Soofland's German Bitters Hootland's German Bilters is entirely vegetable, and contains no liquor. It is a compound of Fluid Ex-tracts. The Roots, Herbs, and Barks from which these extracts are made are gathered in Gormany. All the medicinal virtues are extracted from them by a scientific chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no sleoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stim-ulants are not advisable.
