Shin-Plaster Imposition!

MR. EDITOR, Sir—By a fall I got my shin skinned, which took cold, and became very sore, when Squire Govenhovan, of Orangeville, said he had shin-plasters that were good for sore shins, which I agreed to try and found my shin grow worse rapidly. Yet I bore it for some days; but finding it still to grow worse, I took it off, and burned it. As I am fully persuaded they are an imposition on the public, and not good, I have taken this method of cautioning the unwary of their poisonous effects. They are a pretty looking thing, and closely resemble money—yet they are deceptive, like the serpent in its coil, which will sting when least expected. Yet some say there is a difference in the manufactures of them, yet I fear they are all filled with poison.

Very respectfully,
E. G. RICKETS,
Roanoke, Dec. 16, 1837. 34-4
