# CONSUMPTION.

READER, if you have a cough or cold beware of their consequences. Colds generally produce imperceptibly, and insinuate themselves throughout the human system, finally settling upon the lungs, and ending in consumption.

#### A WORD TO PARENTS.

How often is youth cut down when least expectand by the consumption, and followed to their graves by parents who are in a measure the cause of their premature death, in neglecting to remedy colds when existing in childhood, looking upon them as trifling affections, and not attracting their notice until the destroyer has commenced its work and made sure of its victim. This is not a fanciful representation. for daily numerous instances occur which prove the fact.

In manhood colds terminate in the same way, but do not progress so rapidly as in youth; they should however, in both youth and manhood, he early at tenden to, and not regarded as triffing affections, for it is a delusive idea that has shortened the lives of thousands.

#### Dr. BECHTER'S PULMONARY PRESERVATIVE. (Price Fifty cents per Bottle,)

Is an invaluable preparation, discovered by a regu-inraud celebrated German physician, who has em-ployed it upwards of fifty years in his own precice in Germany, throughout which country it has been during that time most extensively and successfully employed in Coughs, Colds, Cataarhs; Asthmas, Whooping Coughs, Spitting of Blood, Pain of the Breast and Sides, all affections of the Breast and Lungs, and arrest of approaching Consumption.

Much may be said in praise of the above medicine, but newspaper advertising being too expensive, every satisfactory evidence will be found in all its effects upon trial, as well as numerous recommendations accompanying the directions. Upwards o 7000 bottles were sold in Philadelphia alone during the last winter, a convincing proof of its efficacy

or so large a quantity would never have been sold. Prepared and sold Wholesale and Retail at Dr. Leidy's Health Emporium, 2d street, below Vine, No. 181.

# DR. LEIDY'S MEDICATED SARSPARILLA.

BEING a concentrated fluid extract of Sarspa rilla, combined with other vegetable extracts which renders it as a medicine of great utility in the unte of all diseases arking from the impurities of the blood from indiscretions and imprudencies in life, and constitutional diseases formed or produced by the injudicious tise of mercury, arsenic, bark, or quinine. In short, it is an invaluable remedy for all

Rheumatic Affections, General Debility, Ulcerous Bores, White Swellings, Diseases of the Liver and Skin, Ulcerated sore throat, Ulcers of the Nose, Caries of the diseases of the Bones, Scrofula or King's Evil, Erysipelas or St. Anthony's Fire, and all un-pleasant and dangerous affections consequent to Syphilis, Lucas Venereal, &.

So effectual has this medicine been in the cure of various diseases for which it is recommended, that it is far superceding all other preparations of Sarsparilla, Punacea &cc.

It is now employed by numerous physicians and has been introduced by them into many hospitals, nfirmarice, &c. throughout the United States.

It is a preparation of greater strength (conse-quently of greater efficacy) than any other extract now made, is also much cheaper, being but one dol-lar per bottle; which is sufficient to make one Galion of Syrup of Sarsparilla, and is bought by dif-terent druggists for that purpose.

Numerous certificates have been received and published from time to time, but in consequence of the great expense attending newspaper publication of them, the most incredulous can be convinced of the superior efficacy of Dr. Leidy's medicated Sara-parilla, by calling at " Leidy's Health Emporium," No. 191, North second stree, latow Vine, sign of the Golden Engle and Serpenta, where certificate-and references can be given to hundreds of instances of the most remarkable curts ever performed by any modicine.
