

PROSPECTUS OF THE KEYSTONE.
THE democratic party of Pennsylvania has just passed through a fiery conflict, and come out not only unscathed, but completely victorious—another proof of the purity and stability of their principles. Notwithstanding their triumph, they cannot for any length of time, repose in the lap of victory, for their foes are most insidious, and ever watchful, and although routed, will again rally under some new name, to oppose the principles of democracy, to which, being the only bond that can even for a moment, hold them together.—We must therefore remember, that the price of freedom is increasing vigilance.

In spite of the *rankest corruption*, and of frauds innumerable, we have elected a democratic Governor, and a majority in the House of Representatives, sufficiently large, to give us the control in joint ballot, and secure to Pennsylvania a democratic representative in the United States Senate.

The fraudulent elections, which will probably be contested; the unheard of malpractices on the public works, which require a searching examination; the adoption by the people of the amendments to our state constitution, which will require important legislative enactments, to meet the changes thus made in the fundamental law—together with the concurrent action of the Senate with the Governor, in many of his important appointments, will all render the coming session of the legislature perhaps the most important ever held in Pennsylvania, and cause their proceedings to be unusually interesting to every man in the community.

The editors of the Keystone, intend to give increased attention to the proceedings of this session, and note every movement of interest to the public. They will have competent reporters in both houses of our legislature, as well as at Washington city, thus enabling them to give as full reports of all important legislative proceedings as their columns will admit.

The Keystone is the largest paper published in Harrisburg, and being printed on small type, regularly gives in its columns nearly one third more reading matter than any other political paper in the state. This we have been enabled to do from the very great encouragement we have received from a generous public. Thankful for these favors, the editors hereafter will spare no pains or expense to render their paper interesting and valuable to the public, and serviceable to the great and triumphant cause of Democracy and Freedom.

TERMS.

For the Keystone yearly, twice a week during the session of the Legislature, and once a week for the remainder of the year, \$3 00

During the session of the Legislature only, twice a week, \$2 00

TO THE PUBLIC.

THROUGH a lingering and irremediable disease, my health at length became so impaired, that I became unable to attend to all the requirements of my official duties.—By persuasion of my numerous friends, I consented at last to keep an apothecary, thinking it would be the most becoming, easiest for me to engage in at the present time; and since (or while) I have established a shop, I would humbly solicit the support of my friends and the public in general, on account of my great sickness. And especially, would I request the merchants of this place, to give me all possible chance of selling those articles belonging to my line of business, for which they may receive my sincere thanks. A few articles only which are to be found in my Health Emporium are advertised. There will be kept a constant supply of such articles as may be called for; but in per chance, a call should be made for such as I am not in possession of immediate preparation will be made in order to obtain them.

Further, do I earnestly invite Physicians of this place and its vicinity, to give me a call, as I intend to sell very reasonable.

There will be kept constantly on hand, all kinds of Medicines, Patent and others, warranted to be genuine. All kinds of Paints, Glass, Dye-stuff, &c. &c. Also a variety of Confectionaries, Raisins, Nuts, Herring, Sugar and Water Crackers, Oranges, Lemons, Figs, Prunes, Perfumeries, &c. &c. All articles in the Health Emporium, I intend to sell cheaper than they can be bought at any other place in the county. Your Friend and well wisher.

PREMONITORY HINTS, AND IMPORTANT INFORMATION.

READER, did you ever see a confirmed Dyspeptic, and learn his sufferings? If not, suffice it to say, he is a pale, thin and ghastly looking object, his life apparently hanging by a thread; he is miserable and unhappy, his sufferings indelible.

Are you much troubled with flatulency, costiveness, sour eructations arising from your stomach, occasional want of appetite, waterbrash, a bad taste in your mouth, or foul breath, pain or a heaviness at your stomach, sickness after eating, headache, disgust at your once favorite food, &c. If you are much troubled with any of the foregoing symptoms, brush before you the picture of the Dyspeptic, and having resolved to remedy the consequences, immediately procure

Dr. Leidy's Tonic & Anti-Dyspeptic Cordial

A never failing and efficacious remedy for **DYSPEPSIA OR INDIGESTION**, And the whole train of affections resulting from diseases of the Liver, Stomach and Intestines.

The above medicine is warranted free from mercury or other mineral preparations; it is composed entirely of vegetables, safe and easy to take, being very pleasant to the taste. It may be safely administered to young and old, requiring but moderate restrictions in diet only.

Numerous testimonials have been from time to time published; its reputation is so well known, further comment upon its virtues is unnecessary, suffice it to say, IT HAS NEVER FAILED IN A SINGLE INSTANCE. Further recommendations accompany the directions around each bottle.

Price One Dollar per bottle. Prepared and sold Wholesale and Retail at Dr. Leidy's Health Emporium, 2d street, below Vine, No. 191.

Also Sold by **D. S. TOBIAS, Agent.** Bloomsburg, May 26. 1y5

WONDERFUL CURES

Have been performed in this city, and throughout the country.

DR. LEIDY'S MEDICATED SARSAPARILLA.

BEING a concentrated fluid extract of Sarsaparilla, combined with other vegetable extracts, which renders it as a medicine of great utility in the cure of all diseases arising from the impurities of the blood from indiscretions and imprudencies in life, and constitutional diseases formed or produced by the injudicious use of mercury, arsenic, bark, or quinine. In short, it is an invaluable remedy for all Rheumatic Affections, General Debility, Ulcerous Sores, White Swellings, Diseases of the Liver and Skin, Ulcerated sore throat; Ulcers of the Nose, Caries of the diseases of the Bones, Scrofula or King's Evil, Erysipelas or St. Anthony's Fire, and all unpleasant and dangerous affections consequent to Syphilis, Lucas Venereal, &c.

So effectual has this medicine been in the cure of various diseases for which it is recommended, that it is far superceding all other preparations of Sarsaparilla, Panacea &c.

It is now employed by numerous physicians and has been introduced by them into many hospitals, infirmaries, &c. throughout the United States.

It is a preparation of greater strength (consequently of greater efficacy) than any other extract now made, is also much cheaper, being but one dollar per bottle; which is sufficient to make one Gallon of Syrup of Sarsaparilla, and is bought by different druggists for that purpose.

Numerous certificates have been received and published from time to time, but in consequence of the great expense attending newspaper publication of them, the most incredulous can be convinced of the superior efficacy of Dr. Leidy's medicated Sarsaparilla, by calling at "Leidy's Health Emporium," No. 191, North second street, below Vine, sign of the Golden Eagle and Serpents, where certificates and references can be given to hundreds of instances of the most remarkable cures ever performed by any medicine.

Prepared only and sold Wholesale and Retail at Dr. Leidy's Health Emporium, 2d street, below Vine, No. 191.

The Pennsylvania Reporter AND STATE JOURNAL.

Is published at Harrisburg twice a week during the session of the Legislature, and once a week during the recess.

THE Reporter will continue to be (as heretofore has been) an unyielding advocate of the principles of the Democratic party—a supporter of the great and vital questions of free government identified with the success of the Administration of the General Government—and an untiring opponent of the Federal aristocracy, which seeks, in the election of one of its favorites, to inflict upon the country the curse of a National Bank, to be governed in its operations by no other views than the advancement of the interests of a favored few at the expense of the interests, the rights, and the liberties of the many. Against such a party and such an engine of political evil, the Reporter will be found acting with the body of the people.

As the ensuing session of the Legislature will be one of more than ordinary interest to the people, the Editors of the Reporter have made arrangements which will enable them to give a more full and complete history of the proceedings in both houses than they have heretofore been enabled to do. Every exertion will be used to make the Reporter a medium through which the people shall receive a full record of the doings of their representatives.

The Victory Won.

AFTER long, tedious, and expensive experiment, Dr. Leidy has discovered a method whereby the virtue of the Sarsaparilla is extracted, so as to be formed into Pills without destroying its efficacy.

Innumerable attempts have been made to accomplish this important object, but all failed. It is important, because the Sarsaparilla, as a medicine, in all diseases to which mankind is subject is productive of more real good, than the whole catalogue of medicine in use.

Ask all respectable physicians the question,—"What is the most effectual purifier of the blood, and the most popular medicine used?" they will answer unanimously, Sarsaparilla. What better recommendation can be asked?

DR. LEIDY'S

SARSAPARILLA OR BLOOD PILLS,

Price, Twenty-five Cents a Box.

They must surely command a preference, for they are not composed of Sarsaparilla alone, but contain, in a concentrated state, in the form of a pill, the virtues of the principal ingredients contained in the compound fluid, extracts, syrups, and other preparations of Sarsaparilla.

They are highly recommended by numerous physicians, and others, (see directions around each bottle) in

Rheumatic Affections, Scrofula Erysipelas, Jaundice, Heartburn Diseases of the Liver, skin bones and glands. Pain of the sides, along the back and spine over the region of the heart and stomach. Inward fevers, bad taste in the mouth, foul breath Flatulency, Indigestion. Sour eructations and acidities of the stomach. Want of appetite. and all the whole train of diseases resulting from impurity of the blood, constitutional diseases produced by Mercury, or other minerals, or the consequence of Syphilis, Lucas Venereal, &c.

For convenience of taking, as well as making but small bulk, being in flat square boxes, convenient for carrying in the pocket or for travelling purposes, they must be preferable to all other preparations of Sarsaparilla.
