The "Orangeville Union Church" will be consecrated on Saturday, the 31st of October last, and meetings will be continued for two or three days. Preaching may be expected from Clergymen of different persuasions, in both English and German. Citizens generally are invited to attend. The papers in the county are requested to copy this notice.  
Orangeville Oct. 3, 1840.

**Democrats**  
**Attention.**  
A splendid VAN BUREN HICKORY POLE will be raised at the house of ISAAC C. JOHNSON in Orangeville, on Tuesday, the 20th of October at 12 o'clock noon. A dinner will be provided by Mr. Johnson.  
Come on, democrats, one and all, and help give Van Buren a hoist.  
Within a week past, we have attended two large and truly enthusiastic democratic meetings. The first on Saturday last, at Paxton. About two hundred were present, and raised a splendid Hickory pole, upon which was hoisted an American flag with the inscription "Van Buren and Johnson." The other was on Wednesday, at Rearing Creek. They were both democratic meetings in name and in spirit. Resolutions, it will be seen by reference to the proceedings in another column, were passed in favor of the ticket.  
From all parts of the county, we hear the cheering news that all is right, and that the current is now setting smoothly on in favor of the whole county ticket. The volunteers for candidates for sheriff and Treasurer, becoming quite disheartened, as they were met by almost every democrat, with the motto—"K K, cant come it—Ticket—Ticket." Poor souls, they must feel rather wrecked.  
We have no time to devote to the little below. But we cannot part with them without giving them a piece of advice. If you do not want to be switched you must paddle in dirty water.

We are authorized to say, by Col. Michael R. Hower, that he has withdrawn his name from the canvass, as a candidate for sheriff. It is due to Col. Hower to mention that he informs us that he mailed a letter, some two weeks since, inclosing his declination for publication, which, by some cause or other we have never received.

**TO THE POLLS.**  
Remember, that Tuesday next, the 13th, is the day of trial—then comes the tug of war—the battle is to be then, lost or won. Although the democracy of the county are a large majority, yet if we allow ourselves to be divided by the whigs, or what is still worse, by third candidates of our own party, we may be defeated,—yes, shamefully defeated. Let every democrat be at the polls, and cast his vote for the regular nominated county ticket, and all will be well.

**SHERIFF.**  
If any democrat wishes to see a whig sheriff elected, let him vote against JOHN FRUIT the regular nominated candidate. But if he wants to see a democrat elected, VOTE FOR HIM.  
**Treasurer.**  
There are three candidates for Treasurer, —LEONARD B. RUPERT the regular nominated democratic candidate,—John C. Grier, the whig candidate, and John Rhodes, the federal, whig, democratic, disorganizing volunteer candidate. Democrats choose ye between them.

Democrats turn out on Tuesday next.— Let no man stay away from the polls. Go yourselves and urge your neighbors.— Your own vote may change the election.— Come one—come all.  
A Young Loco Foco.—"Pa," said a little white haired urchin as he was eyeing some bank notes his father was counting, "why do they put the picture of farmers, mechanics, and workmen on bank bills?"  
"I don't know, my son."  
"Well, I do, pa: I've just found out. It is because they have to suffer more than other people when the bank fails!"

**MAINE ELECTION.**  
The Bay State Democrat of Tuesday evening repeats the opinion expressed the evening before, that Fairfield has a majority of 162 votes over Kent. It compares carefully the returns published in the British Whig prints, the Boston Atlas in particular, with the returns in which it thinks there are no mistakes, and shows that they have erred materially in several counties.— "With all these corrections" it says "and those too from 'whig' sources, the Atlas table by counties would stand, instead of 228 for Kent, 162 for Fairfield—within one of what we made it yesterday. The Atlas comes down hard, as it did last year in the election of Morton; it would not then admit that he was chosen; even when the official canvass was made and accepted, because it had pledged its reputation that there was no choice."—N. Y. Era.  
**THE LOST BIBLE FOUND.**  
Most of our readers have seen historical notices of the misfortunes of the family of the Rev. Mr. Caldwell of New Jersey, in the revolutionary war. Mr. C. was pastor of the Presbyterian church at Elizabethtown and like most of the clergy of that church, at that time, was a zealous whig. His activity against the British, made him a mark for their vengeance, and in one of their frequent incursions into that neighborhood, when he was from home, a company of soldiers surrounded his dwelling, and one of them deliberately leveled his musket at Mrs. Caldwell, while on her knees at prayer, and fired, killing her instantly. The party then retreated, carrying off several articles of plunder, and among them Mr. Caldwell's family bible. Not long ago, and more than sixty years after the event we have been recording, an old woman living on Long Island, called on one of the grandchildren of Mr. Caldwell, at Morrstown, N. J. and presented this identical bible, containing the family record as made by Mr. C. in his own hand writing—then the record as made by the soldier who stole it; and various memoranda by subsequent possessors.

**The Mormons.**—The Quincy Whig states that Governor Boggs has agreed to comply with the requisition of Governor Carlin, of Illinois, for the delivery of the persons concerned in outrages committed upon certain Mormon citizens of Illinois, at Tully. And that in like manner, Governor Boggs has demanded, and Governor Carlin has agreed to deliver up, Joseph Smith Jr. and Sidney Rigdon, as fugitive criminals from Missouri.
