The Victory Won.

A PTER long, tedious, and expensive experi-ment, Dr. Leidy has discovered a method whereby the virtue of the Sarsoparilla is estracted, so as to be formed into Pills without destroying its efficacy.

Innumerable attempts have been made to accom plish this important object, but all failed. It is important, because the Sursuparilla, as a medicine, in all discuses to which mankind is subject is productive of more real good, than the whole entalogue of medicine in use.

Ask all respectable physicians the question,-What is the most effectual purifier of the blood, and the most popular medicine used!" they will answer unanimously, Sarsaparilla. What better recom-mendation can be asked ?

DR. LEIDY'S SARSAPARILLA OR BLOOD PILLS.

Price, Twenty-five Cents a Box. They must surely command a preference, for they re not composed of Sarsaparilla alone, but contain in a concentrated state, in the form of a pill, the virtues of the principal ingreducnts contained in the compound fluid, extracts, syrups, and other preparations of Sarsaparilla.

They are highly recommended by numerous physicians, and others, (see directions around each bottle) m
