

**The Victory Won.**

AFTER long, tedious, and expensive experiment, Dr. Leidy has discovered a method whereby the virtue of the Sarsaparilla is extracted, so as to be formed into Pills without destroying its efficacy.

Innumerable attempts have been made to accomplish this important object, but all failed. It is important, because the Sarsaparilla, as a medicine, in all diseases to which mankind is subject is productive of more real good, than the whole catalogue of medicine in use.

Ask all respectable physicians the question,—"What is the most effectual purifier of the blood, and the most popular medicine used?" they will answer unanimously, Sarsaparilla. What better recommendation can be asked!

**DR. LEIDY'S  
SARSAPARILLA OR BLOOD PILLS,**  
Price, Twenty-five Cents a Box.

They must surely command a preference, for they are not composed of Sarsaparilla alone, but contain, in a concentrated state, in the form of a pill, the virtues of the principal ingredients contained in the compound fluid, extracts, syrups, and other preparations of Sarsaparilla.

They are highly recommended by numerous physicians, and others, (see directions around each bottle) in

Rheumatic Affections, Schrophula Erysipelas, Jaundice, Headburn, Diseases of the Liver, skin bones and glands, Pain of the sides, along the back and spine over the region of the heart and stomach, Inward fever, bad taste in the mouth, foul breath, Flatulency, Indigestion, Sour eructations and acidities of the stomach, Want of appetite, and all the whole train of diseases resulting from impurity of the blood, constitutional diseases produced by Mercury, or other minerals, or the consequence of Syphilis, Lues Venereal, &c.

For convenience of taking, as well as making but small bulk, being in flat square boxes, convenient for carrying in the pocket or for travelling purposes, they must be preferable to all other preparations of Sarsaparilla.

**TO THE PUBLIC.**

THROUGH a lingering and irremediable disease, my health at length became so impaired, that I became unable to attend to all the requirements of my official duties.—By persuasion of my numerous friends, I consented at last to keep an apothecary, thinking it would be the most becoming, easiest for me to engage in at the present time; and since (or while) I have established a shop, I would humbly solicit the support of my friends and the public in general, on account of my great sickness. And especially, would I request the merchants of this place, to give me all possible chance of selling those articles belonging to my line of business, for which they may receive my sincere thanks. A few articles only which are to be found in my Health Emporium are advertised. There will be kept a constant supply of such articles as may be called for; but in per chance, a call should be made for such as I am not in possession of immediate preparation will be made in order to obtain them.

Further, do I earnestly invite Physicians of this place and its vicinity, to give me a call, as I intend to sell very reasonable.

There will be kept constantly on hand, all kinds of Medicines, Patent and others, warranted to be genuine. All kinds of Paints, Glass, Dye-stuff, &c. &c. Also a variety of Confectionaries, Raisens, Nuts, Herring, Sugar and Water Crackers, Oranges, Lemons, Figs, Prunes, Perfumeries, &c. &c. All articles in the Health Emporium, I intend to sell cheaper than they can be bought at any other place in the county. Your Friend and well wisher.

**DR. LEIDY'S MEDICATED EXTRACT  
OF SARSAPARILLA,** having become so deservedly popular, on account of its superior strength to any other preparation of Sarsaparilla in existence, it is thought unnecessary to make much comment upon its virtues. Suffice it to say, one bottle of the above contains twice as much of the active principles of Sarsaparilla and other ingredients, as any extract in existence, in the same quantity, and is equal to one gallon of Syrup of Sarsaparilla, for making which druggists and others purchase the above preparation. Price one dollar per bottle.

It is recommended in all diseases of the skin and Bones; affections of the Liver, Stomach, Spleen and Kidneys; Eruptions, breaking out of Dry and Watery Pimples on the face, neck and body; ulcerations of the nose, mouth and throat; running at the Ears and Eyes; Erysipelas, Scrophula, rheumatic pains, swelling or hardening of the Glands, constitutional diseases produced by the use of mercury or other minerals. In short, Sarsaparilla is known to the world, as being the most powerful agent ever discovered for purifying the blood and Animal Fluids, consequently the most valuable specific for all diseases, resulting from impurities of the Blood, and other fluids of the body.

Caution.—Persons should be particularly careful in getting a preparation that may be relied upon; there being many in existence, not properly prepared, unfit for use, and almost inert; possessed of no medicinal qualities whatever.

Dr. N. B. Leidy candidly declares his preparation to be what it is represented to be, and is prepared by himself, a regular Druggist and Apothecary, and is besides a regular Physician, attested by Drs. Physic, Chapman, Hare, Cox, Dewees, Jackson, James, Horner, Gibson, &c. (See directions and recommendations around each bottle.)

Upwards of 3000 bottles of the above have been sold, during the past six months, a strong proof of its good qualities, &c. For sale in this city at
