for thus being despised knowing that the prosperity of the Comin the very party that is borne on the shoulders of Irishmen is, that they are the land from burdens, took off the taxes from party; But unless you nominate Hoffman
