

THE COLUMBIA DEMOCRAT.

"I have sworn upon the Altar of God, eternal hostility to every form of Tyranny over the Mind of Man."—Thomas Jefferson.

PRINTED AND PUBLISHED BY H. WEBB.

Volume II.

BLOOMSBURG, COLUMBIA COUNTY, PA. SATURDAY, JULY 28, 1838.

Number 14.

OFFICE OF THE DEMOCRAT,
NEXT DOOR TO ROBISON'S STAGE OFFICE.

TERMS:

The COLUMBIA DEMOCRAT will be published every Saturday morning, at TWO DOLLARS per annum, payable half yearly in advance, or Two Dollars Fifty Cents, if not paid within the year. No subscription will be taken for a shorter period than six months; nor any discontinuance permitted, until all arrearages are discharged.

ADVERTISEMENTS not exceeding a square will be conspicuously inserted at One Dollar for the first three insertions, and Twenty-five cents for every subsequent insertion. A liberal discount made to those who advertise by the year. LETTERS addressed on business, must be post paid.

CONSUMPTION.

READER, if you have a cough or cold beware of their consequences. Colds generally produce imperceptibly, and insinuate themselves throughout the human system, finally settling upon the Lungs, and ending in consumption.

A WORD TO PARENTS.

How often is youth cut down when least expected by the consumption, and followed to their graves by parents who are in a measure the cause of their premature death, in neglecting to remedy colds when existing in childhood, looking upon them as trifling affections, and not attracting their notice until the destroyer has commenced its work and made sure of its victim. This is not a fanciful representation, for daily numerous instances occur which prove the fact.

In manhood colds terminate in the same way, but do not progress so rapidly as in youth; they should, however, in both youth and manhood, be early attended to, and not regarded as trifling affections, for it is a delusive idea that has shortened the lives of thousands.

Dr. BECHTER'S
PULMONARY PRESERVATIVE.

(Price Fifty cents per Bottle.)
Is an invaluable preparation, discovered by a regular and celebrated German physician, who has employed it upwards of fifty years in his own practice in Germany, throughout which country it has been during that time most extensively and successfully employed in Coughs, Colds, Catarrhs, Asthmas, Whooping Coughs, Spitting of Blood, Pain of the Breast and Sides, all affections of the Breast and Lungs, and arrest of approaching Consumption.
Much may be said in praise of the above medicine, but newspaper advertising being too expensive, every satisfactory evidence will be found in all its effects upon trial, as well as numerous recommendations accompanying the directions. Upwards of 7000 bottles were sold in Philadelphia alone during the last winter, a convincing proof of its efficacy or so large a quantity would never have been sold, if it were not a most valuable and certain remedy.

PREMONITORY HINTS, AND IMPORTANT INFORMATION.

READER, did you ever see a confirmed Dyspeptic, and learn his sufferings? If not, suffice it to say, he is a pale, thin and ghastly looking object, his life apparently hanging by a thread; he is miserable and unhappy, his sufferings indescribable.

Are you much troubled with flatulency, costiveness, sour eructations arising from your stomach, occasional want of appetite, waterbrash, a bad taste in your mouth, or foul breath, pain or a heaviness at your stomach, sickness after eating, headache, disgust at your once favorite food, &c. If you are much troubled with any of the foregoing symptoms, bring before you the picture of the Dyspeptic, and having resolved to remedy the consequences, immediately procure

Dr. Leidy's Tonic & Anti-Dyspeptic Cordial

A never failing and efficacious remedy for
DYSPEPSIA OR INDIGESTION,
And the whole train of affections resulting from diseases of the Liver, Stomach and Intestines.

The above medicine is warranted free from mercury or other mineral preparations; it is composed entirely of vegetables, safe and easy to take, being very pleasant to the taste. It may be safely administered to young and old, requiring but moderate restrictions in diet only.

Numerous testimonials have been from time to time published; its reputation is so well known, further comment upon its virtues is unnecessary, suffice it to say, IT HAS NEVER FAILED IN A SINGLE INSTANCE. Further recommendations accompany the directions around each bottle.

Price One Dollar per bottle.

DR. LEIDY'S

MEDICATED SARSAPARILLA.

BEING a concentrated fluid extract of Sarsaparilla, combined with other vegetable extracts, which renders it as a medicine of great utility in the cure of all diseases arising from the impurities of the blood from indiscretions and imprudencies in life, and constitutional diseases formed or produced by the injudicious use of mercury, arsenic, bark, or quinine. In short, it is an invaluable remedy for all Rheumatic Affections, General Debility, Ulcerous Sores, White Swellings, Diseases of the Liver and Skin, Ulcerated sore throat, Ulcers of the Nose, Caries of the bones of the Bones, Scrofula or King's Evil, Erysipelas or St. Anthony's Fire, and all unpleasant and dangerous affections consequent to Syphilis, Luca Venereal, &c.
So effectual has this medicine been in the cure of various diseases for which it is recommended, that it is far surpassing all other preparations of Sarsaparilla, Panama &c.
It is now employed by numerous physicians and has been introduced by them into many hospitals, infirmaries, &c. throughout the United States.
It is a preparation of greater strength (consequently of greater efficacy) than any other extract now made, is also much cheaper, being but one dollar per bottle; which is sufficient to make one Gallon of Syrup of Sarsaparilla, and is bought by different druggists for that purpose.
Numerous certificates have been received and published from time to time, but in consequence of the great expense attending newspaper publication of them, the most incredulous can be convinced of the superior efficacy of Dr. Leidy's medicated Sarsaparilla, by calling at "Leidy's Health Emporium," No. 191, North second street, below Vine, sign of the Golden Eagle and Serpents, where certificates and references can be given to hundreds of instances of the most remarkable cures ever performed by any medicine.
Prepared only and sold Wholesale and Retail at Dr. Leidy's Health Emporium, 2d street, below Vine, No. 191.

ALSO SOLD BY

D. S. TOBIAS.

Bloomsburg, June 2, 1838.

The Victory Won.

AFTER long, tedious, and expensive experiment, Dr. Leidy has discovered a method whereby the virtue of the Sarsaparilla is extracted, so as to be formed into Pills without destroying its efficacy.
Innumerable attempts have been made to accomplish this important object, but all failed. It is important, because the Sarsaparilla, as a medicine, in all diseases to which mankind is subject is productive of more real good, than the whole catalogue of medicine in use.
Ask all respectable physicians the question,—"What is the most effectual purifier of the blood, and the most popular medicine used?" they will answer unanimously, Sarsaparilla. What better recommendation can be asked!

DR. LEIDY'S

SARSAPARILLA, Twenty-five Cents a Box.

They must surely command a preference, for they are not composed of Sarsaparilla alone, but contain, in a concentrated state, in the form of a pill, the virtues of the principal ingredients contained in the compound fluid, extracts, syrups, and other preparations of Sarsaparilla.
They are highly recommended by numerous physicians, and others, (see directions around each bottle) in
Rheumatic Affections, Ulcerous sores of the nose, throat and body.
Scrofula Erysipelas, Scaly Eruptions and blotches of the skin.
Diseases of the Liver, skin bones and glands.
Dry and watery pimples and pustules of the face and body.
Pain of the sides, along the back and spine over the region of the heart and stomach.
Tetter and ringworms.
Swellings and hardening of the glands of the neck, in the groins, breast, &c.
Inward fevers, bad taste in the mouth, foul breath Flatulency, Indigestion.
Sour eructations and acidity of the stomach.
Stomach Coughs, Liver complaint, Waterbrash.

Want of appetite.
All the whole train of diseases resulting from impurity of the blood, constitutional diseases produced by Mercury, or other minerals, or the consequence of Syphilis, Luca Venereal, &c.
For convenience of taking, as well as making but small bulk, being in flat square boxes, convenient for carrying in the pocket or for travelling purposes, they must be preferable to all other preparations of Sarsaparilla.
