

CERTIFICATES.

JOHN SMITH, Mount Pleasant Township, Columbia County, Pa.
I consider it my duty to the afflicted, to come before the public and to make it known, that I was afflicted for a long time, with a very bad and dangerous complaint. I was unable to do any work. Doct. —, a well learned, and for a long time, an experienced physician, thought it not worth while to give me any more medicine. He thought I had to change the present for the future in quite a short time. I sent for medicine out of Tobias' Health Emporium, and under his direction, I took them, and astonishing is it to say, that I mended so fast, that I was able in a short time to hire myself out to work. I would recommend all those who are in a sickly situation, to go in time, to D. S. Tobias' Health Emporium to get relief from their sickness, &c.

Mrs. DERR, wife of John Derr, in Rohringcreek Vally, Col. Co.
I wish to injure no man in his profession; neither do I wish to exalt any one beyond his merits; but duty requires that I should state the great benefits I have derived from the medicine and advice I have received from D. S. Tobias, or out of the highly praised Health Emporium, Bloomsburg. I was for a long time afflicted with the following symptoms:—great languor, flatulency, disturbed rest, nervous sick head ache, difficulty of breathing, tightness and stricture across the breast, dizziness, nervous irritability and restlessness, palpitation of the heart, costiveness, pain of the stomach, drowsiness, great debility, deficiency of the nervous energy, delirious fits, &c. I gave up every thought and hope of recovery; dire despair sat on the countenance of every person interested in my existence or happiness, and my physician, an old, learned and experienced man, Doct. R. said it was impossible for me to recover my health again, which I am ready to prove; but by persuasion, I sent for medicine out of D. S. Tobias' Health Emporium, and I have now recovered my health, and I must say, that I have never felt better in my life time, than I have done since I recovered from my last sickness. I am willing to give any person who may call, full satisfaction respecting my dangerous and painful disease, and would solemnly advise all those who are in any kind of sickness, to go to the highly praised Health Emporium, Bloomsburg, of D. S. Tobias.

LYDIA ACHENBAUCH, wife of Peter Achenbauch, Orangeville, Columbia County.
I would adopt this method of recommending your Health Emporium to the notice of the afflicted. I speak from a thorough experience of the medicine which I got of you, and of their value.—My complaint was as follows:—Continued and obstinate costiveness, violent pains, frequent nausea sickness and burning pains of the stomach, rejecting the food, appetite bad, much troubled with heartburn and flatulency, and a great many other symptoms which are too tedious to mention. My condition became alarming. Medical attendance was procured, and I was declared to be incurable by more than one physician. I took refuge to D. S. Tobias' Health Emporium, and thank my God in a very short time I felt better, and came to my natural strength again. I would recommend all and every one who are in a sickly situation, to wait no longer, but get medicine out of the Health Emporium, Bloomsburg.

Mrs. FOUST, wife of John Foust, Mahoning township, Col. Co.
I have the pleasure of informing the public, of my perfect recovery from that dreadful malady called "Fluor Albus," which came so near causing my death that it appeared inevitable. I underwent a course of treatment prescribed by a celebrated physician, who visited me often, but still I got worse and worse, till I sent my husband to D. S. Tobias' Health Emporium, and the very first time I took his medicine the complaint stopped, and in a few days I was able to do my work again. I would therefore advise every one who is in an unhealthy situation to go to Tobias' Health Emporium, and suffer no more. I wish every one who reads this would keep it in his memory.

MARICHA LEIBY, wife of Jacob Leiby, Mahoning township, Columbia County.
Knowing by experience, the effect of every reference the afflicted receive of the beneficial results of medicine, I cheerfully offer mine to the public, in behalf of D. S. Tobias' medicine. I have been afflicted for a long time with the following symptoms of general debility:—Sores of the body, scurvy, diseases of the liver and skin, rash over the whole body, or a breaking out, sometimes called prickle heat, pain over the region of the heart, breast and stomach, swelling of the feet and legs, so that it was impossible for me to get on my shoes. I have used a good deal of medicine from Doct. M., but without receiving any benefit from them at all. I therefore took refuge to that much and highly praised & celebrated Health Emporium, by D. S. Tobias. In conclusion, I recommend to every one who is in an unhealthy state, to get medicine out of the Health Emporium, as I believe them to have been the means of saving my life and restoring me health and strength. I am willing to give any person who may call full satisfaction respecting my case.

SOLOMON NEWHARD, Esq. Bloom township, Col. Co.
I hereby certify, that I had a child who was afflicted with that bad complaint, called Phthisic and Choking Rheum. We had tried several experienced physicians, but nothing would relieve the child, until I went to D. S. Tobias' Health Emporium, and got some medicine, and astonishing as it is to say, the child got better the first dose we had given him.

LOOK HERE! LOOK HERE!

A certain cure for frost bitten limbs. To prove that it is a certain remedy, I would refer the public to the following.

EMANUEL LAZARUS, Merchant, Orangeville, Col. Co.

I hereby certify, that I had a boy in my store, a son of my sisters, who had both feet frozen, and they were so bad, that it was impossible to wear shoes. I had tried medicine prescribed by a physician, but without any use or benefit, when I went to D. S. Tobias' Apothecary or Health Emporium, in Bloomsburg, and got medicine out of it, and astonishing is it to say, that in quite a short time, the boys feet were well and sound. I would pray every person with frozen limbs, to go to this highly praised Health Emporium, and get medicine for that painful complaint which is a certain remedy.

"The life of the flesh is in the blood," so saith the scriptures.—Leviticus c. xvii. v. ii.

DR. LEIDY'S BLOOD PILLS.—What better than scripture testimony can we have of the life of the flesh depending upon the condition of the blood! If impure or diseased, the flesh must of course be diseased thereby, and the whole system partake of such disease. If the doctrine be true, and there is not a doubt of it (for it is a fact accorded to by all, that the scriptures, are true beyond a doubt,) then it behooves us to guard against the consequences of such impurities, and thus preserve the flesh healthy. If the flesh be healthy, constituting as it does the principal portion of the human body, then must the whole body be healthy.

In vegetables only can we find the medicine whereby all impurities of the blood may be removed.—Upwards of one hundred years experience of the most celebrated, the wisest and best physicians have proved certain vegetables to possess purifying properties. These vegetables will not here be named, and Dr. Leidy wishes to remunerate himself, and profit by the long, laborious, and costly experiments necessary to be made, that the active principles of those vegetables might be retracted and reduced to such form as makes them easy, safe and pleasant to be taken.

These vegetables are contained in the justly celebrated Blood Pills, manufactured only by Dr. N. Leidy, a regular Druggist and Physician, attested by Drs. Physic, Chapman, Jackson, Horner, Gibson Dewees, James, Hare, Cox, &c.

The above Pills may be employed as a mild or active purgative. Their action is easy, and may be employed by all persons under all circumstances.—They will at all times be found serviceable, when the least sickness is present. They require no change of diet, restraint from occupation, or fear of taking cold from their use. They are daily prescribed by numerous physicians; certificates of the fact accompany the directions. They are the most effective purifier of the blood and other fluids of the human body ever discovered. Persons having once used, will ever after, as occasion may acquire, have recourse to them.

Price Twenty Five Cents a box.
