PROPOSALS

For publishing at Pottsville, Pa. an Imperial Weekly Newspaper, to be entitled

“THE POTTSVILLE EMPORIUM.”

The urgent solicitations of numerous friends, and the prospect of liberal patronage, have induced the undersigned to issue these proposals, and ask the support of the public. In politics, the "POTTSVILLE EMPORIUM" will zealously support the principles and candidates of the Democratic party, and particularly the nominee of the 5th of March Convention: But, aside from party feeling, it shall be our main object to enhance the interests of our fellow-citizens, by promoting that industry and enterprise which characterize the operations of the Coal Region. We shall go for the honest many against the designing few on all occasions, reverencing that principle in our political creed, and opposing any Monopoly which may retard the exercise of individual rights, or have the tendency to put down individual industry and enterprise. In fine, our object shall be to promote the welfare of the community amongst whom we live—to please and instruct—and with no other promises, we shall commence our paper, hoping that our experience both as mechanical printers and editors, may fit us for our task, and afford that gratification to patrons which never fails to induce the necessary recompense for services rendered in a laudable undertaking.

At present there is but one English paper published in the county of Schuylkill—a county whose territory is completely spotted with villages, and whose citizens rank amongst the most intelligent, industrious and enterprising of the commonwealth. In 1835, Schuylkill polled almost 2500 votes, and the combined Democratic vote exceeded 1600. Then we doubt not of the success of our establishment, provided the exertion of friends may, in the launching of our bark, prevent it from mooring upon those rocks and shoals which generally render the commencement of a paper a matter of so much anxiety and expense to the proprietors.

The "POTTSVILLE EMPORIUM" will be published weekly, on an Imperial sheet, at TWO DOLLARS per annum, payable semi-annually in advance, or \$2 50 if not paid within the year.

The first number will be published about the first of May next. Subscriptions are respectfully solicited.
