you. BE ON THE ALERT !!!

REPUBLICANS of Centre county, we are reliably informed that W. W. Wallace and the leaders of the Copperhead party in this county have commenced colonizing voters. They are reckless men and will resort to any means to carry the election. Last year they used the Coffee-pot. This year they have not only the Coffee-pot, but they the cot of the poor widow. Mackey have resorted to colonization. Watch them closely.

Since writing the above caution, a reliable voter, who does not wisl his name published at present, came into our office and informed us that Mr. Frederick Smith, saloon keeper, on Bishop street, had offered him \$5,00 for his vote. Our informant has, heretofore, been a Democrat, but has determined to vote the Republican ticket. Hence the attempt to buy his vote. He says that under Democratic administrations, he got nothing but orders for his work. Now he gets Greenbacks. These, he says, are good enough for him. Will Mr. Smith be kind enough to inform us who hired him to purchase voters at five dollars a head God save the country from the Rebels and their sympathizers.

Republicans, Awake! Arouse! "How can the soldiers vote against "Mr. Mackey?" asks the Clinton Democrat, and then goes on to say: "When the war broke out, Mr. "Mackey was one of the first men in " the county to assist Col. Jarrett in " raising his company." &c., &c. That may be all true; but Mr. Mackey was an "Abolitionist" then. What is he now ? Benedict Arnold once had the confidence of General Washington; yet he betrayed Washington and the country. You know the result of his treachery. You have also, no doubt, read of Judus Iscariot.
