

WONDERFUL CURES

Have been performed in this city, and throughout the country.

DR. LEIDY'S MEDICATED SARSAPARILLA.

BEING a concentrated fluid extract of Sarsaparilla, combined with other vegetable extracts, which renders it as a medicine of great utility in the cure of all diseases arising from the impurities of the blood from indiscretions and imprudencies in life, and constitutional diseases formed or produced by the injudicious use of mercury, arsenic, bark, or quinine. In short, it is an invaluable remedy for all Rheumatic Affections, General Debility, Ulcerous Sores, White Swellings, Diseases of the Liver and Skin, Ulcerated sore throat, Ulcers of the Nose, Caries of the bones of the Bones, Scrofula or King's Evil, Erysipelas or St. Anthony's Fire, and all unpleasant and dangerous affections consequent to Syphilis, Lucas Venereal, &c.

So effectual has this medicine been in the cure of various diseases for which it is recommended, that it is far surpassing all other preparations of Sarsaparilla, Panacea, &c.

It is now employed by numerous physicians and has been introduced by them into many hospitals, infirmaries, &c. throughout the United States. It is a preparation of greater strength (consequently of greater efficacy) than any other extract now made, is also much cheaper, being but one dollar per bottle; which is sufficient to make one Gallon of Syrup of Sarsaparilla, and is bought by different druggists for that purpose.

Numerous certificates have been received and published from time to time, but in consequence of the great expense attending newspaper publication of them, the most incredulous can be convinced of the superior efficacy of Dr. Leidy's medicated Sarsaparilla, by calling at "Leidy's Health Emporium," No. 191, North second street, below Vine, sign of the Golden Eagle and Serpents, where certificates and references can be given to hundreds of instances of the most remarkable cures ever performed by any medicine.

Prepared only and sold Wholesale and Retail at Dr. Leidy's Health Emporium, 2d street, below Vine, No. 191.

ALSO SOLD BY D. S. TOBIAS.

Bloomburg, June 2, 1838.

The Victory Won.

AFTER long, tedious, and expensive experiment, Dr. Leidy has discovered a method whereby the virtue of the Sarsaparilla is extracted, so as to be formed into Pills without destroying its efficacy.

Innumerable attempts have been made to accomplish this important object, but all failed. It is important, because the Sarsaparilla, as a medicine, in all diseases to which mankind is subject is productive of more real good, than the whole catalogue of medicine in use.

Ask all respectable physicians the question,—"What is the most effectual purifier of the blood, and the most popular medicine used?" they will answer unanimously, Sarsaparilla. What better recommendation can be asked?

DR. LEIDY'S

SARSAPARILLA OR BLOOD PILLS,

Price, Twenty-five Cents a Box.

They must surely command a preference, for they are not composed of Sarsaparilla alone, but contain, in a concentrated state, in the form of a pill, the virtues of the principal ingredients contained in the compound fluid, extracts, syrups, and other preparations of Sarsaparilla.

They are highly recommended by numerous physicians, and others, (see directions around each bottle) in Rheumatic Affections, Jaundice, Erysipelas, Scrofula, Herpes, Diseases of the Liver, skin bones and glands, Pain of the sides, along the back and spine over the region of the heart and stomach. Inward fevers, bad taste in the mouth, foul breath, Flatulency, Indigestion, Sour eructations and acidities of the stomach. Want of appetite.

Ulcerous sores of the nose throat and body. Scaly Eruptions and blotches of the skin. Dry and watery pimples and pustules of the face and body. Tetter and ringworms. Swellings and hardening of the glands of the neck, in the groins, breast, &c. Stomach Coughs, Liver complaint. Waterbrash.

and all the whole train of diseases resulting from impurity of the blood, constitutional diseases produced by Mercury, or other minerals, or the consequence of Syphilis, Lucas Venereal, &c.

For convenience of taking, as well as making but small bulk, being in flat square boxes, convenient for carrying in the pocket or for travelling purposes, they must be preferable to all other preparations of Sarsaparilla.

For sale, Wholesale and Retail at Dr. Leidy's Health Emporium, 2nd near Vine street, Philadelphia, For sale by D. S. TOBIAS.

CONSUMPTION.

READER, if you have a cough or cold beware of their consequences. Colds generally produce imperceptibly, and insinuate themselves throughout the human system, finally settling upon the lungs, and ending in consumption.

A WORD TO PARENTS.

How often is youth cut down when least expected by the consumption, and followed to their graves by parents who are in a measure the cause of their premature death, in neglecting to remedy colds when existing in childhood, looking upon them as trifling affections, and not attracting their notice until the destroyer has commenced its work and made sure of its victim. This is not a fanciful representation, for daily numerous instances occur which prove the fact.

In manhood colds terminate in the same way, but do not progress so rapidly as in youth; they should, however, in both youth and manhood, be early attended to, and not regarded as trifling affections, for it is a delusive idea that has shortened the lives of thousands.
