CONSUMPTION.

CADER, if you have a cough or cold beware of their consequences. Colds generally produce imperceptibly, and insinuate themselves throughout the human system, finally settling upon the lungs, and ending in consumption.

A WORD TO PARENTS.

How often is youth cut down when least expect-'ed by the consumption, and followed to their graves by parents who are, in a measure the cause of their premature death, in neglecting to remedy colds when existing in childhood, looking upon them as trifling affections, and not astracting their notice until the destroyer has commenced its work and made sure of its victim. This is not a fauciful representation. for daily numerous instances occur which prove the

In manhood colds terminate in the same way, but do not progress so rapidly as in youth; they should, however, in both youth and manhood, be early at tenden to, and not regarded as trifling affections. for it is a delusive idea that has shortened the lives

Dr. BECHTER'S PULMONARY PRESERVATIVE. (Price Fifty cents per Bottle,)

Is an invaluable preparation, discovered by a regu lar and celebrated German physician. who has em ployed it upwards of fifty years in his own practice in Germany, throughout which country it has been during that time most extensively and successfully employed in Coughs, Colds, Catarfus, Asthmas, Whooping Coughs, Spitting of Blood, Pain of the Breast and Sides, all affections of the Breast and

Lungs, and arrest of approaching Consumption. Much may be said in praise of the above medicine, but newspaper advertising being too expensive, eve-ry satisfactory evidence will be found in all its effects upon trial, as well as numerous recommenda-tions accompanying the directions. Upwards o 7000 bettles were sold in Philadelphia alone during the last winter, a convincing proof of its efficacy or so large a quantity would never have been sold.

PREMONITARY HINTS,

AND IMPORTANT INFORMATION. EADER, did you ever see a confirmed Dyspeptic, and learn his sufferings! If not, suffice it to say, he is a pale, thin and ghastly looking object, his life apperently hanging by a thread; he is miserable and unhappy, his sufferings indiscribable.

Are you much troubled with flatulency, costiveness, sour eructations arising from your stomach, occasional want of appetite, waterbiash, a bad taste in your mouth, or foul breath, pain or a heaviness at your stomach, sickness after eating, headache, disgust at your once favorite food, &c. If you are much troubled with any of the foregoing symptoms, bring before you the picture of the Dyspeptic, and having resolved to remedy the consequences, im
