The Victory Won.

A PTER long, tedious, and expensive experi-ment, Dr. Leidy has discovered a method whereby the virtue of the Sarsuparilla is extracted, so as to be formed into Pills without destroying its efficacy.

Innumerable attempts have been made to accom plish this important object, but all failed. It is important, because the Sarsaparilla, as a medicine, in all diseases to which mankind is subject is productive of more real good, than the whole catalogue of medicine in use.

Ask all respectable physicians the question,the most popular medicine used?" they will answer unanimously, Sarsaparilla, What better recom mendation can be asked 1
