

GUBERNATORIAL.

LYCOMING COUNTY.—The Democratic republicans of this county elect Delegates on the 4th of December to attend the 4th of March convention.

DAUPHIN.—The Democrats of this county choose 4th of March delegates on Monday next.

LANCASTER.—Delegates are to be chosen in this county on the 20th of December.

NORTHAMPTON.—The democrats of this county choose their delegates on Tuesday next.

CLEARFIELD.—Delegates will be chosen in this county on Tuesday next.

UNION.—The democrats of this county choose 4th of March delegates on the 28th instant. Both the democratic papers are out for John Snyder, and most probably the delegates will be instructed to support his nomination.

LEBANON.—This county has already chosen delegates to the Convention.

From the foregoing it will be seen that the democratic party are in motion, and that, if instructions are given, we shall know who will be honored with the nomination long before the 4th of March.

We insert the proposals of the "Reporter" and "Keystone" in our paper, and would with pleasure transmit the names of those who would wish to patronize either of the papers.

NEW YORK ELECTION.

As far as heard from the Whigs have elected 98 members of Assembly, and the Van Buren men 23. There are 7 members yet to hear from, which last year were about equally divided; and consequently it may be reasonably inferred that the Whigs will have a large majority of the representatives.

The man of the "Intelligencer" has a strange mode of exhibiting his amused feelings. They are expressed with the same malicious grace which formerly crowned his abuse of "our representative in Congress."

TO THE EDITOR.

HARRISBURG, Nov. 15, 1837. Dear Sir: I send you a sketch of the proceedings of the Convention for the last few days. Since my last the committee of the whole completed their revision of the report of the committee on the 5th Article.

Nov. 10th.—On motion of Mr. INGERSOLL the committee agreed to re-consider this Section, and Mr. INGERSOLL moved the following amendment in lieu of the 1st section of the report, viz: "SECT. 1. The Legislature shall provide by law for the immediate establishment of Common schools in school districts in every county of the state, wherein all persons may receive instruction at public expense, at least three months every year in the English and German language, as may be by law directed."

monwealth." This amendment was, after debate, disagreed to. Mr. STURDEVANT offered the following amendment:—"It shall be the duty of the legislature to provide for the establishment of such schools throughout the Commonwealth as may be deemed necessary, in which all persons may be taught at the public expense."

Some other amendment was then offered changing rather the phraseology than the substance of the foregoing, when the previous question was called and sustained by a majority of one vote. This cut off all the amendments pending and the main question on the report of the committee was decided in the negative, yeas 47—nays 69.

It will be observed that the members of the convention all agree as to the necessity and importance of education in Common schools, and only differ in opinion as to the best mode of arriving at one common end.

On yesterday, (Nov. 14,) Mr. STEVENS offered the following resolution:

Resolved, That the President draw his warrant in favor of the Secretary for the sum of \$350, to be paid to the Clergymen who have officiated as Chaplains to the convention, which they be requested to accept with the thanks of this convention.

The second Section of the report on the 7th Article came up in the following words: "The arts and sciences shall be promoted in such institutions of learning as may be alike open to all the children of the commonwealth." To which Mr. CHANDLER of Philadelphia, moved an amendment recommended by the minority of the committee, which he subsequently modified so as to read as follows, viz: "There shall be established by law a Commissioner of education to be elected by the legislature for three years, who shall have the care and management of the public funds appropriated by law to that object together with the superintendence of common schools."

WYOMING CLAIM.

The people of the Valley have recently held a meeting and drafted a memorial to Congress urging an appropriation "to the Old Wyoming sufferers, their Widows, Heirs, and legal representatives."

It is stated in the Columbus (Ohio) Register that several of the Banks of Ohio entertain serious intentions of closing their banking business, and diverting their capital to some other species of investment which will promise a better return.

The New York Gazette says:—We understand that Mr. Southard will in a few days resign his seat in the United States Senate, and that Mr. Frelinghuysen is likely to take his place.
