NORTHUMBERLAND

AND

WILKESBARRE

LINE OF

MAIL STAGES

I observed a notice in the "Keystone," (and one which I published,) signed by Mr. P. C. Gilchrist, Agent, stating that the Susquehanna Boat Line would carry passengers in less time than the Mail Stage—which is not the fact. It will be understood that the Boat leaves Harrisburg one day before the Stage; yet we have taken Passage through to Wilkesbarre in time for the Monday stages, notwithstanding the tardy manner in which the mail is brought from Harrisburg to us at Northumberland. If any other persons had the advantage of the mails from Harrisburg to Northumberland than those connected with the Boats, I would engage to start at the same hour with the Boat Harrisburg, and deliver the mail and the passage TWELVE HOURS sooner than the Boat Line possibly can do it.

When the Company runs a stage from Northumberland to Wilkesbarre, the mail can arrive at Northumberland from Harrisburg by 11 o'clock, P. M. but when the Boat runs above, they then lack the stage at Northumberland until 4 o'clock, P. M. and sometimes as late as 7 o'clock, P. M.

These are facts, which, if the Post Master General is not aware of, it is time he was made acquainted with them.

Any passengers wishing to take the stage Northumberland, to go through to Montreal, will be taken on in time to secure seats in the Monday stage, notwithstanding the delay of the opposite in arriving at Northumberland—provided they get upon a regular time for starting.
