

president Martin Van Buren, redeeming the pledge he gave to us, before his election, in spite of the threatening denunciations of the Federalists, and he may rely safely on the virtue and patriotism of the people to sustain him.

Resolved, That when we contrast the official conduct of JOSEPH RITNER, our present executive, after the pledge he gave in his Inaugural Address, with the official conduct of our present president, as a public officer, we deem him unworthy of the confidence of the people, having violated every important pledge he then gave.

Resolved, That although Governor Ritner's last message to the legislature of this state, as respects our state banks, is in accordance with the opinions of the democratic party, long since entertained; yet, taking into consideration his sudden conversion and his former violated pledges, we have, and can place, no confidence in them.

Resolved, That we consider that part of Governor Ritner's late message which relates to the finances of the state, an insult to the understanding of the people of this commonwealth, inasmuch as the present state of finances of this commonwealth, exhibits the facts that were it not for the economy of the general government during the administration of Gen. JACKSON which has furnished the people of this state with the sum of \$2,867,514 78, there would be at this time a deficiency in the State Treasury of \$647,379 04; as proof hereof we refer the people of this commonwealth to the annual report of the state treasury for the past year.

Resolved, That JOHN WEAVER be appointed the representative, and GEORGE SEITZINGER, the senatorial delegate, to represent this county and senatorial district in the 5th of March convention at Harrisburg, for the purpose of nominating a democratic candidate for Governor of this commonwealth, and that they have power to fill any vacancies, should any occur.

Resolved, That Peter F. Ludwig, Nicholas K. Seitzinger and Abraham Shippen, be the conferees from this county, who are to meet a similar number of conferees from Columbia county, should such be appointed, at the house of Sannel Irvin, on Monday the 5th day of February next, for the purpose of adjusting the difficulty existing in relation to the senatorial delegate from this senatorial district.

Resolved, That the proceedings of this meeting be signed by the officers thereof, and published in the papers of this county and of this senatorial district, and in all such democratic papers of this state, as may think proper to publish them.

The White Women redeemed.—A Missouri paper states that the Santa Fe traders had released two American women, whom they had purchased of the Comanche Indians, in Santa Fe, for \$400. Their names were Harris and Plummer. They were emigrating with their husbands, from the State of New York to Texas, in the spring of 1835, and when on the border of their country, they were attacked by a party of Comanches, though two husbands were killed, their wives and children made prisoners, and their wagons were plundered and burnt. The women were treated with cruelty—one of the children was killed, and another died from harsh treatment.
