

**PROSPECTUS**  
For publishing a new paper in the borough  
of Harrisburg, entitled the  
**State Capitol Gazette.**

By HOLLIBROOK, HENCKOCK & BRATTON,  
THE Subscribers propose to publish a newspaper in the borough of Harrisburg, with the title of the "State Capitol Gazette." The Gazette will be devoted to the support and advancement of democratic principles, based upon the political and philosophical truths of universal equality of rights; and the sovereignty of the people's will designated by the voice of the majority—that all civil government and law emanate from the people, exist only by their assent or permission, and that they have an unalienable right to remodel, alter or abolish either at their pleasure, whenever they may deem it necessary for their welfare and happiness, and that every thing which tends to weaken or subvert those principles, goes directly to sap the foundation of our republican institutions, and should be checked with a prompt hand and vigorous energy.

Measures and not men, shall ever be the rule by which the political course of the Gazette will be governed. We shall never quarrel with our political brethren about the individual whom the majority may fairly select, to carry out any measure consistent with our democratic principles. Is he honest—is he capable, and will he obey the voice of his constituents, shall be the leading enquiries as to the qualifications of a candidate for office. If capable, honest and willing to acknowledge the supreme will of the majority, every individual in society shall have an equal claim on us for our countenance and support. We abhor all faction and combination of individual interest to accomplish individual purposes. Every thing of that sort, shall receive from us a most hearty and decided opposition. Honesty, economy and strict accountability in all public functions, and their disbursements of the public moneys, shall be freely examined and fully discussed.

The Gazette will sustain the administration of the General Government, upon the principles pursued by its present patriotic and enlightened chieftains—Martin Van Buren, and will cheerfully lend its support to his re-election, to complete his measure of two terms of office, in accordance with the uniform practice exercised towards his republican predecessors. In discussing national policy, we shall advocate at all times every measure tending to strengthen the bonds of the common Union, and to promote the peace, security and happiness of the whole, so far as it can be done without compromising any rights that may belong to an individual state as a separate and independent sovereignty.

The Gazette will also support the administration of our worthy Executive of Pennsylvania—Governor Porter, and its editors will ever cherish the principles which triumphed in his election, and which through all the desperate and dangerous machinations put in requisition to defeat his inauguration, by a reckless and abandoned party, established in the executive chair, as the landmarks of our republic can safety and happiness. It shall also be the study of the editors to promote the best interest of our vast chain of internal improvements, and urging to a speedy completion all the links necessary to secure its immense connection, and to turn it to lasting and profitable use.

Our foreign relations shall be attended to, and the public seasonably advised of every transaction abroad, calculated to affect their political interests, or awaken in private life a spirit of enquiry and research in the various fields of philosophy, mechanics or literature.

The Gazette will be printed on a fine double medium sheet, and new type; and every attention bestowed to render its mechanical execution perfect.

The first number of the Gazette will appear on or about the thirteenth of June. Persons holding the proposals will be punctual to return the same by the thirteenth of May. Letters by mail, post paid will receive prompt attention.

**A NEW VOLUME**  
OF THE  
**Saturday Chronicle.**  
INCREASED ATTRACTION,

WE are gratified in being able to announce to our numerous readers that we are making arrangements for commencing our new volume under the most favorable auspices. The constantly increasing patronage of the Chronicle is well calculated to produce corresponding efforts on the part of the publishers, and it is therefore that we are determined to spare neither pains nor expense in the determination to render this family newspaper at least equal, if not superior to any similar publication in this country. The fourth volume will commence on the 18th of May ensuing, and for that day we have already secured contributions from several of the ablest writers in the country. In evidence of this we can promise the following articles: A powerfully written tale, of Domestic Life, by Robert Morris, editor of the Pennsylvania Inquirer. A Poem by Miss Mary Emily Jackson. A Humorous Sketch, by Edgar A. Poe, Esq. late editor of the Southern Literary Messenger. A Humorous Poem, by L. I. Wilmer, Esq. An Essay by John Du Sable, Esq. editor of the Spirit of the Times. A Poem, by Willis G. Clarke, Esq. editor of the Philadelphia Gazette. And also articles by Mrs. Lydia Jane Picson, J. R. Hart, Esq. John Clarke, Esq. Chas. West Johnson, Esq. Dr. Alexander C. Draper, and others whose valuable aid has been secured for the next volume.

But it is not alone in the original department that we intend to make improvements. Our resources for elegant and interesting extracts from European periodicals, and the works of popular English writers, have been greatly enlarged. We are now in the receipt of most of the leading London, Edinburgh and Paris periodicals, and from time to time shall avail ourselves of their contents, as they may seem calculated to amuse or instruct.

In addition to these features, the new volume will contain a variety of interesting wood cut engravings, as well as all the most fashionable ballads, melodies and songs, set to music, so that the "gentler" portion of our readers may feel assured of obtaining through this medium every thing that possesses interest or merit in the musical world.

Our object in short throughout our future course will be to increase the claims and merit, and thus enhance the reputation of our journal—diligent from week to week to cull out every thing calculated to entertain or inform, and at the same time careful to exclude every thing calculated to offend propriety and virtue, or to weaken or insult the moral tone of the thousands of families to whose tastes, curiosity and amusement it is our business as well as our pleasure to administer.

Our list is already large—but our expenses are by no means inconsiderable, and while the former shall continue to increase, through the kindness and partiality of our friends, we shall not hesitate in relation to the latter. It is the object of our ambition to render the Saturday Chronicle just such a public journal as the mother may delight in commending to her daughter, the father to the son, and the philanthropist to the community at large.

**DR. LEIDY'S MEDICATED EXTRACT OF SARSAPARILLA,** having become so generally popular, on account of its superior strength to any other preparation of Sarsaparilla in existence, it is thought unnecessary to make much comment upon its virtues. Suffice it to say, one bottle of the above contains twice as much of the active principles of Sarsaparilla and other ingredients, as any extract in existence, in the same quantity, and is equal to one gallon of Syrup of Sarsaparilla, for making which druggists and others purchase the above preparation. Price one dollar per bottle.

It is recommended in all diseases of the skin and Bones; affections of the Liver, Stomach, Spleen and Kidneys; Eruptions, breaking out of Dry and Watery Pimples on the face, neck and body; ulcerations of the nose, mouth and throat; running at the Ears and Eyes; Erysipelas, Scrofula, rheumatic pains, swelling or hardening of the Glands, constitutional diseases produced by the use of mercury or other minerals. In short, Sarsaparilla is known to the world, as being the most powerful agent ever discovered for purifying the blood and Animal Fluids, consequently the most valuable specific for all diseases, resulting from impurities of the Blood, and other fluids of the body.

Caution.—Persons should be particularly careful in getting a preparation that may be relied upon; there being many in existence, not properly prepared, unfit for use, and almost inert, possessed of no medicinal qualities whatever.

Dr. N. B. Leidy candidly declares his preparation to be what it is represented to be, and is prepared by himself, a regular Druggist and Apothecary, and is besides a regular Physician, attested by Drs. James, Chapman, Hare, Cox, Dewees, Jackson, James, Horner, Gibson, &c. (See directions and recommendations around each bottle.)

Upwards of 30000 bottles of the above have been sold, during the past six months, a strong proof of its good qualities, &c. For sale in this city at Dr. Leidy's Health Emporium, 2d street, below Vine, No. 191.

THE Trustees of this Institution are happy to announce to the public generally, that it is now in full tide of successful operation. The winter term has just closed; and the semi-annual examination, have given more satisfactory evidence of the excellent qualifications of their teacher, E. W. CONKLING, than any previous recommendations could have done.

The summer term will commence on Wednesday the first day of May, and continue twenty-three weeks. It is very important, that all who wish to join the institution, should be present on that day, or as soon after as possible.

In order to make the school a public benefit, by affording to all parents who desire the opportunity of giving their children a first rate education, the terms of tuition have been given at the following low rates.

**The Victory Won.**

AFTER long, tedious, and expensive experiment, Dr. Leidy has discovered a method whereby the virtue of the Sarsaparilla is extracted, so as to be formed into Pills without destroying its efficacy.

Innumerable attempts have been made to accomplish this important object, but all failed. It is important, because the Sarsaparilla, as a medicine, in all diseases to which mankind is subject is productive of more real good, than the whole catalogue of medicine in use.

Ask all respectable physicians the question,—"What is the most effectual purifier of the blood, and the most popular medicine used?" they will answer unanimously, Sarsaparilla. What better recommendation can be asked!

**DR. LEIDY'S**  
**SARSAPARILLA OR BLOOD PILLS,**  
Price, Twenty-five Cents a Box.

They must surely command a preference, for they are not composed of Sarsaparilla alone, but contain, in a concentrated state, in the form of a pill, the virtues of the principal ingredients contained in the compound fluid, extracts, syrups, and other preparations of Sarsaparilla.

They are highly recommended by numerous physicians, and others, (see directions around each bottle) in

- And all the whole train of diseases resulting from impurity of the blood, constitutional diseases produced by Mercury, or other minerals, or the consequence of Syphilis, Lues Venereal, &c.
- For convenience of taking, as well as making but small bulk, being in flat square boxes, convenient for carrying in the pocket or for travelling purposes, they must be preferable to all other preparations of Sarsaparilla.

**PREMONITARY HINTS, AND IMPORTANT INFORMATION.**

READER, did you ever see a confirmed Dyspeptic, and learn his sufferings! If not, suffice it to say, he is a pale, thin and ghastly looking object, his life apparently hanging by a thread; he is miserable and unhappy, his sufferings indescribable.

Are you much troubled with flatulency, costiveness, sour eructations arising from your stomach, occasional want of appetite, waterbrash, a bad taste in your mouth, or foul breath, pain or a heaviness at your stomach, sickness after eating, headache, disgust at your once favorite food, &c. If you are much troubled with any of the foregoing symptoms, before you buy the picture of the Dyspeptic, and having resolved to remedy the consequences, immediately procure

**Dr. Leidy's Tonic & Anti-Dyspeptic Cordial**  
A never failing and efficacious remedy for **DYSPEPSIA OR INDIGESTION,** And the whole train of affections resulting from diseases of the Liver, Stomach and Intestines.

The above medicine is warranted free from mercury or other mineral preparations; it is composed entirely of vegetables, safe and easy to take, being very pleasant to the taste. It may be safely administered to young and old, requiring but moderate restrictions in diet only.

Numerous testimonials have been from time to time published; its reputation is so well known, further comment upon its virtues is unnecessary, suffice it to say, it has NEVER FAILED IN A SINGLE INSTANCE. Further recommendations accompany the directions around each bottle.
